

50 Successful Harvard Essays

Grads' Guide to Graduate Admissions Essays provides more than 50 successful admission essays straight from the source--recent college graduates making the transition to earning advanced degrees at highly selective graduate programs. Harvard, Columbia, Stanford, and Northwestern are just a few of the universities to which these students were admitted. Each of the essays contains designated segments highlighting the particular characteristics that make them outstanding admissions essays. Additionally, the essays are interspersed with segments labeled "Writer's Words of Wisdom," which contain statements from the author of the particular essay with advice on the admissions process. By offering guidance from successful graduate school applicants, readers can glean advice from a variety of perspectives, while still obtaining the critical information as it relates to well-written essays for programs within a variety of fields including law, business, medicine, education, and humanities.

Helping applicants navigate the intricate yet vitally important essay process at elite schools such as Stanford -- a university that enrolls students from all 50 states and 52 countries and has an admission rate less than seven percent -- this go-to guide helps prospective students see for themselves what it takes to be admitted to selective programs. Along with the 50 essay examples that give a detailed analysis of the strengths and even weaknesses of each essay, there are tips from college admission officers and successful applicants and a description of the 25 essay mistakes that guarantee failure. For highly judicious colleges, the essay is one of the most important factors in whether students are admitted or rejected, yet this resource, from a pair of award-winning authors and college application gurus, will help readers temper their fears and inspire their writing.

The competition to get into your college of choice has never been fiercer. Unfortunately, much of the application process is out of your hands. But one major aspect of the admission process is under your control—your personal statement. Your application essay provides you with the opportunity to let your true, unique and totally irresistible self shine through.

College Admission Essays For Dummies is your total guide to crafting application essays that will make people sit up and take notice. It demystifies the authority figures who'll judge your work, helps you decide what to write, and then arms you with the knowledge and skills you need to write your essay on time and on target. Step by step, it walks you through the entire essay-writing process, offering priceless tips on how to: Choose the best topic, tone, and structure for your essay Capture the crucial stories that reveal who you are Avoid common pitfalls that can sabotage your application Overcome writer's block Know how to respond to unusual and off-the-wall essay questions Write successful short answers to specific application questions College admission guru Geraldine Woods punctures common myths about application essays and tells you what you absolutely must do to write a good one. With the help of many inspiring and instructive killer essays, she shows you how to: Put yourself in the right mental state for writing well Gather ideas, focus on a topic and choose the best structure for your essay Use topic sentences, detail, and strong introductions and conclusions Write a rough draft Show rather than tell your story Make sure your spelling and grammar are pitch perfect Create smooth transitions and avoid repetitions Your college application essay is your chance to show the committee that you're more than just a statistic. Let College Admission Essays For Dummies show you how to write "admit-clinching" college essays.

From the students at the *Yale Daily News*, a book that highlights the essays that got students into Yale University, helping high school seniors get into the school of their choice The competition to get into a top-tier school becomes more and more fierce every year. Parents and students are searching for the best advice, and the final question they ask after joining clubs in high school and keeping the grades up is: How do I write a winning essay? *50 Yale Admission Success Stories and the Essays that Made Them Happen* shows college applicants how to do exactly that, showcasing the Common App essays that got students into Yale, in addition to Yale-specific application essays and other supplemental aspects of the Yale application, like short statements and short answers. But this book does more than just show students what kind of essays got college students through the door; it profiles each student who contributed to the collection and puts those essays into context. We meet Edgar Avina, a political science major from Houston who worked odd jobs to support his family, who immigrated from Mexico. Madeleine Bender, a New York City native, is a "jack of all trades" who writes for the *Daily News*, plays clarinet for a concert band, and majors in both Classics and Ecology & Evolutionary Biology. These profiles set this book apart from other college essay books, reminding students that in order to write a strong essay, you must be yourself and understand how the university you're applying to will help you make your greatest dreams into a reality.

A concise introduction to the basics of open access, describing what it is (and isn't) and showing that it is easy, fast, inexpensive, legal, and beneficial. The Internet lets us share perfect copies of our work with a worldwide audience at virtually no cost. We take advantage of this revolutionary opportunity when we make our work "open access": digital, online, free of charge, and free of most copyright and licensing restrictions. Open access is made possible by the Internet and copyright-holder consent, and many authors, musicians, filmmakers, and other creators who depend on royalties are understandably unwilling to give their consent. But for 350 years, scholars have written peer-reviewed journal articles for impact, not for money, and are free to consent to open access without losing revenue. In this concise introduction, Peter Suber tells us what open access is and isn't, how it benefits authors and readers of research, how we pay for it, how it avoids copyright problems, how it has moved from the periphery to the mainstream, and what its future may hold. Distilling a decade of Suber's influential writing and thinking about open access, this is the indispensable book on the subject for researchers, librarians, administrators, funders, publishers, and policy makers.

A compilation of fifty effective and diverse college application essays that offer students insights into what makes an essay compelling

An NPR Favorite Book of the Year Winner of the Critics' Choice Book Award, American Educational Studies Association Winner of the Mirra Komarovsky Book Award Winner of the CEP-Mildred García Award for Exemplary Scholarship "Eye-opening...Brings home the pain and reality of on-campus poverty and puts the blame squarely on elite institutions." —Washington Post "Jack's investigation redirects attention from the matter of access to the matter of inclusion...His book challenges universities to support the diversity they indulge in advertising." —New Yorker "The lesson is plain—simply admitting low-income students is just the start of a university's obligations. Once they're on campus, colleges must show them that they are full-fledged citizen." —David Kirp, *American Prospect* "This book should be studied closely by anyone interested in improving diversity and inclusion in higher education and provides a moving call to action for us all." —Raj Chetty, Harvard University The Ivy League looks different than it used to. College presidents and deans of admission have opened their doors—and their coffers—to support a more diverse student body. But is it enough just to admit these students? In this bracing exposé, Anthony Jack shows that many students' struggles continue long after they've settled in their dorms. Admission, they quickly learn, is not the same as acceptance. This powerfully argued book documents how university policies and campus culture can exacerbate preexisting inequalities and reveals why some students are harder hit than others.

