

1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

A dynamic reading of Paul's faith language, outlining its subtle nuances as belief, trust, and faithfulness. Faith language permeates the letters of Paul. Yet, its exact meaning is not always clear. Many today, reflecting centuries of interpretation, consider belief in Jesus to be a passive act. In this important book, Nijay Gupta challenges common assumptions in the interpretation of Paul and calls for a reexamination of Paul's faith language. Gupta argues that Paul's faith language resonates with a Jewish understanding of covenant involving goodwill, trust, and expectation. Paul's understanding of faith involves the transformation of one's perception of God and the world through Christ, relational dependence on Christ, as well as active loyalty to Christ. Pastors and scholars alike will benefit from this close examination of Paul's understanding and use of faith language. For Gupta, Paul's understanding involves a divine-human relationship centered on Christ that believes, trusts, and obeys.

Tyndale New Testament Commentaries contains the Epistle of 2 Corinthians and also book 8.

The popular Life Application Bible Studies are now available in the New Living Translation. Each study provides an in-depth examination of a particular Bible book using the New Living Translation text and notes from the "Life Application Study Bible." Are we on the verge of a great apostasy in the church? "For

Read Book 1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths.” —2 Timothy 4:3-4 Jesus Christ is coming back. It is certainly a Christian’s greatest hope during these difficult times. The Bible warns us that the last days will be tumultuous—wars and rumors of wars will spread (Matthew 24:6). In our age, the world seems to be spinning out of control, creating fear, confusion, and uncertainty. In addition to violence, pestilence, and epidemics, the Bible predicts a great “falling away” from God in the end times. Bible teachers call that “the great apostasy.” Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching? Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time. Are today’s teachers allowing people to follow their own desires by telling them what they want to hear, as the Bible clearly predicts? Are major portions of the church ready to abandon sound and wholesome teaching? Together, Mark and Jeff explore alarming trends among today’s church leaders and they are simply stunned by what they discover. The great apostasy is coming, but is it closer than we imagine? What does that mean for the future? Let Mark and Jeff be your steady guides to the difficult days ahead.

The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world’s most distinguished evangelical scholars, these twenty volumes offer clear, reliable and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the

authorship, date and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

Originally confined to a small circle of believers centered in Jerusalem, Christianity's stunning transformation into the world's most popular faith is one of history's greatest, most miraculous stories. In *Jesus Is Risen*, #1 bestselling author David Limbaugh provides a riveting account of the birth of Christianity. Using the Book of Acts and six New Testament epistles as his guide, Limbaugh takes readers on an exhilarating journey through the sorrow and suffering, as well as the joys and triumphs, of the apostles and other key figures as Christianity bursts through the borders of Judea following the death, resurrection, and ascension of Jesus Christ. Limbaugh particularly focuses on the crucial role that the Apostle Paul played in these historic events. Facing incredible adversities, from arrests to shipwrecks to violent mobs and murder plots, Paul overcomes countless obstacles as he travels far and wide to spread the Gospel. Limbaugh's passion for the Bible is unmistakable and infectious as he recounts these stories. Replete with deep insights into the actions, arguments, and challenges of the world's first Christian communities, *Jesus Is Risen* is a faith-affirming book for Christians at all stages of their faith walk.

an application-oriented approach to Bible study.

A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series: Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

With awareness of scholarly discussions and attentiveness to both the text and the reader, Leon

Morris places the themes of Luke's Gospel within the context of God's plan for all people.

This study of 1 and 2 Thessalonians is a contribution to the Tyndale New Testament Commentaries, popular commentaries designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue dependence on scholarly technicalities.

Leon Morris offers comment on the books 1 2 Thessalonians.

Swindoll has spent many years studying scripture in his book he combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. Swindoll now includes parallel presentations of the NLT and NASB before each section. This book is great for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

R.T. France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries, a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue recourse to scholarly technicalities.

Wayne Grudem offers comment on the book of 1 Peter. Providing an accurate, balanced and holistic picture of the church's monumental first years as told in the book of Acts, I. Howard Marshall focuses on Luke's role as a historian, literary artist and theologian as he tells of the fledgling church's quest to partner with the Holy Spirit to proclaim the gospel to the ends of the earth.

