

Acca Past Papers P7

The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focusing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments.

The examiner-reviewed P7 Practice and Revision Kit provides invaluable guidance on how to approach the exam. It contains past ACCA exam questions for you to try and a question plan to assist with your revision. Three mock examinations provide ample opportunity to practise questions and marking schemes show you how the examiner awards marks.

BPP Learning Media is an ACCA approved content provider. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam success.

As a result of its Clarity Project, the Auditing Standards Board (ASB) has issued Statement on Auditing Standards (SAS) No. 128, Using the Work of Internal

Auditors, to supersede SAS No. 65, The Auditor's Consideration of the Internal Audit Function in an Audit of Financial Statements (AICPA, Professional Standards, AU sec. 322 and AU-C sec. 610), and amend: SAS No. 122, Statements on Auditing Standards: Clarification and Recodification, section 315, Understanding the Entity and Its Environment and Assessing the Risks of Material Misstatement (AICPA, Professional Standards, AU-C sec. 315); Various other sections in SAS No. 122 (AICPA, Professional Standards, AU-C secs. 200, 220, 230, 240, 260, 265, 300, 402, 500, 550, and 600); and Statement on Quality Control Standards No. 8, A Firm's System of Quality Control (Redrafted) (AICPA, Professional Standards, QC sec. 10). SAS No. 128 addresses the external auditor's responsibilities when using the work of internal auditors if it includes (a) using the work of the internal audit function in obtaining audit evidence and (b) using internal auditors to provide direct assistance under the direction, supervision, and review of the external auditor. Consistent with International Standard on Auditing (ISA) 610 (Revised 2013), SAS No. 128 introduces the concept of a systematic and disciplined approach, which is not included in SAS No. 65. Paragraph 13 of SAS No. 128 would require, among other things, as a prerequisite to being able to use the work of the internal audit function, that the external auditor evaluate the application by the internal audit

function of a systematic and disciplined approach, including quality control. Paragraphs A12–A14 of SAS No. 128 provide application guidance with regard to the application of a systematic and disciplined approach. The ASB believes that relative to SAS No. 65, this requirement represents an additional and explicit evaluation that the external auditor would need to perform to conclude on the appropriateness of using the work of internal auditors.

Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as an ACCA Approved Content Provider, BPP Learning Media's suite of study tools will provide you with all the accurate and up-to-date material you need for exam success.
