The book examines the major issues in perinatal clinical psychology with the presence of theoretical information and operational indications, through a biopsychosocial approach. The multiplicity of scientific information reported makes this book both a comprehensive overview on the major perinatal mental health disorders and illnesses, and a clinical guide. It covers perinatal clinical psychology through a journey of 15 chapters, putting the arguments on a solid theoretical basis and reporting multiple operational indications of great utility for daily clinical practice. It has well documented new evidence bases in the field of clinical psychology that have underpinned the conspicuous current global and national developments in perinatal mental health. As such, it is an excellent resource for researchers, policy makers, and practitioners – in fact, anyone and everyone who wishes to understand and rediscover, in a single opera, the current scientific and application scenario related to psychological health during pregnancy and after childbirth.

MAFIA. CAMORRA. 'NDRANGHETA. The Sicilian mafia, known as Cosa Nostra, is far from being Italy's only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples; and, from the poor and isolated region of Calabria, the mysterious 'ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy's institutions, drastically curtailed the life-chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely adapted to corrupt and exploit its own specific environment, as it collaborates with, learns from, and goes to war with the other mafias. Today, the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The 'ndrangheta controls much of Europe's wholesale cocaine trade and, by some estimates, 3 percent of Italy's total GDP. Blood Brotherhoods traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century, and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. Blood Brotherhoods is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.

**\*\*AVAILABLE NOW\*\*** Relive the sensuality, the romance, and the drama of Fifty Shades Freed - the love story that enthralled millions of readers around the world - through the thoughts, reflections, and dreams of Christian Grey. \_\_\_\_\_ E L James revisits the world of Fifty Shades with a deeper new take on the love story that has enthralled millions of readers around the globe. \_\_\_\_\_ You are cordially invited to the wedding of the decade, when Christian Grey will make Anastasia Steele his wife. But is he really husband material? His dad is unsure, his brother wants to organise one helluva bachelor party, and his fiancée won't vow to obey . . . And marriage brings its own challenges. Their passion for each other burns hotter and deeper than ever, but Ana's defiant spirit continues to stir Christian's darkest fears and tests his need for control. As old rivalries and resentments endanger them both, one misjudgement threatens to tear them apart. Can Christian overcome the nightmares of his childhood and the torments of his youth, and save himself? And once he's discovered the truth of his origins, can he find forgiveness and accept Ana's unconditional love? Can Christian finally be freed?

**\*\*Pre-order FREED, 'Fifty Shades Freed' as told by Christian\*\*** In Christian's own words, and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled hundreds of millions of readers around the world. CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty - until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him - past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

What is property, and why does our species have it? In *The Property Species*, Bart J. Wilson explores how humans acquire, perceive, and know the custom of property, and why this might be relevant to understanding how property works in the twenty-first century. Arguing that neither the sciences nor the humanities synthesizes a full account of property, the book offers a cross-disciplinary compromise that is sure to be controversial: Property is a universal and uniquely human custom. Integrating cognitive linguistics with philosophy of property and a fresh look at property disputes in the common law, the book makes the case that symbolic-thinking humans locate the meaning of property within a thing. That is, all human beings and only human beings have property in things, and at its core, property rests on custom, not rights. Such an alternative to conventional thinking contends that the origins of property lie not in food, mates, territory, or land, but in the very human act of creating, with symbolic thought, something new that did not previously exist. Written by an economist who marvels at the natural history of humankind, the book is essential reading for experts and any reader who has wondered why people claim things as "Mine!", and what that means for our humanity.

From an award-winning novelist, a stunning portrait of late Raj India—a sweeping saga and a love story set against a background of huge political and cultural upheaval. **YOU ASK FOR MY NAME, THE REAL ONE, AND I CANNOT TELL. IT IS NOT FOR LACK OF EFFORT.** In 1930, a great ocean wave blots out a Bengali village, leaving only one survivor, a young girl. As a maidservant in a British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world. Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.

In Joel Sternfeld's now-classic view of America, a fireman shops for a pumpkin while a house burns in the background; a group of motorcyclists stop at the side of the road to take in a stunning, placid view of Bear Lake, Utah; the high-tech world headquar.

Il libro raccoglie le testimonianze di sette donne immigrate provenienti da Brasile, Libano, Marocco, India, Albania, Ghana, Romania, che lasceranno un marchio indelebile e affascinante in colei che le ha intervistate, per un epilogo in cui l'autrice stessa deciderà di prendere la strada per il suo "nuovo mondo".