Value priced! The Tyndale Bible Dictionary is the core product in the new Tyndale Reference Library. Featuring over 1000 articles and over 200 pictures covering everything from the Aaronic priesthood to the Wilderness of Zin, it is the most comprehensive, up-to-date, single-volume Bible dictionary available. Teachers, pastors, and anyone wanting to learn more about the Bible will rely on the Tyndale Reference Library for solid, evangelical scholarship packed into concise, user-friendly reference works.

Translated by William Tyndale Reprint of 1534 edition with modern spelling 6 1/8 x 8 % Font size: 11

"No other writings of Paul provide a greater insight into his missionary methods and message as 1 and 2 Thessalonians," says Leon Morris. "Here we see Paul the missionary at Paul the pastor, faithfully proclaiming the gospel of God, concerned for the welfare of his converts, scolding them, praising them, guiding them exhorting them, teaching them; thrilled with their progress, disappointed in their slowness . . . Especially important is the teaching of these Epistles on eschatology." The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world's most distinguished evangelical

Commentary series, this single, handy volume holds practical, concise insight on every verse in the New Testament. Now readers can get all the useful background information they need, without a lot of obscure facts they don't need. A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life.

Tyndale New Testament Commentaries contains the Epistle of 1 & 2 Thessalonians and also book 13. Paul's two letters to the Thessalonians stand as some of the very earliest Christian documents, yet they appear well into Paul's missionary career, giving them a unique context well worth exploring. In this first full-scale socio-rhetorical commentary on 1 and 2 Thessalonians, Ben Witherington gleans fresh insight from reading Paul's text in the light of rhetorical concerns and patterns, early Jewish theology, and the first-century historical situation in Macedonia. Witherington's distinctive socio-rhetorical approach helps unearth insights that would otherwise remain hidden using only form criticism, epistolary categories, and traditional criticism. Witherington details Thessalonica's place as the "metropolis" of Macedonia, and he carefully unpacks the social situation of Paul and his recipients. Scholars will appreciate the careful analysis and rhetorical insights contained here, while Witherington's clear prose and sensitivity to Paul's

ideas make this work ideal for all who desire a useful, readable commentary on 1 and 2 Thessalonians.

The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary. This volume provides in-depth explanation, background, and application for every verse in the books of 1 & 2 Thessalonians. Perfect for sermon preparation and lesson planning, this one-of-a-kind reference provides excellent quotes and a bibliography for additional commentary. Additional features include: Charts, diagrams, and maps on the same page as their related verses Quotes from various versions, such as the NIV, NRSV, and NLT Key information graphically highlighted

The epistles of the New Testament provide insight into the realities of the life of the early church, guidance for those called to lead the church, and comfort in the face of theological questions. The Protestant Reformers of the sixteenth century also found wisdom and guidance in these letters. In this RCS volume, Lee Gatiss and Bradley Green guide readers through a diversity of early modern commentary on the New Testament epistles.

This bibliography lists some 1300 works, most of which are annotated, that are germane for the interpretation of 1 and 2 Thessalonians. It includes all relevant works written in the 20th century as well as a sizeable number

Read Book 1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

of important sources from the 19th century.

In this addition to the critically acclaimed BECNT series, respected New Testament scholar Jeffrey Weima offers pastors, students, and teachers the most up-to-date and substantive commentary available on 1-2 Thessalonians. Weima, a Thessalonians expert, experienced teacher, and widely traveled speaker, presents well-informed evangelical scholarship at an accessible level to help readers understand the sociological, historical, and theological aspects of these letters. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text, extensive research, thoughtful chapter-by-chapter exegesis, and a user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility.

The Filament Bible Journal collection includes thin, portable single books of the New Testament, ideal for personal or group study, with journaling space and the Bible study resources of the Filament Bible app. This softcover Bible portion with interleaved (every-other-page) blank pages offers an attractive modernization of a traditional design, with high quality thick, opaque cream-colored journaling paper and Smyth-sewn binding. The entire New Testament is also available in five mini box sets for attractive bookshelf display. What makes this Bible portion unlike any other is that as it is paired with the Filament Bible app on your device, it becomes the most portable study Bible experience available.

