

10 Secrets Revenue Canada Doesn't Want You To Know

"A bold, intoxicating, page-turner" – Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* A Daily Mail Book of the Week The #1 Toronto Star Bestseller The #1 Globe and Mail Bestseller A Cityline Book Club Pick A WI Life Magazine Book Club Pick Featured in The New York Times, Parade, Crime Reads, Refinery29, Westport Magazine, The Every Girl. When Alice Hale leaves a career to become a writer and follows her husband to the New York suburbs, she is unaccustomed to filling her days alone in a big, empty house. But when she finds a vintage cookbook buried in the basement, she becomes captivated by its previous owner: 1950s housewife Nellie Murdoch. As Alice cooks her way through the past, she realizes that within the pages Nellie left clues about her life. Soon Alice learns that while a Baked Alaska may seem harmless, Nellie's secrets may have been anything but. When Alice uncovers a more sinister, even dangerous, side to Nellie's marriage, and has become increasingly dissatisfied with her own relationship, she begins to take control of her life and protect herself with a few secrets of her own.

REVIEWS "Recipe for a Perfect Wife masterfully bridges the lives of two women, living sixty years apart, who refuse to fall victim to the patriarchy. While Karma Brown's signature style remains, it's laced with something sinister and dark. A brilliant, brooding, timely novel, fraught with tension, that packs a punch. Brown knows how to keep readers riveted until the very last page." – Mary Kubica, New York Times bestselling author of *The Good Girl* "Recipe for a Perfect Wife is a bold, intoxicating, page-turner. Karma Brown has long been a favorite of mine and this book is proof she just keeps getting better and better. This is a thrilling, audacious story about women daring to take control." – Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* "A sly, smart look at two women across two different decades as they navigate marriage, secrets, and society's expectations. Brown's vivid storytelling deftly explores the joys and limitations of the role of wife – a wonderful read." – Fiona Davis, national bestselling author of *The Chelsea Girls* "I already knew that Karma Brown's contemporary novels are exemplars of thoughtful, compelling, and truly original fiction. What I didn't know before reading *Recipe For a Perfect Wife* is that she is equally at home when writing historical fiction. In her hands, the constrained and often suffocating lives of 1950s women – illuminated in a deftly handled dual narrative that alternates between the present day and 60 years ago – are revealed with real sensitivity, depth, and at times tenderness. And true to Karma Brown, this is also a nail-biter of a tale, and one that kept me up long past my bedtime. This is a delicious and thoroughly satisfying book." – Jennifer Robson, bestselling author of *The Gown* "Karma Brown has outdone herself with best book yet. Dual storylines set decades apart offer one of the most emotionally stirring explorations of women's lives I have ever read. *Recipe for a Perfect Wife* is page-turning look at identity, love, legacy, marriage, and yes--food. I devoured it!" – Jamie Brenner, bestselling author of *Drawing Home* "Recipe for a Perfect Wife is as witty, charming, and insightful as anything Karma Brown has written to date, but it's also got something more: it cuts straight to the heart of modern marriage by going back in time. Flawless transitions between past and present remind us of how far we've come while Brown's penetrating prose deftly underscores the importance of staying the course on the journey ahead. This timely novel is alarming and unforgettable, illuminating and ominous – and perfect for your next book club discussion!" – Marissa Stapley, bestselling author of *The Last Resort* "Recipe for a Perfect Wife is that wonderful combination of fun to read, thought provoking, and mystery. Told in the voices of two women living in different decades an

Finalist Writers' Trust Fiction Prize Scotiabank Giller Prize Longlist National Bestseller A Globe and Mail Top 100 Book of the Year A CBC Best Book of the Year An Apple Best Book of the Year A Kobo Best Book of the Year An Indigo Best Book of the Year Taken from their families when they are very small and sent to a remote, church-run residential school, Kenny, Lucy, Clara, Howie and Maisie are barely out of childhood when they are finally released after years of detention. Alone and without any skills, support or families, the teens find their way to the seedy and foreign world of Downtown Eastside Vancouver, where they cling together, striving to find a place of safety and belonging in a world that doesn't want them. The paths of the five friends cross and crisscross over the decades as they struggle to overcome, or at least forget, the trauma they endured during their years at the Mission. Fuelled by rage and furious with God, Clara finds her way into the dangerous, highly charged world of the American Indian Movement. Maisie internalizes her pain and continually places herself in dangerous situations. Famous for his daring escapes from the school, Kenny can't stop running and moves restlessly from job to job—through fishing grounds, orchards and logging camps—trying to outrun his memories and his addiction. Lucy finds peace in motherhood and nurtures a secret compulsive disorder as she waits for Kenny to return to the life they once hoped to share together. After almost beating one of his tormentors to death, Howie serves time in prison, then tries once again to re-enter society and begin life anew. With compassion and insight, *Five Little Indians* chronicles the desperate quest of these residential school survivors to come to terms with their past and, ultimately, find a way forward.