This book is a timely addition to the fast-growing international debate on Integrated Reporting, which offers a holistic view of the evolution and practice of Integrated Reporting. The book covers the determinants and consequences of Integrated Reporting, as well as examining some of the most relevant issues (particularly in the context of the United States) in the debate about Integrated Reporting.

Daunted by the singular sexual tastes and dark secrets of the beautiful, tormented young entrepreneur Christian Grey, Anastasia Steele has broken off their relationship to start a new career with a Seattle publishing house.

"Consisting of photographs taken over the last decade in a majority of the fifty states, [book title] is a vast compendium of the country's eccentricities and obsessions documented at the beginning of the twenty-first century. ... they reveal the photographer's lifelong preoccupation with America's distinctive landscape and his humorous, often revelatory view of the nation from the driver's seat"--Book jacket. The last decade has seen an incredible growth in the production and distribution of images and other cultural artefacts. The internet is the place where all these cultural products are stored, classified, voted, collected and trashed. What is the impact of this process on art making and on the artist? Which kind of dialogue is going on between amateur practices and codified languages? How does art respond to the society of information? This is a book about endless archives, image collections, bees plundering from flower to flower and hunters crawling through the online wilderness. Alterazioni Video, Kari Altmann, Cory Arcangel, Gazira Babeli, Kevin Bewersdorf, Luca Bolognesi, Natalie Bookchin, Petra Cortright, Aleksandra Domanovic, Harm van den Dorpel, Constant Dullaart, Hans-Peter Feldmann, Elisa Giardina Papa, Travis Hallenbeck, Jodi, Oliver Laric, Olia Lialina & Dragan Espenshied, Guthrie Lonergan, Eva and Franco Mattes, Seth Price, Jon Rafman, Claudia Rossini, Evan Roth, Travess Smalley, Ryan Trecartin.

Tiré du site Internet de JRP/Ringier : "Matias Faldbakken (\*1973) is an artist and writer living in Oslo. Son of the celebrated Norwegian author Knut Faldbakken, he has published two novels, "The Cocka Hola Company" and "Macht und Rebel" under the alias Abo Rasul. Drenched with acid humor and continuously hitting below the waist, his books immediately caused a considerable stir in Norway. If, in these publications, he underlines the differences and similarities between the so-called underground and the mainstream, and between the "independent" and the "commercial" in everyday life, these subjects are also central to his art practice. Fascinated with systems of knowledge, power, order, and exchange, he shows an interest in understanding how art and artists can be active participants in these systems. Faldbakken studied at the National Academy of Fine Arts in Bergen as well as at the Städelschule in Frankfurt am Main. He represented Norway in the Nordic Pavillion at the Venice Biennial in 2005, as well as showing his work in the Wrong Gallery at the Whitney Biennial, the Stedelijk Museum Amsterdam, the National Museum Oslo, the Sydney Biennial and the KW Institute for Contemporary Art Berlin, among others."

Le avventure d'Alice nel paese delle meraviglie By Lewis Carroll: "In qual modo? In qual modo?" per vedere in qual modo si mutava, ma restò molto sorpresa nel vedersi della stessa statura: certo, così accade a tutti coloro che mangiano pasticci, ma Alice s'era tanto abituata a veder cose straordinarie, che le sembrava una cosa stupida e sciocca quella di crescere, come si cresce generalmente.

Presents the trilogy of works that follow the relationship between college student Anastasia Steele and wealthy young entrepreneur Christian Grey.

A lively exploration of the joys of a not-so-dead language From the acclaimed novelist and Oxford professor Nicola Gardini, a personal and passionate look at the Latin language: its history, its authors, its essential role in education, and its enduring impact on modern life—whether we call it “dead” or not. What use is Latin? It’s a question we’re often asked by those who see the language of Cicero as no more than a cumbersome heap of ruins, something to remove from the curriculum. In this sustained meditation, Gardini gives us his sincere and brilliant reply: Latin is, quite simply, the means of expression that made us—and continues to make us—who we are. In Latin, the rigorous and inventive thinker Lucretius examined the nature of our world; the poet Propertius told of love and emotion in a dizzying variety of registers; Caesar affirmed man’s capacity to shape reality through reason; Virgil composed the Aeneid, without which we’d see all of Western history in a different light. In Long Live Latin, Gardini shares his deep love for the language—enriched by his tireless intellectual curiosity—and warmly encourages us to engage with a civilization that has never ceased to exist, because it’s here with us now, whether we know it or not. Thanks to his careful guidance, even without a single lick of Latin grammar readers can discover how this language is still capable of restoring our sense of identity, with a power that only useless things can miraculously express.