The cosmopolitan city of Corinth was the site of one of Paul's greatest evangelistic successes. Yet despite

Read Book 1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

Paul's having founded the church there, it was full of contention and strife. Dissension ran the gamut from questions about leadership to incest. Some believers were taking fellow Christians to court. There were questions about marriage, celibacy, food offered to idols, public worship and spiritual gifts. In response Paul offered to them, and to us, some of his most profound thinking on the body of Christ, love and the resurrection. Leon Morris, with his characteristic clarity and pastoral heart, sets the issues before us and offers perspectives on the letter's perennial relevance. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. In this volume, Chuck Swindoll explores Paul's encouragement, exhortation, and correction to the church he had started but had to leave soon after. Paul's encouragement to remain faithful, full of hope and love in spite of trials—and his correction of distorted teachings about the end times—retains its crucial importance for today. The 15-volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award–winner Chuck Swindoll's 50 years of experience studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

The 1974 estimate by Interpretation that Ernest Best's volume on 1 & 2 Thessalonians “is probably the best exegetical study of 1 and 2 Thessalonians available ... a superb commentary” continues to ring true forty years later. This is indeed one of the finest commentaries on 1 & 2 Thessalonians available—in any language. The Journal of Theological Studies called it “exhaustive” and concluded that the commentary is “reliable, judicious, and nearly always lucid. He [Best] ... takes us as far as we can reasonably go in understanding the mind of Paul as it expressed itself in these writings.”

Read Book 1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

The Thessalonian epistles are probably best known for what they reveal about the last days. But there is much more to these letters than just end times prophecy. In this devotional commentary, John F. Walvoord, one of evangelicalism's most prominent leaders, and Mark Hitchcock, a leading Bible prophecy expert, guide you through the prophecy and exhort believers on practical matters such as moral purity, disciplined living, church relationships, prayer and church discipline. Walvoord's stalwart writing has been greatly expanded upon by Hitchcock, with additional introductory and background material, charts, and in-depth explanations at key points. Now also updated with the Bible content in the English Standard Version (ESV), this volume in the renewed Walvoord Commentary Series stands ready to reach a whole new generation with the spiritual insights the apostle Paul had for the Thessalonians.

Colossians presents a picture of Christ who is 'the firstborn over all creation' and has disarmed and triumphed over the powers and authorities. The letter also appeals to its readers to seek humble maturity, a maturity not possible apart from the person and work of Jesus Christ. N. T Wright's stated goal is to "give the text back to the reader uncluttered by a mass of glosses." In Philemon, Paul makes a personal appeal to a fellow believer to receive a runaway slave, Onesimus, in love and forgiveness. For Wright, it is "an acted parable of the gospel itself." The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have

The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

In this commentary Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first-century world of Thessalonica. This fruitful approach helps illuminate the impact of the gospel on its original readers and, in turn, shows how potent a force it can be for the church and society today. The book begins with an in-depth study of the Thessalonians themselves -- their history, land, socioeconomic conditions, and religious environment. This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian

Read Book 1 And 2 Thessalonians Tyndale New Testament Commentaries Ivp Numbered

faith. The main body of the book provides informed verse-by-verse commentary on 1 & 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts. As Green's exposition shows, the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance. Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering, to encourage them in their trials, to urge them not to neglect their daily work, and, no less important, to teach them about the future of believers who die before Christ returns. Indeed, the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters. Filled with new information about ancient society, this commentary will fast become a standard reference work for Bible study. By carefully bridging the biblical and modern worlds, Green shows with clarity and warmth the continuing relevance of 1 & 2 Thessalonians for contemporary readers.

"The book of Revelation is, I fear, a very neglected book. Its symbolism belongs to the first century, not to our own age," says Leon Morris in the preface to his commentary on Revelation. Here he explains the significance of the symbolism and shows the bearing of the message of Revelation on the problems of the day in which it was written. The original, unrevised
