

Angeles Y Demonios Bestseller Booket Unnumbered Spanish Edition

A compelling new novel that combines past and present in a riveting search for the source of the Book of Genesis itself. In her provocative second novel, Spanish author Julia Navarro takes readers on an exhilarating journey across centuries and continents, as an upstart archeologist and a murderous group of conspirators vie for a treasure that will rewrite history—an explosive account of the world's creation recorded millennia ago by a humble scribe onto the legendary Bible of Clay. Moving back and forth through time, from the tense months preceding the contemporary war in Iraq, to ancient Mesopotamia, to the atrocities of the last century, this tale of vengeance, obsession, and the wholesale plundering of the ancient world's most priceless treasures is populated by an international cast of political opportunists, ruthless killers, and unsullied seekers of truth. The Bible of Clay is historical fiction at its richest, a sweeping saga that challenges at once both conventional geopolitics and the very foundations of modern religion.

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

El conservador del museo del Louvre aparece muerto en extrañas circunstancias. Junto a su cadáver ha aparecido un desconcertante mensaje cifrado. Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291, a young Templar knight flees the fallen holy land in a hail of fire and flashing sword, setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In present day Manhattan, four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device, they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark, hidden history of the crusading knights—and into a deadly game of cat and mouse with ruthless killers—as they race across three continents to recover the lost secret of the Templars.

Thriller. Two books in one.

Readers are urged to forget what they think they know about who is pure and who is pure evil. These three brimstone-hot stories will turn all their preconceived notions inside out--and leave fans breathless. Includes "Break, Deals with Demons," and "My Avenging Angel."

Traces the author's turbulent first year working as a teacher of disadvantaged students in the Bronx, describing his difficulties with such challenges as unruly students, absent parents, and a failing administration, obstacles that placed his career choice in question and revealed formidable flaws in the educational system.

"Travel through the trees and across the seas with Maestro Mouse and his musical friends! Young readers will meet a big blue whale and speedy cheetahs, tiny beetles and graceful swans. Each has a special secret to share."--Provided by publisher.

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first

families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

An ancient mystery holds the secret to curing the world... When a top-ranking European Union official is brutally murdered, world-renowned geneticist Lydia del Biondo finds herself thrust into a bitter geopolitical and ideological war - a war which has been raging silently for millennia. As a deadly coronavirus sweeps across the world, rising tensions threaten to spill over and topple entire nations. Not knowing whom to trust and time running out, Lydia is plunged against her will into an ancient mystery that could hold the key to curing the disease-ravaged world. But the artifacts and wisdom of the ancients are a closely kept secret. If Lydia wants to unravel the millennia-old mystery and stop the world from destruction, she'll need to put all of her skills to the test... If you love page-turning stories with action, ancient mysteries, and a race against time, then you won't want to miss The Jesus Christ Cypher. All of the artwork, scientific facts, and historical places and figures described are real and based on evidence. The Order is an organization that had to have its name changed, but it activates across the globe, preaching the word of Jesus. The European Union is governed by a mix of Institutions that have at their heart the European Commission, whose President is one of the most powerful political forces in the world, with her vision shaping the future of our modern civilization. The Grand Egyptian Museum is almost completed. All characters in this book are fictions, and any resemblance to real persons, living or dead, is purely coincidental. The author dedicates this book to his family, who supported his daily writing despite the problematic period of confinement, and to all COVID-19 outbreak victims, especially to the ones who still suffer the effects of this horrible virus. He hopes that humanity will learn from its mistakes and focus on the future to rebuild and avoid more suffering of the most vulnerable people. We are at a turning point in the history of our civilization, and we have the tremendous responsibility of shaping the future for our children. I hope that the scientific discoveries combined with the will to do good in this world will unite us all to have a common goal: the survival of our race and to improve our society's life quality in a sustainable way. He also dedicates this book to his two favorite authors, whose books inspired him to start writing (as waiting for their next masterpiece was sometimes too long and painful.) This eagerness pushed him to write his book in the style of Dan Brown and J.K. Rowling. "Thank you again for all the fantastic books you have written and for inspiring me to take this journey, which helped me to also pass the difficult moments of COVID-19 by quickly writing my first book after watching Dan's Masterclass."