THE OFFICIAL MOVIE TIE-IN EDITION. The major motion picture releases on February 9 in time for Valentine's Day 2018 and is based on volume three of the phenomenal #1 New York Times bestselling trilogy with more than 150 million copies sold worldwide. When unworldly student Anastasia Steele first encountered the driven and dazzling young entrepreneur Christian Grey it sparked a sensual affair that changed both of their lives irrevocably. Shocked, intrigued, and, ultimately, repelled by Christian's singular erotic tastes, Ana demands a deeper commitment. Determined to keep her, Christian agrees. Now, Ana and Christian have it all--love, passion, intimacy, wealth, and a world of possibilities for their future. But Ana knows that loving her Fifty Shades will not be easy, and that being together will pose challenges that neither of them would anticipate. Ana must somehow learn to share Christian's opulent lifestyle without sacrificing her own identity. And Christian must overcome his compulsion to control as he wrestles with the demons of a tormented past. Just when it seems that their strength together will eclipse any obstacle, misfortune, malice, and fate conspire to make Ana's deepest fears turn to reality. This book is intended for mature audiences.

The author describes his twenty month ordeal in the Nazi death camp.

A lonely doll named Edith finally finds friendship with two visiting teddy bears.

Go Southwest, Old Man, a sort of personal remake of 'Go West, Young Man', the founding episteme of the American nineteenth century, conciliates these two souls (well, not to be pretentious, let's simply say two sides) that have actually always lived in harmony. This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona, Colorado, Utah and, above all New Mexico, with a view to penetrating the by now universal legend of the West, approaching the cultures (English, Hispanic and native American), and mastering the literature. The slant is composite: melding the scholarly with the informative and the travel journal, and the writing is composite too, because the book speaks English and Italian. It talks about cinema (lots of John Ford) and about detective stories, the most popular genre here, about visual arts and Latino folklore, about the legend of the West, the so-called 'Soul of the Southwest', and the kitsch style of Santa Fe. And it talks about (and with) some of the greatest writers that the Southwest has spawned: Rudolfo Anaya, Stanley Crawford, John Nichols and Hillerman. So what we have is a first-hand experience of the Southwest; where the ego is not entrenched within a precise disciplinary role but opens

up - and exposes itself - to the thrilling risk of the discovery that can renew it.

A darkly humorous exploration of the human body and its various functions in poetic prose, Valerio Magrelli's *The Condominium of the Flesh*, a personal chronicle of his clinical experience, catalogues a life history of ailments without ever being pathological. The 'Southern Question' has been a major topic in Italian political, economic and cultural life for a century and more. During the Cold War, it was the justification for heavy government intervention. In contemporary Italy, a major part of the appeal of the Lombard League has been its promise to dissociate the South from the North, even to the point of secession. The South also remains a resonant theme in Italian literature. This interdisciplinary book endeavours to answer the following: - When did people begin to think of the South as a problem? - Who - intellectuals, statisticians, criminologists, political exiles, novelists (among them some important southerners) - contributed to the discourse about the South and why? - Did their view of the South correspond to any sort of reality? - What was glossed over or ignored in the generalized vision of the South as problematic? - What consequences has the 'Question' had in controlling the imaginations and actions of intellectuals and those with political and other forms of power? - What alternative formulations might people create and live by if they were able to escape from the control of the 'Question' and to imagine the political, economic and cultural differences within Italy in some other way? This timely book reveals how Southern Italians have been affected by distorted versions of a complex reality similar to the discourse of 'Orientalism'. In situating the devaluation of Southern Italian culture in relation to the recent emergence of 'anti-mafia' ideology in the South and the threat posed to national unity by the Lombard League, it also illuminates the world's stiff inter-regional competition for investment capital.

