Checkpoint Maths is the first 11-14 series to be written specifically for students who are preparing for the University of Cambridge International Examinations Checkpoint test and IGCSE exam. The series is fully endorsed by CIE and is included in their Checkpoint Mathematics Resources List. - Written for an international audience - Includes plenty of exercises for practice - Contains extension material to stretch more able students - Investigations at the end of each section illustration applications of the work covered - ICT is an integral part of the course, with ICT activities at the end of each section

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. This series helps students understand economic theory, terminology and principles. It matches the Cambridge IGCSE and O Level Economics syllabuses. The coursebook helps students apply tools of economic analysis, make judgements on economic issues, use basic economic numeracy and literacy, and take greater part in decision-making processes in everyday life. Sample questions provide opportunities for students to develop their evaluative skills. It provides a foundation for advanced study in Economics such as A Level. Answers to the coursebook and workbook questions are in the teacher's resource.

This is a new and essential text for students studying the new OCR GCSE Business Studies specification. It provides complete coverage of all elements of the revised specification including full and short courses, the options, key skills and coursework assignments.

Written to cover the IGCSE syllabus, Business Studies: IGCSE is divided into five sections, which are in turn divided into units that provide convenient and flexible areas of learning. Each unit has a brief introduction followed by a business-in-context section and questions designed to help students understand the implications of the topic. Each unit contains definitions of key terms and ends with a summary of the topic covered.

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2020. Discover business theory beyond the classroom by exploring real-world international businesses through case studies; rely on a tried-and-tested Student's Book to ensure full coverage of the latest Cambridge IGCSE and O Level Business Studies syllabuses (0450/0986/7115). - Encourage understanding with engaging case studies and clear and lively text gradually building content knowledge. - Develop application and evaluation skills with hundreds of engaging activities and examination-style questions throughout. - Deepen understanding through systematic syllabus coverage and a spiral structure revisiting material in a structured way. - Navigate the syllabuses confidently with subject outlines clearly defined at the start of each chapter and syllabus-matching section headings. - Check understanding with revision checklists enabling reflection, and suggested further practice. - Reinforce learning with selected answers and additional multiple-choice questions as well as a glossary of key terms online. Available in this series: Student Textbook Fifth edition (ISBN 9781510421233) Student eTextbook (ISBN 9781510420106) Whiteboard eTextbook (ISBN 9781510420113) Workbook (ISBN 9781510421257) Online Teacher's Guide (ISBN 9781510424128) Study and Revision Guide

(ISBN 9781510421264)

This revised set of resources for Cambridge IGCSE Business Studies syllabus 0450 (and Cambridge O Level Business Studies syllabus 7115) is thoroughly updated for the latest syllabus for first examinations from 2015. Resources tailored to the Cambridge IGCSE® (0680) and O Level (5014) Environmental Management syllabuses, for first examination in 2019. Cambridge IGCSE® and O Level Environmental Management Coursebook is tailored to the IGCSE (0680) and O Level (5014) Environmental Management syllabuses for first examination in 2019, and is endorsed for full syllabus coverage by Cambridge International Examinations. The coursebook comprehensively covers the knowledge and skills required and supports students as they prepare for assessment. International case studies illustrate phenomena in real-world situations, while practical activities help students to develop their investigative skills. Exam-style questions and self-assessment questions encourage students to check their understanding and progress. Answers to all questions can be found at the back of the book.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an idea of what types of questions are expected from this chapter. (Hints of answers of these questions are also given). Case Studies are framed by using words strictly from the NCERT. A solved sample paper of CBSE 2020 is also given. Guidelines for project are also given. A sample project on Marketing Management is also given. The Subject Matter is presented in simple language, in points, and along with diagrams, so that the student may find it easy to understand.

Prepare your students for success and provide a well-rounded learning experience. This resource emphasizes critical and analytical thinking skills, increasing students' ability to reason from an international perspective. Matched to the latest Cambridge syllabus, this text prepares students for exams and beyond.