SLVIA . . . decades ago, an AI program escaped the NSA Lawrence Livermore Laboratory, and has never been recaptured . . . true story. Derek Taylor, fugitive hacker and contractor to the National Security Agency is living under the name of a murdered best friend, hiding from powers who still want him dead. Taylor's ties to a terrorist hacker group called SNO leave him open to investigation by Lt. Jennifer Scott, the daughter of a Joint Chief—a woman determined to go to any lengths to prove her worth. But when a Chinese artificial intelligence (AI) internet virus threatens national security, SLVIA warns Taylor the fifth seal of end time prophecy has broken. This unexpected assault soon forces an autocratic US President to deploy a defective AI weapon. Now, Taylor and Lt. Scott must join forces across three continents to stop the evil AI virus from crippling America or destroying SLVIA before an apocalypse swarms over Jerusalem. Combining conspiracies, cyber espionage, and advanced weapons, Swarm reveals what happens when AI singularity and prophecy collide to shake the world at its very foundations

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

"After selling her first novel—a dream she'd worked long and hard for—Stephanie Danler knew she should be happy. Instead, she found herself driven to face the difficult past she'd left behind a decade ago: a mother disabled by years of alcoholism, further handicapped by a tragic brain aneurysm; a father who abandoned the family when she was three, now a meth addict in and out of recovery. After years in New York City she's pulled home to Southern California by forces she doesn't totally understand, haunted by questions of legacy and trauma. Here, she works toward answers, uncovering hard truths about her parents and herself as she explores whether it's possible to change the course of her history." -- back cover.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

"THE BOOK CHINA DOESN'T WANT YOU TO READ."—CNN? A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth—and then fell out of favor. She disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not been able to tell it herself.

"This book is truly epic. . . . The reader will probably wish there was a thousand more pages." —The Huffington Post Picking up where *Fall of Giants*, the first novel in the extraordinary *Century Trilogy*, left off, *Winter of the World* follows its five interrelated families—American, German, Russian, English, and Welsh—through a time of enormous social, political, and economic turmoil, beginning with the rise of the Third Reich, through the great dramas of World War II, and into the beginning of the long Cold War. Carla von Ulrich, born of German and English parents, finds her life engulfed by the Nazi tide until daring to commit a deed of great courage and heartbreak American brothers Woody and Chuck Dewar, each with a secret, take separate paths to momentous events, one in Washington, the other in the bloody jungles of the Pacific English student Lloyd Williams discovers in the crucible of the Spanish Civil War that he must fight Communism just as hard as Fascism Daisy Peshkov, a driven social climber, cares only for popularity and the fast set until war transforms her life, while her cousin Volodya carves out a position in Soviet intelligence that will affect not only this war but also the war to come.

Unauthorised (but authoritative) guide to the mysteries behind the phenomenal bestseller *THE DA VINCI CODE* Readers of Dan Brown's extraordinary bestseller *THE DA VINCI CODE* are fascinated by the questions raised in the novel. Was Jesus actually married to Mary Magdalene? Was she one of his disciples and did she write her own gospel? Did they have a child together? Did some geniuses of art and science, people like Leonardo da Vinci and Isaac Newton, belong to secret societies that had the most compelling insider information in history, and did Leonardo convey some of these ideas in *The Last Supper* and other paintings? *SECRETS OF THE CODE* is the definitive guide to the novel and provides the curious reader with authoritative explorations into the major themes within *THE DA VINCI CODE*.

A boxed set containing two best-selling thrillers from the author of *The Da Vinci Code* features *Angels & Demons*, in which Robert Langdon is called in when the murder of a physicist raises fears that the Illuminati are operating again after centuries of silence, and *Deception Point*, in which NASA announces the discovery of an ancient meteorite filled with fossils deep in the Arctic ice. Reprint.

