This introductory, comprehensive text of audio practices is for both production and post-production sound. It emphasizes the importance of recording the sound properly on the set and also explains the post-production audio process as a creative collaboration that enhances the story and is not merely a “fix” for various audio problems. This book guides readers through a series of exercises to better understand the relationships between the gear and practices required for optimal recordings and mixes. Rather than merely explain the concepts of sound wave propagation, the electronics of how sound is recorded, or the acoustics of sound reverberation in spaces, these exercises are designed to demonstrate and reinforce these crucial ideas. This systematic approach from simple recording through sound editing and mixing gives aspiring sound technicians valuable hands/ears-on experience so they can achieve the same professional quality as those working in the industry!

The go-to guide to acing the Series 6 Exam! Passing the Series 6 Exam qualifies an individual to function as an agent of a broker dealer and allows the limited representative to transact business in mutual funds (closed-end funds on the initial offering only), unit investment trusts, variable annuities, and variable life insurance products. In addition to passing the Series 6 Exam, an agent may be required to pass a state life insurance exam to transact business in variable contracts. Created by the experts at The Securities Institute of America, Inc., Wiley Series 6 Exam Review 2015 arms you with what you need to score high on this tough 100-question test. Designed to let you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you're prepared mentally and strategically to take the test, it provides: Dozens of examples Assorted practice questions for each subject area covered in the exam Priceless test-taking tips and strategies Helpful hints on how to study for the test, manage stress, and stay focused Wiley Series 6 Exam Review 2015 is your ticket to passing the Series 6 test on the first try—with flying colors!

This book is designed to be a comprehensive practice book detailing all types of alternative dispute resolution, including arbitration, mediation, mini-trials, use of private judges and court-annexed ADR. Coverage includes the forms of ADR and how to use them, how to implement an ADR programme, and the interrelationship between ADR and the court system. Nationally recognized authors discuss the role of outside counsel in corporate ADR programmes, tactics and techniques of ADR, sample ADR contract clauses, and ethical considerations.

This is a comprehensive text designed to introduce paralegal students to the range of dispute resolution tools available to legal professionals. In a clear and accessible format, the text combines straightforward textual explanations with practical examples. Each chapter includes a wealth of end-of-chapter activities that reinforce the concepts discussed in the text, including practice test questions, review questions, application questions and practice exercises. Key Benefits: A book designed specifically for paralegal students —coverage is extensive and the methodology is appropriate for paralegal study. Examples and end-of-chapter exercises that provide the basis for classroom discussions, role plays and opportunities for students to practice paralegal skills. Up-to-date, relevant coverage of new, cutting-edge areas of ADR with a solid introduction to the basics. Discussion of the nature and dynamics of conflicts, followed by a comparison of litigation with other dispute resolution methods.

The go-to guide to acing the Series 6 Exam! Passing the Series 6 Exam qualifies an individual to function as an agent of a broker dealer and allows the limited representative to transact business in mutual funds (closed-end funds on the initial offering only), unit investment trusts, variable annuities, and variable life insurance products. This comprehensive casebook provides overviews, critical examinations and analyses of the application of ADR s three main processes for settling legal disputes without litigation-- negotiation, mediation, and arbitration-as well as the issues raised as these processes are combined, modified and applied. Using classic and contemporary simulations and questions, it allows students to evaluate, critique and practice the various dispute resolution techniques in use today. The Sixth Edition has been updated to reflect recent developments in empirical mediation research, including latest research on what makes a mediator successful. It re-examines the law of arbitration in light of recent U.S. Supreme Court rulings and offers more practice-related issues, questions and exercises- including emerging processes such as mediation-arbitration and online dispute resolution. Hallmark features: Thorough, systematic coverage, moving from overviews to critical analysis, application, evaluation, and practice. Distinguished, experienced author team. Direct, accessible writing. Wealth of simulations and questions that allow students to evaluate, prepare for, and practice, the various dispute resolution techniques ADR Research Guide in appendix. The revised Sixth Edition includes: More practice-related issues. The role and applications of modern technology in ADR. International applications of ADR processes. Updated synthesis of empirical mediation research, including the latest research on what makes a mediator successful. Full re-examination of the law of arbitration in light of recent U.S. Supreme Court rulings on arbitrability, preemption, judicial review, and process. Use of the principles of dispute system design as an organizing theme for examining variants on basic ADR processes. Updated materials on legal issues related to court orders to use dispute resolution, regulation of mediation, and mediation confidentiality. New questions and exercises, including exercises in mediation-arbitration and online dispute resolution. The purchase of this Kindle edition does not entitle you to receive 1-year FREE digital access to the corresponding Examples & Explanations in your course area. In order to receive access to the hypothetical questions complemented by detailed explanations found in the Examples & Explanations, you will need to purchase a new print casebook.