Now a Major Motion Picture starring Emma Thompson, Stanley Tucci, and Fionn Whitehead. One of the Best Books of the Year: *The Washington Post*, NPR, *Vogue*, BookRiot Fiona Maye is a leading High Court judge who presides over cases in the family division. She is renowned for her fierce intelligence, exactitude, and sensitivity. But her professional success belies private sorrow and domestic strife. There is the lingering regret of her childlessness, and now her marriage of thirty years is in crisis. At the same time, she is called on to try an urgent case: Adam, a beautiful seventeen-year-old boy, is refusing for religious reasons the medical treatment that could save his life, and his devout parents echo his wishes. Time is running out. Should the secular court overrule sincerely expressed faith? In the course of reaching a decision, Fiona visits Adam in the hospital—an encounter that stirs long-buried feelings in her and powerful new emotions in the boy. Her judgment has momentous consequences for them both. *Mappillai*—'son-in-law' in Tamil—is the rollicking story of journalist Carlo Pizzati, a European living with his in-laws in urban Chennai and with his wife in rural Paramankeni. When in Paramankeni, he finds himself in the company of fishermen and goat-herders, in a house where 3G asserts itself in a corner of the bathroom and electricity courses through rooms in fits and starts. At one level, *Mappillai* is deeply personal. With beguiling candour, Carlo tells of his struggle with two extreme, contradictory responses to India—fascination and suspicion—and his awkward attempts at cruising through a maze of bribery, bureaucracy and traffic. Yet, at another level, the book offers a glimpse into the world of expats in contemporary India by introducing us to a host of colourful 'firangi friends'—from those who are overwhelmed by this nation's noise and colour; to those who 'go native' in kurtas; to those who believe that India is vast enough to accommodate their diverse selves as dreamers or yogis or artists. But, beyond all of this, *Mappillai* is the story of India. Over his decade long stay in this nation—one that has taken him north and south, west and east—Carlo has witnessed a land in flux—from the gloom and doom of 2008 when the New India dream shattered, to the heady optimism of 2015 with promises of 'acche din', right up to today, marked by the domination of anti-Romeo squads and gau-rakshaks. With wry humour and jollity, wisdom and acceptance, *Mappillai* offers an intimate capsule of contemporary Indian history—of the concomitant Hinduization and Westernization of India, intertwined with the Indianization of a European!

When the sad, beautiful Signora Giulia goes missing without a trace from her Lake Como villa home, it is her husband who reports her disappearance to the detective Sciancalepre, and so the search begins - one that takes Sciancalepre beneath the tranquil surface of local bourgeois society, a world of snobbery and secrets, while mysterious shadows lurk in the grounds of the family villa . . . As his investigation gathers pace this atmospheric classic detective story becomes a thrilling game of legal cat and mouse. From the Trade Paperback edition.

Do you need help making your food look as delicious as it tastes? Are you a "foodie" hungry for more tantalizing photos of your culinary creations? Do you have a food blog that you'd like to take to the next level, with better images and a stronger business strategy? Then this book is for you! In *Food Photography: From Snapshots to Great Shots, Second Edition*, photographer Nicole Young returns to dish up the basics on everything you need to know to make great food images, from getting the right camera equipment to mastering the key photographic principles of aperture, ISO, and shutter speed. She offers tips on styling food using props, fabrics, and tabletops; and she explains how to improve your photos through editing after the shoot. This new edition features many brand-new images and examples, accompanied by up-to-date discussions on achieving good lighting and composition. In addition Nicole covers developments in the industry that have emerged since the publication of the first edition, such as the entry of mirrorless cameras on the scene, and more. She also provides a brand new post-processing section focusing on Photoshop Lightroom, showing how to improve your photos through sharpening, color enhancement, and other editing techniques. Beautifully illustrated with large, vibrant photos, this book offers the practical advice and expert shooting tips you need to get the food images you want every time you pick up your camera.

A groundbreaking handbook--the "method" companion to its critically acclaimed predecessor, *The Flavor Thesaurus*--with a foreword by Yotam Ottolenghi. Niki Segnit used to follow recipes to the letter, even when she'd made a dish a dozen times. But as she tested the combinations that informed *The Flavor Thesaurus*, she detected the basic rubrics that underpinned most recipes. *Lateral Cooking* offers these formulas, which, once readers are familiar with them, will prove infinitely adaptable. The book is divided into twelve chapters, each covering a basic culinary category, such as "Bread," "Stock, Soup & Stew," or "Sauce." The recipes in each chapter are arranged on a continuum, passing from one to another with just a tweak or two to the method or ingredients. Once you've got the hang of flatbreads, for instance, then its neighboring dishes (crackers, soda bread, scones) will involve the easiest and most intuitive adjustments. The result is greater creativity in the kitchen: *Lateral Cooking* encourages

improvisation, resourcefulness, and, ultimately, the knowledge and confidence to cook by heart. Lateral Cooking is a practical book, but, like The Flavor Thesaurus, it's also a highly enjoyable read, drawing widely on culinary science, history, ideas from professional kitchens, observations by renowned food writers, and Segnit's personal recollections. Entertaining, opinionated, and inspirational, with a handsome three-color design, Lateral Cooking will have you torn between donning your apron and settling back in a comfortable chair.
