John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

New York City's desegregated Palladium Ballroom springs to life with a diverse 1940s cast in this jazzy picture-book tribute to the history of mambo and Latin jazz. Millie danced to jazz in her Italian neighborhood. Pedro danced to Latin songs in his Puerto Rican neighborhood. It was the 1940s in New York City, and they were forbidden to dance together . . . until first a band and then a ballroom broke the rules. Machito and His Afro-Cubans hit the scene with a brand-new sound, blending jazz trumpets and saxophones with Latin maracas and congas creating Latin jazz, music for the head, the heart, and the hips. Then the Palladium Ballroom issued a bold challenge to segregation and threw open its doors to all. Illustrated with verve and told through real-life characters who feature in an afterword, ¡Mambo Mucho Mambo! portrays the power of music and dance to transcend racial, religious, and ethnic boundaries.

In acclaimed graphic novelist Tom Gauld's first picture book for children, a little wooden robot embarks on a quest to find his missing sister-- making for a memorable contemporary bedtime story. For years, the king and queen tried desperately to have a baby. Their wish was twice granted when an engineer and a witch gave them a little wooden robot and an enchanted log princess. There's just one catch, every night when the log princess sleeps, she transforms back into an ordinary log. She can only be woken with the magic words "Awake, little log, awake." The two are inseparable until one day when the sleeping log princess is accidentally carted off to parts unknown. Now it's up to her devoted brother to find her and return her safely to the kingdom. They need to take turns to get each other home, and on the way, they face a host of adventures involving the Queen of Mushrooms, a magic pudding, a baby in a rosebush, and an old lady in a bottle. This is acclaimed graphic novelist Tom Gauld's first picture book for children, inspired by a bedtime story he made up for his daughters. In his words, "I was trying to make a book inspired by three different sets of books: The books that I remember enjoying as a child, the books that I watched my daughters enjoying, and the books I enjoy now as an adult. I wanted the book to have its own quirky feeling but also to function like a classic bedtime story." A Junior Library Guild Gold Standard Selection

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