Nothing can better protect hard-earned income and help to accumulate wealth than savvy tax strategies. In this comprehensive guide, Canada's foremost tax expert, Tim Cestnick, offers 101 tips for year-round tax planning that can save Canadians from all walks of life thousands of dollars on their tax bill. It shows readers how they can best build a successful game plan that will reduce their taxes and maximize after-tax investment returns. Cestnick's simple and proven advice makes *101 Tax Secrets for Canadians* an essential tool for all Canadians seeking to accumulate wealth and protect their income.

Ideas are the currency of the twenty-first century. In order to succeed, you need to be able to sell your ideas persuasively. This ability is the single greatest skill that will help you accomplish your dreams. Many people have a fear of public speaking or are insecure about their ability to give a successful presentation. Now public speaking coach and bestselling author Carmine Gallo explores what makes a great presentation by examining the widely acclaimed TED Talks, which have redefined the elements of a successful presentation and become the gold standard for public speaking. TED ? which stands for technology, entertainment, and design ? brings together the world's leading thinkers. These are the presentations that set the world on fire, and the techniques that top TED speakers use will make any presentation more dynamic, fire up any team, and give anyone the confidence to overcome their fear of public speaking. In his book, Carmine Gallo has broken down hundreds of TED talks and interviewed the most popular TED presenters, as well as the top researchers in the fields of psychology, communications, and neuroscience to reveal the nine secrets of all successful TED presentations. Gallo's step-by-step method makes it possible for anyone to deliver a presentation that is engaging, persuasive, and memorable. Carmine Gallo's top 10 Wall Street Journal Bestseller *Talk Like TED* will give anyone who is insecure about their public speaking abilities the tools to communicate the ideas that matter most to them, the skill to win over hearts and minds, and the confidence to deliver the talk of their lives. The opinions expressed by Carmine

Gallo in TALK LIKE TED are his own. His book is not endorsed, sponsored or authorized by TED Conferences, LLC or its affiliates.

Although there has never been a more challenging time for CPAs to grow a successful practice - with clients doing more in-house, using pre-packaged software and looking everywhere for ways to cut costs - many CPAs are having their best results ever. In this unique marketing and practice growth guide, practicing CPA, author, and marketing expert Salim Omar explains how these "Genius CPAs" are bucking the trend and creating the Ultimate CPA Practice. Whether you are just starting your practice, are a seasoned practitioner struggling to gain growth or are working in a larger firm as an accounting professional or partner, this book shows you how to: Grow your revenue while others are barely keeping their heads above water. Attract fanatically loyal clients willing to pay premium fees for superior services. Reduce marketing costs as clients regularly send you high quality referrals. Pick the best staff available, who stay loyal even if offered more money elsewhere. If you are ready to create the Ultimate CPA Practice, this book could change not only your practice but your life as well. Editorial Reviews From the Back Cover "Not only will you grow your practice, but you'll also reclaim control of your life." - Paul McCord, Author: Creating a Million Dollar a Year Sales Income "This book is a treasure trove of the tools to bring your practice to the next level." - Ed Guttenplan, CPA, MBA

Reveals how the Federal Reserve under Paul Volcker engineered changes in America's economy

An exploration of why people all over the world love to engage in pain on purpose--from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