For the first time, all four Robert Langdon thrillers are now available as one ebook bundle. If you haven't read a Dan Brown yet, now's the time. *ANGELS AND DEMONS* The countdown to oblivion has started - who will stop the clock? A famous scientist is found dead, a mysterious symbol burned into his skin. Many miles away in Rome, the world's cardinals gather to elect a new pope. Little do they know that beneath their feet, a vast bomb has started to tick. Professor Robert Langdon must work out the link between these two seemingly unconnected events if he is stop the Vatican being blown sky high. *THE DA VINCI CODE* The race to uncover the oldest secret has begun An eminent man is brutally murdered in the world's most famous museum. Around his body are a ring of codes, hastily drawn in blood. He died to protect a long-kept secret which Professor Robert Langdon must now uncover. It will be a race against time to decipher this final message. Can he get there before the killers do? *THE LOST SYMBOL* To save a life, you must first crack the code A mysterious invitation brings Professor Robert Langdon to Washington DC. But all is not as it seems in this powerful city. An ancient organization plans to reassert itself. And he is the only man standing in its

way. If he is to prevent a terrible plan being executed, Langdon must decipher a series of increasingly bloody clues. But first he has to make sure he stays alive . . . **INFERNO** The world is in danger - who will save it? Robert Langdon wakes up in a Florence hospital with no clue how he got there. But another attack on his life makes it very clear – someone wants him dead. And fast. To survive, Langdon must work out who it is. And then he must answer the next question – why?

The #1 New York Times Bestseller (October 2017) from the author of *The Da Vinci Code*. Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that “will change the face of science forever.” The evening’s host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon’s first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch’s precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch’s secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain’s Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch’s shocking discovery...and the breathtaking truth that has long eluded us.

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace “A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought.”—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don’t understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today’s so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* “Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing.”—The Washington Post Book World “Compelling.”—USA Today “A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity.”—The Sciences “Passionate.”—San Francisco Examiner-Chronicle

INSTANT NEW YORK TIMES BESTSELLER! Now being developed as a television series with Eva Longoria and ABC! “Rarely have I read a book that challenged me to see myself in an entirely new light, and was at the same time laugh-out-loud funny and utterly absorbing.”—Katie Couric “This is a daring, delightful, and transformative book.”—Arianna Huffington, Founder, Huffington Post and Founder & CEO, Thrive Global “Wise, warm, smart, and funny. You must read this book.”—Susan Cain, New York Times best-selling author of *Quiet* From a New York Times best-selling author, psychotherapist, and national advice columnist, a hilarious, thought-provoking, and surprising new book that takes us behind the scenes of a therapist’s world—where her patients are looking for answers (and so is she). One day, Lori Gottlieb is a therapist who helps patients in her Los Angeles practice. The next, a crisis causes her world to come crashing down. Enter Wendell, the quirky but seasoned therapist in whose office she suddenly lands. With his balding head, cardigan, and khakis, he seems to have come straight from Therapist Central Casting. Yet he will turn out to be anything but. As Gottlieb explores the inner chambers of her patients’ lives — a self-absorbed Hollywood producer, a young newlywed diagnosed with a terminal illness, a senior citizen threatening to end her life on her birthday if nothing gets better, and a twenty-something who can’t stop hooking up with the wrong guys — she finds that the questions they are struggling with are the very ones she is now bringing to Wendell. With startling wisdom and humor, Gottlieb invites us into her world as both clinician and patient, examining the truths and fictions we tell ourselves and others as we teeter on the tightrope between love and desire, meaning and mortality, guilt and redemption, terror and courage, hope and change. *Maybe You Should Talk to Someone* is revolutionary in its candor, offering a deeply personal yet universal tour of our hearts and minds and providing the rarest of gifts: a boldly revealing portrait of what it means to be human, and a disarmingly funny and illuminating account of our own mysterious lives and our power to transform them.

