It's Christmastime at last, and Larry's excited to help decorate the village tree. The Veggies gather ornaments, popcorn, and lights, and work together to make the tree beautiful and festive. But just when they think they've completed their task, Madame Blue points out what's missing. They add a star at the top to remind them of the night Jesus was born—the real reason for the celebration. Children can press the button to hear the Veggies singing "We Wish You a Merry Christmas" in this cheerful holiday sound book.

A great big collection of fully-illustrated values-based stories, lessons, prayers, devotions, and promises. A must have for every child's bookshelf.

This collection of thirty simple devotions written for two- to four-year-olds is crafted to spark questions and begin conversations. From celebrating God's love for us and relying on Him in times of need to sharing God's love with those around us, the short reflections will encourage little ones to spend time with God each day. The devotions are paired with a Bible verse and short prayer, making the book perfect for bedtime, family devotion time, or as a fresh way to start the day.

The Veggies know that it's important—and fun—to thank God for everything that is good. This new board book, with its colorful illustrations and lively verse, is the perfect way to introduce children to the concept of gratitude to God. On each spread, the Veggies take turns naming things for which they are thankful, such as food, family, and friends. Little ones will identify with the Veggies and their list of blessings, and the conclusion of the book challenges children to thank God for the blessings in their own lives.

Presents daily devotional stories with a Bible verse and a "Little Blessings" illustration.

God's love is unstoppable. And that's a promise. Noah's ark. Joseph's dreams. Jesus's miracles. The Bible is rich with stories for our children to hear and enjoy, but when those stories uncover the thread of God's promises, our children learn much more than individual Bible stories. They discover how God has demonstrated His love for us, from the first promise in the garden to the promise of the new heavens and earth. A conversational, whimsical, biblically faithful retelling of more than fifty key Bible stories, The Promises of God Storybook Bible lets your child hear favorite stories with new ears, repeatedly assuring them that each word is proof of God's unstoppable love and unbreakable promises to His people.

Designed to serve as a textbook for postgraduate students of physics and chemistry, this second edition improves the clarity of treatment, extends the range of topics, and includes more worked examples with a view to providing all the material needed for a course in molecular spectroscopy—from first principles to the very useful spectral data that comprise figures, charts and tables. To improve the conceptual appreciation and to help students develop more positive and realistic impressions of spectroscopy, there are two new chapters—one on the spectra of atoms and the other on laser spectroscopy. The chapter on the spectra of atoms is a detailed account of the basic principles involved in molecular spectroscopy. The chapter on laser spectroscopy covers some new experimental techniques for the investigation of the structure of atoms and molecules. Additional sections on interstellar molecules, inversion vibration of ammonia molecule, fibre-coupled Raman spectrometer, Raman microscope, supersonic beams and jet-cooling have also been included. Besides worked-out examples, an abundance of review questions, and end-of-chapter problems with answers are included to aid students in testing their knowledge of the material contained in each chapter. Solutions manual containing the complete worked-out solutions to chapter-end problems is available for instructors.

Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.