A "THINK DIFFERENT" APPROACH TO INNOVATION-- Based on the Seven Guiding Principles of Apple CEO Steve Jobs In his acclaimed bestseller The Presentation Secrets of Steve Jobs author Carmine Gallo laid out a simple step-by-step program of powerful tools and proven techniques inspired by Steve Jobs's legendary presentations. Now, he shares the Apple CEO's most famous, most original, and most effective strategies for sparking true creativity--and real innovation--in any workplace. THE INNOVATION SECRETS OF STEVE JOBS Learn how to RETHINK your business, REINVENT your products, and REVITALIZE your vision of success--the Steve Jobs way. When it comes to innovation, Apple CEO Steve Jobs is legendary. His company slogan "Think Different" is more than a marketing tool. It's a way of life--a powerful, positive, game-changing approach to innovation that anyone can apply to any field of endeavor. These are the Seven Principles of Innovation, inspired by the master himself: Do What You Love. Think differently about your career. Put a Dent in the Universe. Think differently about your vision. Kick Start Your Brain. Think differently about how you think. Sell Dreams, Not Products. Think differently about your customers. Say No to 1,000 Things. Think differently about design. Create Insanely Great Experiences. Think differently about your brand experience. Master the Message. Think differently about your story. By following Steve Jobs's visionary example, you'll discover exciting new ways to unlock your creative potential and to foster an environment that encourages innovation and allows it to flourish. You'll learn how to match—and beat—the most powerful competitors, develop the most revolutionary products, attract the most loyal customers, and thrive in the most challenging times. Bestselling business journalist Carmine Gallo has interviewed hundreds of successful professionals--from CEOs, managers, and entrepreneurs to teachers, consultants, and stay-at-home moms—to get to the core of Steve Jobs's innovative philosophies. These are the simple, meaningful, and attainable principles that drive us all to "Think Different." These are The Innovation Secrets of Steve Jobs. An enhanced ebook is now available with 10 demonstration videos of Jobs' sure-fire innovation secrets. Select the Kindle Edition with Audio/Video from the available formats. Emmy Award winner, renowned lawyer and journalist, The View cohost, and National Bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billy to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.

A raw and funny memoir about sex, dating, and relationships in the digital age, intertwined with a brilliant investigation into the challenges to love and intimacy wrought by dating apps, by firebrand New York Times—bestselling author Nancy Jo Sales At forty-nine, famed Vanity Fair writer Nancy Jo Sales was nursing a broken heart and wondering, “How did I wind up alone?” On the advice of a young friend, she downloaded Tinder, then a brand-new dating app. What followed was a raucous ride through the world of online dating. Sales, an award-winning journalist and single mom, became a leading critic of the online dating industry, reporting and writing articles and making her

directorial debut with the HBO documentary *Swiped: Hooking Up in the Digital Age*. Meanwhile, she was dating a series of younger men, eventually falling in love with a man less than half her age. *Nothing Personal* is Sales's memoir of coming-of-middle-age in the midst of a new dating revolution. She is unsparingly honest about her own experience of addiction to dating apps and hilarious in her musings about dick pics, sexting, dating FOMO, and more. Does Big Dating really want us to find love, she asks, or just keep on using its apps? Fiercely feminist, *Nothing Personal* investigates how Big Dating has overwhelmed the landscape of dating, cynically profiting off its users' deepest needs and desires. Looking back through the history of modern courtship and her own relationships, Sales examines how sexism has always been a factor for women in dating, and asks what the future of courtship will bring, if left to the designs of Silicon Valley's tech giants—especially in a time of social distancing and a global pandemic, when the rules of romance are once again changing.

"This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across America. Garcia began writing about autism because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In *We're Not Broken*, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

"*Live Your Life Insurance - Canadian Edition*" is the Canadian version of the original book of the same name written by Kim Butler. The book has been adapted to fit our Canadians laws, especially when it comes to taxation, and will show you exactly how you can take advantage of one of the most common, but misunderstood, financial tools. In it, you'll discover exactly how you can use your life insurance to benefit you while you are alive -- and help you build financial security. In addition, it will reveal ways to make the best of your policy no matter what age you are. Most people don't realize what a powerful tool they have in their life insurance policies -- this book will be your guide.

Already have a home service business but just scraping by? Don't know how to grow because you can't possibly work any more hours? This book aims to change that with actionable advice you can use to immediately improve every aspect of your home service business so you can make more money and work less.

Shortlisted for the 2021 Booker Prize Longlisted for the 2021 National Book Award for Fiction A heartrending new novel from the Pulitzer Prize-winning and #1 New York Times best-selling author of *The Overstory*. Named one of the Most Anticipated Books of 2021 by *Newsweek*, *Los Angeles Times*, *New York Magazine*, *Chicago Tribune*, *BuzzFeed*, *BookPage*, *Goodreads*, *Literary Hub*, *The Millions*, *New Statesman*, and *Times of London* The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He's also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin's emotional control, one that involves training the boy on the recorded patterns of his mother's brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son's ferocious love, *Bewilderment* marks Richard Powers's most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet?

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

"This book is for nonprofit managers who want to learn the steps for generating no strings attached unrestricted revenue streams. It will provide you with strategies for generating substantial scalable revenue, strategies with such inherent simplicity that organizations with the smallest of budgets and staff can implement them immediately."--Book cover.

