This cookbook is perfect for any beginner chef looking to take their cooking skills from make-believe to reality.

Fifty chef-created recipes—some classic, some boundary pushing—for America's favorite sandwich, the grilled cheese. A fresh take on the beloved American classic, from the classic white bread with American cheese to "The Champ" (a taleggio and short rib extravaganza); the "Johnny Pastrami," which combines pastrami with the bite and freshness of apple chutney; and "The Tomater" with creamy mozzarella and a sun-dried tomato spread. Featuring both common and elevated ingredients like brie cheese, poppy seed bread, olive tapenade, fig marmalade, smoked salmon, candied bacon, bourbon-glazed ham, and raisin walnut bread, these are recipes that invite you into new and uncharted grilled cheese territory. With notes on the best cheese and breads and pro tips for the best cooking techniques, this book has something for every taste and is guaranteed up your grilled cheese game.

Perfect for: • Fans of TOP CHEF and Kelsey Barnard Clark • Southerners and fans of Southern cooking • Home cooks who like to host and entertain • Home cooks with young families

This beloved celebration of individuality is now an original movie on Disney+! A modern-day classic and New York Times bestseller from Newbery Medalist Jerry Spinelli. Stargirl. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. "Spinelli has produced a poetic allegorical tale about the magnificence and rarity of true nonconformity." -- The New York Times Recommended by the American Community Gardening Association Community gardening enhances the fabric of towns and cities through social interactions and accessibility to fresh food, creating an enormously positive effect in the lives of everyone it touches. LaManda Joy, the founder of Chicago's Peterson Garden Project and a board member of the American Community Gardening Association, has worked in the community gardening trenches for years and brings her knowledge to the wider world in Start a Community Food Garden. This hardworking guide covers every step of the process: fundraising, community organizing, site sourcing, garden design and planning, finding and managing volunteers, and managing the garden through all four seasons. A section dedicated to the basics of growing was designed to be used by community garden leaders as an educational tool for teaching new members how to successfully garden.

88 Pounds of Tomatoes

A young boy's burning ambition to go to sea is realised when he is offered a place on a vessel sailing to America. He gets drunk at a party thrown by American boys and his ship sails without him. To avoid the authorities, who he thinks will jail him as an illegal immigrant, he goes on the run. He is kidnapped, forced to help in a bank robbery, and threatened with death. He manages to escape his captors, taking their loot with him, but is chased across Texas. Attempted murder, robbery, shipwreck, and the love of a beautiful senorita keep the adventure racing to its conclusion.

The work you are about to read is far more than a cookbook. Eat, Drink, and Be Kinky will have a broad, engaging appeal not only to serious gourmands but also to alcoholics and sex perverts as well. In fact, I think of this book as sort of a culinary version of James Joyce's Ulysses. McGovern's masterwork, to my mind, compares quite favorably with Tolstoy's Anna Karenina. For one thing, it's shorter. From the Introduction by Kinky Friedman Written by Mike McGovern, one of the Kinkster's legendary Village Irregulars, Eat, Drink, and Be Kinky is a feast of wit, wisdom, and some damn good recipes as featured in, drawn from, and inspired by the novels of Kinky Friedman, private dick extraordinaire and culinary mastermind. When Richard Kinky "Big Dick" Friedman was only a little Kinky, growing into his Texas jeans and ten-gallon hat, he had two choices at mealtime -- take it or leave it. But the years have been kind to the Kinkster, and thanks to a successful career first as a singer/songwriter and more recently a bestselling author, Kinky has become a connoisseur of good wine, good food, and the best cigars (that he still prefers bad women just goes to show that some things never change). With a choice from a full menu of everything from appetizers and soups to desserts and libations, the reader is invited to indulge in the best of Kinky cuisine, including: Downtown Judy's Tortilla Soup with Chili Puree Fried-Egg Sandwich a Go-Go Saddle Up Burritos Teri and Chinga Chavin's Ol' Ben Lucas Swordfish Stew Son of Chicken McGovern Steve Rambam's Jailhouse Chili Frankie Lasagna Beer Bread Jack Daniel's Tiramisu Crunchy Coconut Banana Cake The book also features the world according to Kinky -- selections of wit and wisdom from all twelve of his novels on everything from life and death, love and sex, religion and God, food and wine, and the state of the onion. Whether you're a fan of Kinky's music, a devotee of his novels, or just a lover of good cookin' and good eatin', Eat, Drink, and Be Kinky will be sure to satisfy your appetite.

mindless eating.) You can finally keep off the weight! (These powerful weight-loss tools will be yours for life.) The 2B Mindset method changed my life. I struggled with yo-yo dieting the whole first half of my life. I was always the big one in the group. By the time I turned 13, I weighed over 200 pounds, and I felt terrible about myself. That's when I realized I had to break the cycle. Through trial and error, and lots of research, I discovered a simple and effective way to lose weight, while still eating large portions and the foods I loved. Over time, I lost 100 pounds, and kept the weight off. . . even after having two beautiful children. My secret? It's called the 2B Mindset. It has helped thousands of my clients lose weight too—and now it will help you.

From busy families to budget-conscious students this is a cookbook for anyone who wants to dial down the effort and turn up the flavour!

What would you give for an afternoon in your grandmother's kitchen? Leaning over the countertop, you watched as she added the flour?just a little at a time?to the bowl of her old, yellow Sunbeam stand mixer. To her, cooking may have been as second nature as setting the table. To you, it seemed almost like magic?the way she skillfully put things together to create the mouthwatering meals and one-of-a-kind desserts you enjoyed at her table. Likely, it's her culinary delights that have set the bar for everything you've eaten since. And let's face it, her pan fried pork chops and home-baked banana bread make anyone else's versions pale in comparison. If you find yourself wishing for just a little more time in your grandmother's kitchen?complete with her stories and the memories of the comforting favorites she lovingly made for you?you're sure to embrace this celebration of grandmother's cooking. She'd be proud!

For the past four decades, third-generation Montana farmer David Oien has been seeding a revolution against corporate agribusiness in the belly of the beast, the American grain belt. They have replaced their wheat and barley with a seemingly odd new crop, the lentil, a legume that has been part of the human diet since Neolithic times, but, until Oien's work, was never grown on Montana farms. In this eye-opening narrative, journalist and food scientist Liz Carlisle chronicles Oien's unlikely emergence as the leader of this agricultural upheaval.

Seventy-five totally original and outrageous spins on nachos--and just the excuse we've all been waiting for to eat nachos for dinner! Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

#1 NEW YORK TIMES BESTSELLING PHENOMENON More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
