Agriculture plays a vital role in Indian economy from the very inception of economic planning. Agriculture alone cannot solve all the basic problems of the country like unemployment. So small Industries play a key role for economic development of the country. India is a country of resources, unless these resources are utilised in full, the development of the country is not possible, so establishment of small industries in rural as well as in urban areas are essential. This book is of immense value. It throws light on various angles of Small Industries of our country. The book is very helpful to the planners, teachers, research, scholars, students, government agencies and non-government agencies which are concerned with the economic development of the country as a whole.

Study conducted at the hostels of Andhra University, Visakhapatnam, India.

Achievement of B.Ed. Students

Teacher education is at the base of all educational systems. To make it effective, we need an education system that equips the teacher trainees with the necessary skills to perform their tasks effectively in the classroom. This book discusses how to train teachers, improve teacher education programmes, and impart quality education. The book, now in its second edition, emphasizes development of skills in teachers, keeping in mind the rapid use of technology and changes in education policies, procedures and provisions. Each chapter has

Even The Suppliers Of Equipment And Services Required By These Educational Institutions Will Find It Highly Valuable.

Comprises articles on the life of Kesiraju Satyanarayana, 1897-1985, mathematician from Andhra Pradesh.

Document from the year 2015 in the subject English Language and Literature Studies - Linguistics, , language: English, abstract: In an era where communication has become synonymous to speaking English, it has become mandatory not only to learn the language but put it into terms to sustain in the competing world. Considering the technicality of the language, it is surely difficult

to convey the words spoken, because it is not just about speaking English but it is to make it understandable and lucid. Just as written English is constrained by barricades of Grammar, so does spoken English is restrained by both Grammar as well as phonetics of speech. Dealing with such great tides of difficulty inherent in speaking English, there is a need to simplify the vocalization of this global language. This book is written especially for University Students, but all stages of learners may also find it useful. The explanations are made as simple as possible. Special care had been taken to cover all the items which are very useful for all non English medium academic background students. Explanations are mostly in ordinary everyday English. This book describes standard modern British English, and gives realistic examples of spoken and written language (both formal and informal). The book, 'Speaking English Made Easy' is an attempt to put forth an easy and effortless way for learning the language. The work presents a unique understanding to bring the language to one's finger tips. Assembling the various descendants of Grammar, the book interleaves into the technicality of speaking English. The book is also a useful guide for students taking on competitive exams on English. This work can definitely stand on as the sound whose echo vibrates around the world.

"As per the norms of Right of Children to Free and Compulsory Education (RTE)