A former international hostage negotiator for the FBI offers a new, field-tested approach to high-stakes negotiations—whether in the boardroom or at home. After a stint policing the rough streets of Kansas City, Missouri, Chris Voss joined the FBI, where his career as a hostage negotiator brought him face-to-face with a range of criminals, including bank robbers and terrorists. Reaching the pinnacle of his profession, he became the FBI's lead international kidnapping negotiator. *Never Split the Difference* takes you inside the world of high-stakes negotiations and into Voss's head, revealing the skills that helped him and his colleagues succeed where it mattered most: saving lives. In this practical guide, he shares the nine effective principles—counterintuitive tactics and strategies—you too can use to become more persuasive in both your professional and personal life. Life is a series of negotiations you should be prepared for: buying a car, negotiating a salary, buying a home, renegotiating rent, deliberating with your partner. Taking emotional intelligence and intuition to the next level, *Never Split the Difference* gives you the competitive edge in any discussion.

Your Career, Your Money, Your Life: How to Set Yourself Free From Capitalism will inspire you to redirect your energies toward the pursuit and attainment of your dreams, passions, interests, and self-actualization. You will enjoy an easy-to-understand analysis of the capitalist system, and its impact on every decision you have made as a working consumer. The system has been developed to keep you working for the rest of your life. You, however, were created to be self-fulfilled and happy. This book will give you a clear, step-by-step process to follow that will bring you to the fruition of your purpose in life. Your goal is to enjoy a daily sense of happiness about your career, your money, and your life, including your relationships. As you take steps to fulfill your natural self, you will be fulfilled in every other area of your life. So take control today, and be who you are meant to be.

When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick

is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

Take one thoroughly modern gal with a recessionary income problem, mix with the practices of a culture that has proved to be recession-proof, and what have you got? A financial planner in a straw hat. When writer Lorilee Craker learned that the Amish are not just surviving but thriving in the economic downturn, she decided to find out why. What she found was about a dozen tried and true financial habits the Amish have employed for generations that will make your cash last longer and help you build wealth. Craker provides tips to... use it up, wear it out, make do, or do without rethink your gift giving repurpose, recycle, and reuse eat like royalty for a peasant's pittance Endorsements: Packed with practical, simple, and smart money saving ideas and teeming with great insight into the sensible Amish ways, *Money Secrets of the Amish* will entertain you with stories and retrain your brain to be the savvy money saver you always dreamed you could be. --Beth Wiseman, best-selling author of *Plain Promise* and *Seek Me With All Your Heart* Sometimes touching, sometimes humorous and always helpful, author Lorilee Craker pulls us into the family rooms of the Amish and shows us how they make ends meet. Story after story illustrates savvy money management: trading for goods and services, shopping for bargains, living with less, avoiding debt, curbing the desire to impress others. And Craker's journalistic bent provides plenty of takeaway value for the non-Amish. A very worthwhile read whether your bank account is bursting or busting. --Suzanne Woods Fisher, author of *Amish Peace: Simple Wisdom for a Complicated World* and *Lancaster County Secrets* (Revell) This book is like an Amish basement shelf loaded with Mason jars full of Plain money wisdom. Self-confessed "Fancy" gal Lorilee Craker rolls up her sleeves and cracks them open one-by-one, figuring out how to fit Amish principles to a non-Amish life. She succeeds, and so can you—read *Money Secrets of the Amish* and add weight to your wallet. --Erik Wesner, *amishamerica.com*; author of *Success Made Simple: An Inside Look at Why Amish Businesses Thrive* *Money Secrets of the Amish* is a practical, doable guide, and it's such fun to read. Lorilee's voice is as engaging and lively as ever, and the wisdom she shares from the Amish community is both inspiring and instructive. Just two years later, he doubled his net worth again. He now consults and advises entrepreneurs and executives on lifestyle investing. Justin hosts the podcast *The Lifestyle Investor(R)* featuring his lessons and proven investment system that consistently produces repeatable returns.

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have

shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

"The Anthropocene is the current geological age, in which human activity has profoundly shaped the planet and its biodiversity. In this ... symphony of essays adapted and expanded from his ... podcast, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale--from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar"--

NEW YORK TIMES BEST SELLER • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing*, as featured in the HBO documentary *Crime of the Century*. The Sackler name adorns the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond's son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug's addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America's second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world's great fortunes.

