Dr. Lyon shows that the Bible promises healing by Jesus if we fulfill the requirements of believing His promises. He points out the Divine healing as the Bible teaches can be instantaneous, gradual, by the use of means, and even death is a form of healing. He also discusses old age and our service for the Lord. The booklet is not only a presentation for Biblical healing, but a manual showing how we can experience healing and be an instrument for divine healing. In this book an attempt is made to defend monotheism, particularly the Christian form of it, over against the other 'isms' such as deism, atheism, pantheism and polytheism. In doing so the author explains that the truth is a paradox of different aspects, which we tend to feel as a tension from which we want to break free. And this sets the stage for all kinds of untruth. They form even double and triple breaks away from the truth as the golden mean, the biblical happy medium; without a compromise, let it be noted, on the right or on the left. Secondly several sections are devoted to the role of revelation. It is argued that revelation and creation go hand in hand. And in this also theology plays a role. How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of

God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.

This prayer book is geared towards teaching our children love for self, love for others and to be appreciate of all God's creation. In their formative years, is indeed the perfect time to do so.

This is a book that is so much more than Joanne's Life's Journey. Through its pages, she not only reveals a picture of God's grace in her own life, but defines His ever-present healing fingerprint through the brokenness and loss she experienced. You'll learn who God is, and how to let Him move you into the same abundant life she has found and that He died to give to all of us. As she says in the book" God is waiting for you to take the first step so He can help you finish."

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]."

Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion.

Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-

filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with

confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing

a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner "...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God

by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In *Why Are We Losing the Kids?* You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

Witnessing to an enemy African tribe taught Nicholas Muteti the power of unity. He learned that ending segregation in churches enables Christians to become a powerful force for God's kingdom.

Is God lost? Many of us feel that way. It's as if God's gone missing, out in the universe somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of “searching for God,” “exploring spirituality,” and “finding faith.” But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God's love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the prowl, pursuing us, hunting down his world for reconciliation. And the question we're left with is not whether we've pursued hard enough, searched long enough, or jumped high enough . . . The question is, “Do we want to be found?”

When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mular. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mular do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mular with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mular deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old

hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mular, who has the power to decide the fate of her race.

A madman who murders his way into power lusts for ever-greater glory and domination. A capital city awash with corruption, sensuality, and political intrigue is at the flash point. And caught between the crushing currents of history are a new but growing religious group known as the followers of The Way. Award-winning historian and best-selling author Paul L. Maier has created a compelling style of documentary fiction, using only known historical events and persons to bring to life first-century Rome in all its excess, treachery, and insanity. This is the Rome that the apostle Paul visits, where he's placed on trial, and which is forever changed by his testimony and witness. Maier takes readers into the courtroom of imperial justice and into the homes of the people struggling with the new faith they've encountered to answer questions such as: How did Christianity first reach Rome? Why did Paul have to wait two years for trial and was he condemned or set free? Why does the New Testament account in Acts end so abruptly? Who set fire to Rome and why did Nero persecute Christians so horribly? Following the family of Flavius Sabinus, mayor of Rome under Nero Maier captures all the drama and tension of the political conflicts that precede and follow the Great Fire of Rome, and the epic political and religious clashes of the world's capital. This is the sensational story of pagans at their worst—and Christians at their best. Readers won't want to put it down.

This is the fourth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

David was a man after God's own heart. He slew Goliath, ruled Israel and wrote such inspiring scriptures as Psalm 139. Yet

David had an affair with Bathsheba, breaking multiple commandments including having Bathsheba's husband murdered. How can we guard our walk and prevent catastrophic mistakes like those that David made? How

can we lead a life that bears the fruit of an effective faith? God's Word realistically portrays authentic people of faith. Their true stories are preserved for us as

teachable moments. Are we listening? Before God's Face takes a practical approach drawing from Biblical stories

and modern parallels to help us draw near to God as we learn the simple spiritual discipline of coram Deo - living in God's presence. Blessed are those who have learned

to acclaim you, who walk in the light of your presence, Lord. (Psalm 89:15)

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect

knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

A book about the life and time of a preacher's kid who goes through life lost, even though she has grown up in church. Church is not really what she focused on throughout life. As a girl, I paid more attention to all the boys. As a woman had struggled with drugs, men, more drugs and all kinds of non-spiritual things that were not of God. In the end, it all comes to a climatic end with abuse, betrayal and a way of escape at the cost of almost losing her daughter.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this

world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that

many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Harvard Professor Jonathan Weber is finally enjoying a season of peace when a shocking discovery thrusts him into the national spotlight once again. While touring monasteries in Greece, Jon and his wife Shannon—a seasoned archaeologist—uncover an ancient biblical

manuscript containing the lost ending of Mark and an additional book of the Bible. If proven authentic, the codex could forever change the way the world views the holy Word of God. As Jon and Shannon work to validate their find, it soon becomes clear that there are powerful forces who don't want the codex to go public. When it's stolen en route to America, Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever.

In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. *God, Take Over; I Am Finished* is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. *God, Take Over; I Am Finished* can restore hope and improve your relationships with God and man.

Rev. James Turner takes his job seriously. As pastor of

Lindenport Christian Church, he makes sure his congregation are spiritually fed and that their needs are met, especially during the holidays. Thanksgiving, Advent, and Christmas Eve services are a mainstay to the Christian faith. At Lindenport Christian Church, it's no different. The Thanksgiving community dinner and decorating committees have the church decked out for the holidays. Pastor James' faith is challenged when a beautiful female parishioner confides in him about her past, putting both of them and their loved ones in danger. The magical beauty and wonder of Christmas Eve is a perfect backdrop for remembering God's continued protection through adversity.

The Key of David is a detailed outlay of the fundamental roles each Christian needs to fulfil in being a priest, a prophet and a king. Priesthood has to do with our relationship with God, which is the primary role we carry out. Being a prophet entails receiving revelation from God, and being a king involves ruling and establishing God's kingdom on earth. Living out these three roles in full will enable Christians to fulfil their destinies, and ultimately, the corporate body of Christ will complete God's purpose for it, and God's kingdom will come on earth.

God's Masterpiece is a Children's book which illustrates the first chapter of Genesis, the creation of the world, in a fun little way! The book is simple to read and full of pictures to which one can follow along. Enlightenment in France argues for a scaled-down interpretation of the significance of the movement. In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.
