

American English File 1b Workbook Resuelto

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

The course that gets students talking.

David Reich describes how the revolution in the ability to sequence ancient DNA has changed our understanding of the deep human past. This book tells the emerging story of our often surprising ancestry - the extraordinary ancient migrations and mixtures of populations that have made us who we are.

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials.

- Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling.
- Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds.
- Graded listening materials and tasks.
- Travel with English. Functional language, practical communication in international 'survival' contexts.
- Revision and extension. Consolidation and development of core lessons through skills work.
- Vocabulary file. Systematic vocabulary development and revision, and learning tips.
- Grammar file. Self-check grammar reference in language graded for beginner level.
- Word bank. An active picture dictionary for memorable study and reference.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

Four Corners is an integrated four-skills course for adults and young adults who want to use English to communicate effectively in daily life. Easy and enjoyable to teach. It combines proven communicative methodology with a practical outcomes-based approach. Four Corners features a clear presentation of vocabulary, a thorough grammar syllabus, and an everyday functional language lesson in every unit together with systematic practice of all four skills. Four Corners places special emphasis on helping students become confident and competent speakers of English. Speaking activities at the end of every lesson, tied to clearly labeled measurable outcomes, enable students to see the results of their learning and help them see their progress.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

"Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. A blend of completely new lessons, updated texts and activities, together with the refreshing and fine-tuning of some favourite lessons from New English File - English File third edition provides the right mix of language, motivation, and opportunity to get students talking. English File third edition offers more support for teachers and students. Teacher's Book provides over 100 photocopiables to save preparation time, plus extra tips and ideas. Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen and interactive.

With a wide range of exciting new digital material, including all new documentaries, this new edition of American English File is still the number one course to get your students talking. American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity.
