In the title story, "Karma," an unemployed professor rescues birds in downtown Boston after his wealthy brother kicks him out of his home. In "Devadasi," a beautiful young woman raised in the United States travels back to India and challenges the sexual confines of her culture. And in "Bangles," a widow decides to return to her native village to flee her son's off-putting American ways. Set mostly in the Boston area, with side trips to an isolated immigrant community in Wichita, Kansas, and the characters' hometown of Hyderabad, India, *Karma and Other Stories* introduces a luminous new voice.