Ken Follett’s magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women’s suffrage. A thirteen-year-old Welsh boy enters a man’s world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson’s White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

An instant New York Times Bestseller! Named a most anticipated book of 2021 by O Magazine, Playbill.com, CNN, Town & Country, and more! A magnificent biography of one of the most protean creative forces in American entertainment history, a life of dazzling highs and vertiginous plunges—some of the worst largely unknown until now—by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind: while still in his twenties, he was half of a hit improv duo with Elaine May that was the talk of the country. Next he directed four consecutive hit plays, won back-to-back Tonys, ushered in a new era of Hollywood moviemaking with *Who’s Afraid of Virginia Woolf?*, and followed it with *The Graduate*, which won him an Oscar and became the third-highest-grossing movie ever. At thirty-five, he lived in a three-story Central Park West penthouse, drove a Rolls-Royce, collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized--an allergic reaction had rendered him permanently hairless--and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe--the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships,

most enduringly with May; his unquenchable drive; his hunger for security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels, and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.

When twelve-year-old Aru Shah's schoolmates dare her to prove that the museum's Lamp of Bharata is cursed, she doesn't think there's any harm in lighting it. Little does Aru know that lighting the lamp has dire consequences. She unwittingly frees an ancient demon who freezes her mother in time - and it's up to Aru to save her.

A BEST BOOK OF THE YEAR by The Washington Post and The Financial Times • "How did our democracy go wrong? This extraordinary document ... is Applebaum's answer." —Timothy Snyder, author of *On Tyranny* A Pulitzer Prize-winning historian explains, with electrifying clarity, why elites in democracies around the world are turning toward nationalism and authoritarianism. From the United States and Britain to continental Europe and beyond, liberal democracy is under siege, while authoritarianism is on the rise. In *Twilight of Democracy*, Anne Applebaum, an award-winning historian of Soviet atrocities who was one of the first American journalists to raise an alarm about antidemocratic trends in the West, explains the lure of nationalism and autocracy. In this captivating essay, she contends that political systems with radically simple beliefs are inherently appealing, especially when they benefit the loyal to the exclusion of everyone else. Elegantly written and urgently argued, *Twilight of Democracy* is a brilliant dissection of a world-shaking shift and a stirring glimpse of the road back to democratic values.

One of History's Most Sacred Treasures. . . An Age-Old Secret Conspiracy. . . Now the Truth Is Revealed. . . Marco Valoni, chief of Italy's Art Crimes Department, is convinced that a fire in the Cathedral of Turin that leaves a strangely mutilated, unidentifiable body on the scene was no accident. It is only the last in a long line of mishaps, going back over a hundred years, that have occurred in the church – which happens to be home to what millions of the faithful believe is that authentic burial shroud of Jesus Christ. Valoni and his crack team of specialists embark on an investigation that soon leads them into dangerous territory, territory controlled by some of the most powerful men in the world. Not only do they discover evidence of a secret Christian sect that traces its priests to the very disciples of Jesus himself, but also that the Knights Templar – supposedly destroyed forever when Philip the Fair of France watched their last Grand Master, Jacques de Molay, burn at the stake in 1314 – may not have disappeared at all, and may indeed be very much alive and active in the 21st century. Julia Navarro skillfully weaves the Italians' thrilling present-day investigation with the spine-tingling history of the Holy Shroud itself, and with a chilling tale of ancient rivals, equally devoted to the relic, and equally willing to sacrifice anything – perhaps even their immortal souls—to possess it. From communities of the Middle East founded by Jesus himself, to medieval Byzantium, to the highest councils of the Vatican and the boardrooms that run the world today, *The Brotherhood of the Holy Shroud* is a provocative page-turner of the highest order – one that will challenge you to believe. "The screams of the tortured men echoed within the thick walls of the dungeons. How many days had passed since they were arrested? The Templars had lost count. . . . A man, his face concealed by a hood, watched the suffering of the knights from the shadows, these knights who had once wielded their swords and risked their very lives to defend the Cross. Reveling in their torment, sick with avarice and cruelty, Philippe signaled the torturers to go on.... Broken and bloodied, Jacques de Molay could hardly see, but he sensed who it was beneath the hood. A smile came to the Grand Master's lips when the king demanded that he confess where he had hidden the holy shroud of Jesus. At last Philippe saw that it was futile to continue. De Molay would not yield.... Fire began to burn the Templars' ravaged flesh. Jacques de Molay's eyes remained fixed on Philippe, and before him and the people of Paris the Grand Master proclaimed his innocence and called down divine justice on the king of France and Pope Clement, summoning them to stand with him before the judgment of God within the year. A shiver ran down Philippe's spine as de Molay's words rang out. No, God could not be on the side of these Templars, these heretics. He, Philippe, king of France, was obeying the laws of the Church. But was he obeying the laws of God?" —From *The Brotherhood of the Holy Shroud*

