All scales in this book are notated within FIRST POSITION. Some scales are notated in two octaves while most of the scales are notated in one octave. It includes reference material on 25 scales, the "Circle of Fifths", key signatures & enharmonic equivalents. Half steps are shown in all scales where applicable. It is designed for classically-trained violists or non-classical viola players who have not yet gone past first position or do not intend to. A great preparation for first position improvisors.

This Safety Report is a review of a large number of events that may serve as a checklist against which to test the vulnerability of a facility to potential accidents, and to provide a basis for improving safety in the use of radiation in medical applications. Furthermore, it is intended to encourage the development of a questioning and learning attitude, the adoption of measures for the prevention of accidents, and the preparation for mitigation of the consequences of accidents, if they occur.

Great for group teachers of younger students who need all scales in the book standardized to one octave. A great initial preparation for improvisation. Also great for learning basic lower-position fingerboard geography with notation on a 4-string electric bass.

What makes the person truly human? This is the question that is systematically investigated by Vergote in this fine collection of papers. The integrating themes of the various studies reported here are the exploration of human experience, and the achievement of humanity by the individual. The main question is approached from a variety of angles and focuses on the central issues of human existence.