"Eric Kester has written the kind of book I wish I had the courage and insight to write. His illuminations on everything from Larry Summers to the Harvard football team to cheating, tourists, and competitiveness are dead-on. His writing has also provided me with some of the best laugh-out-loud moments I've had in recent years. God knows Harvard could use some humor!" —PETER OLSON, FORMER CEO OF RANDOM HOUSE, HARVARD GRADUATE, AND CURRENT HARVARD PROFESSOR One of the most thrilling and terrifying days of your life is the first day of college, when you step onto campus filled with the excitement of all the possibilities ahead—and panic about if you'll make it and how you'll fit in. Now imagine that same feeling, but you're in the middle of the lawn at the world's most prestigious university. In your underwear. Thus begins one of the craziest years ever at Harvard, in which Eric Kester finds himself in a cheating scheme, trying to join a prestigious Finals Club, and falling for a stunning type-A brunette...who happened to be standing there in shock that first day when he made his red-faced stroll across the Harvard Yard. That Book about Harvard is the hilarious and heartwarming story of trying to find your place in a new world, the unending quest to fit in, and how the moments that change your life often happen in the most unexpected ways. Eric Kester graduated from Harvard in 2008, where he wrote a popular column for the undergraduate newspaper, the *Crimson*. Now a featured writer for *CollegeHumor.com*, Eric has also contributed to the *Boston Globe*, *someCards.com*, and *Dorkly.com*.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over... We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." The Opposite of Loneliness is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

Jill Madenberg draws upon her 20-plus years of counseling experience while her daughter Amanda—a student who just recently went off to college—adds tips and personal stories. Whether you are wondering how to choose high school classes and activities, create a realistic college list, get the most out of a campus visit, or maintain a positive and healthy attitude, Love the Journey to College will help you make educated decisions throughout the process—and show you how to do it with a smile. As the daughter of an experienced college counselor, Amanda Madenberg has been visiting colleges for as long as she can remember—on family vacations, weekend road trips, and school holidays. Even at a young age, she took interest as her mom spoke with tour guides, admissions counselors, and students on campus to get a feel for life at a particular school. Most importantly, Amanda greatly enjoyed her own college application process—from visiting campuses to writing supplemental essays. Writing as both a typical high school student and as the daughter of a college counselor, Amanda lends a unique and entertaining perspective to Love the Journey to College.

"A resource to help students write the college admissions essay with tips on selecting a topic and recycling essays and an essay-writing workshop. Includes 50 examples of successful essays, 25 essay-writing mistakes, and writing strategies from admission officers"-- Foreword by Bill Gates LinkedIn cofounder, legendary investor, and host of the award-winning Masters of Scale podcast reveals the secret to starting and scaling massively valuable companies. What entrepreneur or founder doesn't aspire to build the next Amazon, Facebook, or Airbnb? Yet those who actually manage to do so are exceedingly rare. So what separates the startups that get disrupted and disappear from the ones who grow to become global giants? The secret is blitzscaling: a set of techniques for scaling up at a dizzying pace that blows competitors out of the water. The objective of Blitzscaling is not to go from zero to one, but from one to one billion --as quickly as possible. When growing at a breakneck pace, getting to next level requires very different strategies from those that got you to where you are today. In a book inspired by their popular class at Stanford Business School, Hoffman and Yeh reveal how to navigate the necessary shifts and weather the unique challenges that arise at each stage of a company's life cycle, such as: how to design business models for igniting and sustaining relentless growth; strategies for hiring and managing; how the role of the founder and company culture must evolve as the business matures, and more. Whether your business has ten employees or ten thousand, Blitzscaling is the essential playbook for winning in a world where speed is the only competitive advantage that matters.

The challenges to humanity posed by the digital future, the first detailed examination of the unprecedented form of power called "surveillance capitalism," and the quest by powerful corporations to predict and control our behavior. In this masterwork of original thinking and research, Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism. The stakes could not be higher: a global architecture of behavior modification threatens human nature in the twenty-first century just as industrial capitalism disfigured the natural world in the twentieth. Zuboff vividly brings to life the consequences as surveillance capitalism advances from Silicon Valley into every economic sector. Vast wealth and power are accumulated in ominous new "behavioral futures markets," where predictions about our behavior are bought and sold, and the production of goods and services is subordinated to a new "means of behavioral modification." The threat has shifted from a totalitarian Big Brother state to a ubiquitous digital architecture: a "Big Other" operating in the interests of surveillance capital. Here is the crucible of an unprecedented form of power marked by extreme concentrations of knowledge and free from democratic oversight. Zuboff's comprehensive and moving analysis lays bare the threats to twenty-first century society: a controlled "hive" of total connection that seduces with promises of total certainty for maximum profit -- at the expense of democracy, freedom, and our human future. With little resistance from law or society, surveillance capitalism is on the verge of dominating the social order and shaping the digital future -- if we let it.

The college application essay is one of the few opportunities a student has to stand out from other applicants in today's increasingly selective admissions process.
