The Study Text has been reviewed by the examiner and takes account of their advice on approaching the paper. Ethics, which have an impact on all aspects of financial reporting, are introduced at an early stage, as is corporate social responsibility. The accounting standards coverage combines revision with extension into more advanced areas. Later, more advanced consolidation topics are covered. Current issues are reflected throughout and also summarised in their own chapter. The question bank contains practice at the case study-style question you will encounter in the real exam. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement.

Our Practice and Revision Kit is the only P6 Kit reviewed by the examiner. To achieve success in P6, you need to develop your application skills. The best way to do this is to practise as many exam standard questions as possible and this Kit allows you to do just that. Questions are grouped into topic areas so that you can easily identify those that cover particular areas. Our detailed solutions often provide top tips, advice on how to approach the question or advice on gaining easy marks. There is also a reference so that you know where the topics concerned are covered in the Study Text. We also provide the examiner's comments on past exam questions so that you can see what he is looking for in student answers.

The P3 Study Text covers the official syllabus thoroughly and comprehensively, and perhaps most importantly in a way that has been approved by the Examiner. Material is presented in a user-friendly format. The syllabus emphasises the integrated nature of the subject and the Study Text highlights links between the various topics - essential for the exam.

The BPP Study Text provides a comprehensive treatment of the updated ACCA syllabus for P4. It addresses all learning outcomes and the higher skills required in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key

points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions.