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC—Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

A step by step guide how to make money online without using affiliates, MLM, or pyramid schemes. America's elite have been using cash value life insurance to stockpile wealth for centuries. Used correctly, it is better described as a personal bank on steroids, and a financial bunker for tough times. To be clear, this book is not about the typical garbage peddled by most insurance agents. Rather, an alternative to the risky investment strategies taught by Wall Street. It details a highly efficient form of cash value life insurance designed to supercharge your savings and stockpile wealth. A product so powerful it's responsible for the success of Walt Disney, JC Penney, Ray Kroc, and thousands of others. Here's what you'll discover: How the wealthy use this vehicle to create more wealth, take less risk, and create predictable income down the road Why banks and corporations place billions of dollars in this powerful vehicle How I earned over 300 percent returns leveraging my life insurance policies How you can create a safe, predictable foundation to enhance every financial decision you make How to win with taxes and keep more of the money you make While the information compiled into this book is valuable, you'll also find three case studies that show you exactly how it works. You'll be able to visually see how it grows, how it's accessed, as well as the future income that can be taken.

_____ Influencers of this book are Nelson Nash, his book "Becoming Your Own Banker: Unlock the Infinite Banking Concept"; Pamela Yellen, her book "Bank on Yourself"; Dwayne Burnell, his book "Financial Independence in the 21st Century - Life Insurance * Utilize the Infinite Banking Concept * Compliment Your 401K - Retirement Planning With Permanent Whole Life versus Term or Universal - Create Financial Peace"; and my Father Dan Thompson, and his book "The Banking Effect: Acquiring wealth through your own Private Banking System." I was introduced to these financial strategies at a young age, and this is book represents the effort and energy on both the part of everyone of my mentors, these authors here, as well as my own diligence in learning about and implementing these very same strategies into my personal finances. This book is designed to simplify some of the concepts surrounding cash value life insurance, such as Infinite Banking and Bank on Yourself, and make them easier to understand, stripping them down to the core benefits of cash value life insurance.

In her first novel since *The Quick and the Dead* (a finalist for the Pulitzer Prize), the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. "She practices . . . camouflage, except that instead of adapting to its environment, Williams's imagination, by remaining true to itself, reveals new colorations in the ecology around her." —A.O. Scott, *The New York Times Book Review* Kristen is a teenager who, her mother believes, was marked by greatness as a baby when she died for a moment and then came back to life. After Kristen's failing boarding school for gifted teens closes its doors, and she finds that her mother has disappeared, she ranges across the dead landscape and washes up at a "resort" on the shores of a mysterious, putrid lake the elderly residents there call "Big Girl." In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Kristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this "gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and ill, determined to refresh, through crackpot violence, a plundered earth"? Rivetingly strange and beautiful, and delivered with Williams's searing, deadpan wit, *Harrow* is their intertwined tale of paradise lost and of their reasons—against all reasonableness—to try and recover something of it.

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW

YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

About the Book: Foreword by Bryan Eisenberg In Ecom Hell, Shirley Tan wants to share what she learned in ecommerce to make sure you can avoid getting burned! Shirley Tan started her ecommerce business on a shoe string budget and sold it to a NASDAQ traded corporation. How? She developed systems and efficiencies that made her business hugely profitable and a prime acquisition target. Shirley fields frequent questions about the title of her book. Why Ecom Hell? She says, "I believe business success is a combination of strategic planning and excellent execution, helped often by a heavy dose of optimism. I understand the value of optimism as it carries many an entrepreneur through a rough day or two. However, I also believe in anticipating worst case scenarios to avoid them at all costs. This is the impetus behind Ecom Hell: I'll help you face the pitfalls that can be part of ecommerce business building; and give you the best practices to use to navigate your way around these potentially hellish situations. Ecom Hell is going to help you build your own ecom heaven!" "Shirley is an incredible entrepreneur that experienced hands on every aspect it takes to make an ecommerce business successful. Regardless of the stage of your ecommerce business, Shirley provides excellent foresight into how to make it to the next level."-Jennifer Fallon, CEO, The Aspen Brands Company, KateAspen.com & BabyAspen.com "Shirley Tan is the real deal. As an inquisitive entrepreneur, she always asks all the right questions, and now she is sharing all the right answers for creating a successful ecommerce business. Her book is detailed, insightful, and comprehensive, and will become a must-have for all E-com business owners. Not only has she done it herself, but she knows how to identify and document the things that helped her become successful. Sharing this wealth of knowledge is only part of what makes her not only a great author, but a great person as well."-Todd Malicoat, SEO, Faculty Market Motive.com

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--