Endorsed by Cambridge International Examinations. Develop your students computational thinking and programming skills with complete coverage of the latest syllabus from experienced examiners and teachers. - Follows the order of the syllabus exactly, ensuring complete coverage - Introduces students to self-learning exercises, helping them learn how to use their knowledge in new scenarios

Accompanying animation files of the key concepts are available to download for free online. See the Quick Links to the left to access. This book covers the IGCSE (0478), O Level (2210) and US IGCSE entry (0473) syllabuses, which are for first examination 2015. It may also be a useful reference for students taking the new Computer Science AS level course (9608).

An investigative approach to Cambridge IGCSE Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460 syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development and the Use of Resources) as well as the geographical and fieldwork skills elements of Papers 2, 3 and 4. Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels and accompanying comments. Be confident in the content and approach - this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association - the home of best practice in Geography teaching.

BPP Learning Media's ICFE Workbook is the ideal companion to assist students with technical English learning and to gain certification of their abilities which are recognised by thousands of educational organisations and employers worldwide.

Cambridge IGCSE® Physical Science resources tailored to the 0652 syllabus for first examination in 2019, and all components of the series are endorsed by Cambridge International Examinations. This Physics Workbook is tailored to the Cambridge IGCSE® Physical Science (0652) syllabus for first examination in 2019 and is endorsed for learner support by Cambridge International Examinations. The workbook covers both the Core and the Supplement material with exercises that are designed to develop students' skills in problem-solving and data handling, planning investigations and application of theory to practice. Answers are provided at the back of the book.

This fresh set of resources for Cambridge IGCSE Sociology syllabus 0495 (and Cambridge O Level Sociology syllabus 2251) is carefully crafted to match and support the revised syllabus for first examination in 2016. Written in clear and accessible language, the Coursebook provides comprehensive coverage of the syllabus in a visually-stimulating format. Key sociological research combined with case studies and thought provoking questions help in understanding concepts. Features such as Key terms and Revision checklists further reinforce learning and understanding of core subject areas. Engaging activities help in applying knowledge in various contexts and building interpretation, analytical and evaluation skills. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teachers CD-ROM is also available.

This series is for the Cambridge International AS & A Level IT syllabus (9626) for examination from 2019. This coursebook provides a clear and comprehensive guide to assist students as they develop theoretical and practical IT skills. It contains detailed explanations of theoretical and practical concepts and tasks, with worked examples and exercises to consolidate knowledge. Practical tasks are offered throughout the book, with source files on the accompanying CD-ROM, to help students build and develop their practical knowledge.

This text covers the requirements of all the GCSE Business Studies syllabuses and can also be used as a resource to support short courses in Intermediate GNVQ Business. It contains a wide variety of activities which give students opportunities to check their understanding and practise their IT skills, as well as learning to interpret data. Review questions and a glossary of terms at the end of each unit help students to make effective use of business terminology, concepts and methods. Case studies and questions at the end of each theme help students to understand the business concepts and develop their analytical skills.

A range of resources for CAPE has been specially developed to meet the requirements of the CAPE syllabus. This new textbook has been developed to match the requirements of the CAPE Management of Business syllabus. Full coverage of the CAPE syllabus is provided and the content has a clear focus on the Caribbean economic and business environment. A distinctive feature is the provision of examination-type questions at the end of each major section. The questions come with suggested time limits for answering, giving useful practice in how to allocate time for the final examination. Management of Business for CAPE includes case studies from a variety of countries and industries, as well as an internal assessment component.

IGCSE Business Studies third edition is a student-friendly Business Studies textbook covering all the components of the latest IGCSE syllabus.

This revised set of resources for Cambridge IGCSE, IGCSE (9-1) and O Level Business Studies syllabuses (0450, 0986, 7115) is thoroughly updated for first examinations from 2020. This coursebook contains exam-style case studies and stimulus material from businesses around the world - ranging from a social enterprise in China to a fast food outlet in Zimbabwe. These give an international view of the real world applications of Business Studies theory. This book provides comprehensive exam support with questions to help students practise and build their confidence with the subject. The final chapter gives revision tips and advice on writing well-structured answers. The answers to the coursebook questions are in the teacher's resource. For free revision support, go to the Cambridge University Press website.
