Just as the Beetle started a long tradition of Volkswagen automotive excellence, these are the manuals that created the Bentley reputation for clarity, thoroughness, and indispensability. Our air-cooled Volkswagen manuals provide both do-it-yourself owners and professional mechanics with clear explanations and illustrations, detailed service steps, and time-saving troubleshooting tips. In the same tradition as our classic 1961-1965 Type 1 manual, this manual offers owners of 1960s vintage Transporters the long out-of-print factory repair information. Indispensable to anyone interested in the history or restoration of the Transporter, this book includes complete coverage of 1200 and 1500 engines, dual-circuit brakes, and body dimension specifications for all models, including those with a sliding sunroof. All factory updates are listed by chassis number and date introduced. This is the one book no serious Type 2 enthusiast should be

without.

The Audi A4 (B5): 1996-2001 Service Manual contains in-depth maintenance, service and repair information for Audi A4 models built on the B5 platform from 1996 to 2001. For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.