El nuevo libro del periodista Dan Burstein ha surgido de su fascinación por uno de los fenómenos editoriales más impresionantes de todos los tiempos: el escritor Dan Brown. Burstein logra separar la ficción de la realidad histórica en *Angeles y demonios*, la primera novela de Dan Brown. Para ello, revela fascinantes hechos históricos de la Iglesia católica y se adentra en las entrañas del Vaticano, auténtica fortaleza de nuestro tiempo. But the curator never shows up, and later that night Langdon is awakened by authorities and told that the curator has been found dead. He is then taken to the Louvre—the scene of the crime—where he finds out that baffling clues have been left behind. Thus begins a race against time, as Robert Langdon becomes a

suspect and, with the help of French cryptologist Sophie Neveu, must decipher a mystifying trail of clues that the two come to realize have been left specifically for them. If Robert and Sophie cannot solve the puzzle in time, an ancient truth could be lost forever—and they themselves might end up as collateral damage. Praise for the adult edition of *The Da Vinci Code* “WOW . . . Blockbuster perfection. An exhilaratingly brainy thriller. Not since the advent of Harry Potter has an author so flagrantly delighted in leading readers on a breathless chase and coaxing them through hoops.”—*The New York Times* “A new master of smart thrills. A pulse-quickening, brain-teasing adventure.”—*People*

From the collaborator of the blockbuster bestseller *Proof of Heaven* comes the definitive book proving angels are real, all around us, and interacting in our lives every day. In March 2015, millions worldwide were captivated by news reports of the dramatic rescue of an eighteen month old girl, Lily Groesbeck, who'd somehow survived fourteen hours in an overturned car partially submerged in an icy-cold Utah river after her mother apparently lost control of the vehicle. A voice the four responding officers assumed was the child's mother still trapped inside spurred them on: “Help me, help me.” Yet, once the two victims were recovered, it was clear that the voice could not have come from Lily's mother: she'd been killed on impact. New York Times bestselling author Ptolemy Tompkins, with the help of Tyler Beddoes, one of the responding officers who helped rescue Lily, will explain this modern-day miracle and the existence of angels in our world. *Proof of Angels* weaves real-life stories into a rich narrative, exploring the history, nature, and significance of angels in our lives. With an introduction by Colleen Hughes, the editor-in-chief of *Angels on Earth* magazine, *Proof of Angels* proves that the barrier between the spiritual and the scientific is less certain than we often think. Not only does Tompkins offer a highly entertaining look into a universally fascinating topic, but he also delivers a fresh and deeply reassuring message: we are not alone.

As sales of Hagee's current New York Times bestseller, *Four Blood Moons*, continue to soar, hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world . . . heaven itself! Hagee's national media power assures another mega-bestseller.

En un laboratorio de máxima seguridad, aparece asesinado un científico con un extraño símbolo grabado a fuego en su pecho. Para el profesor Robert Langdon no hay duda: los Illuminati, los hombres enfrentados a la Iglesia desde los tiempos de Galileo, han regresado. Y esta vez disponen de la más mortífera arma que ha creado la humanidad, un artefacto con el que pueden ganar la batalla final contra su eterno enemigo. Acompañado de una joven científica y un audaz capitán de la Guardia Suiza, Langdon comienza una carrera contra reloj, en una búsqueda desesperada por los rincones más secretos del Vaticano. Necesitará todo su conocimiento para descifrar las claves ocultas que los Illuminati han dejado a través de los siglos en manuscritos y templos, y todo su coraje para vencer al despiadado asesino que siempre parece llevarle la delantera.
