

Angels Among Us

Gale was a strong swimmer -- but halfway across the lake she realized she couldn't make it to the other side ...Annabel and her three-year-old daughter turned suddenly -- and saw a car hurtling straight toward them ...Ken fell and his hunting rifle accidentally went off -- leaving him wounded, bleeding and alone in the frozen woods...and then they appeared! Angels do exist -- as illustrated in these moving, compelling and true contemporary accounts of ordinary people whose lives were touched and saved by the extraordinary.

The amazing appearances of shining lights, winged figures and celestial visions make this uplifting book of photographs a must for anyone interested in angels. Featuring an astounding collection of unexplained images of guardian angels and mysterious spirits, this book is a treat for all fans of angels, apparitions and the occult. Author, astrologer, tarot reader and feng shui practitioner Skye Alexander explores this captivating collection of angel images and looks for the messages of hope and love that they might represent.

Angels have been with us in every time and culture, and in many religious traditions. Ask Your Angels vividly chronicles how they are currently reaching out to every one of us in a totally new way, bridging our physical reality with their pure spiritual energy. From historical writings and widespread contemporary experience that includes their own workshops, the authors show us how we can draw on the power of angels to reconnect with our lost inner selves and to achieve our goals, whether they be better relationships, healing an illness, or recovery from addiction To align with the angelic energy field, you will use five simple steps, as well as exercises, meditations, and visualizations, to learn how to talk with your angels—in your mind, in letters, in dreams, on a computer—and ask their guidance in matters from the inspired to the mundane. From Gabriel, Michael, Raphael, and Uriel to the angels of birth and death, from the Earth Angel to the guardian or companion angel who is your personal teacher, comforter, and intimate friend, this guide will introduce you to humor, wisdom, and companionship that come from contact with angels, for they are a doorway to the Divine within us.

The author of the bestselling The Third Man Factor examines the shockingly common phenomenon of the “Angel Effect”: when people feel visited by an otherworldly presence in times of great danger or desperation. Do “angels” exist? If so, are they heaven-sent or products of the human brain? After the publication of the bestseller The ThirdMan Factor, which examined the phenomenon of explorers who found themselves at the edge of death and experienced a benevolent presence that led them out of the impossible, John Geiger was inundated with firsthand accounts from people who had the same experience—a vivid presence that aided them as they faced crises ranging from physical and sexual assaults to automobile accidents, airplane crashes, serious illness, childbirth, and depression. The Angel Effect examines this phenomenon, and Geiger argues that it has the potential to aid us, even to save us, and asks whether it is a trainable skill. He investigates the numerous experiences along with historical accounts and scientific research as he reveals compelling discoveries about the human brain and our innate capacity to hope.

In 2007, the author received a revelation that compared the church to a condemned building. Pam was asked, "would you put up curtains at the windows of a condemned building?" With that revelation came the understanding that the organized church was judged 3 decades ago. Not believing this word, Pam set out to disprove it by doing a study of church history. She also reviewed various occult, new age websites of mediums or channels who have been communicating with beings who first identified themselves as UFO's and then ultimately called themselves "ascended masters." The Fake Jesus is a record of what Pam discovered once she tried the spirits to see if they be of God. This book will open your eyes to the truth as to "who the fallen angels are, who sent them, what is their agenda, and how to recognize if your church is under their influence. The hour is late. This book has traced that fallen angels have been among us since about 1830. Don't YOU be deceived by a fallen angel.

Presents stories of kindness and selfless acts of "real" angels, everyday heroes who have helped people in need

Presents writings and artwork about the presence of angels in human life, along with stories of people who have been inspired by their belief in angels.

Throughout her life—from childhood to adulthood, author Veronica Matthews has been touched by God's angels. She believes God sends his angels to protect us from harm, to guide us when we need direction, and to minister to us when we have a broken heart and feel hopeless. In God's Angels Walk among Us, she shares personal accounts of her encounters with God's angels and also calls on scripture to describe and discuss these important beings. Matthews tells how God dispatches his angels to comfort you, give you faith, and encourage you to believe God has a plan for your life. Uplifting, inspirational, and insightful, God's Angels Walk among Us delivers a message about the importance of having hope and the trust in God to overcome the difficulties and hardships in life regardless of the circumstances. God is always working behind the scenes, whether you see it or not.

Throughout the book of Providence, we constantly saw the great provision of God in the lives of the Jacoby and Bronson families. They were two families whose lives were brought together by marriage and became intertwined in an undying friendship. We saw that God was always there in the valleys and on the mountaintops. Now in this riveting sequel, we follow the next three generations of Jacobys as they are led by God into great service. As this story gracefully moves to and fro between heaven and earth, we will see how God not only gives us gifts of service but also gives "angels among us." As you engulf yourself into the presence of those on earth and those in heaven, you will be spellbound by the way God brings them together. It is the author's hope that as you read this story, you will catch a glimpse of the splendor that awaits His children and that you can feel the presence of His angels working peace and protection in your lives.

Writing together with Timothy Wyllie, the angel Georgia details the events of Earth's ancient history during the fall of Atlantis • Reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet • Shares Georgia's travels to the planet Zandana, a world facing the same problems as Earth yet taking a very different approach to their resolution • Exposes the supreme significance of Earth and how our planet is one of the worlds on which the rebel angels are reincarnating An angel of Seraphic status, Georgia arrived on this world with the first of the celestial missions, over half a million years ago. During the angelic rebellion 203,000 years ago, which led to the quarantine of Earth and 36 other planets from the Multiverse, she aligned herself with Lucifer and the rebel angels. After the rebellion, Georgia was permitted to remain on this planet as a Watcher, making occasional side-trips to

Zandana, a sister planet also under the thrall of the angelic rebellion. Writing together with Timothy Wyllie, Georgia provides her personal account of Earth during the fall of Atlantis as well as accounts of her trips to Zandana. Georgia reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet. She shows how the fate of Atlantis ties in with the Lucifer Rebellion and also offers us understanding of where human civilization is now in contemporary times. Her travels to the planet Zandana reveal a world at the same stage of development and facing the same problems as Earth, yet taking a very different approach to their resolution. Through her revelations, Georgia exposes the supreme significance of Earth in the larger Multiverse context and also how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. She describes how this unprecedented interspecies mutation--rebel angel incarnations--started in Atlantis in the eighth millennium. Interwoven with Georgia's narrative are her observations of Timothy Wyllie's current and previous lives, including his involvement with the Process Church and his struggle to leave it. Georgia shares her words, in part, to awaken the 100 million rebel angels currently living their human lives, most unaware of their angelic heritage. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of global consciousness as the rebel-held planets, including Earth, are welcomed back into the Multiverse.

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

Parenting is perhaps the hardest job on the planet. Some get it right and others need a bit of guidance. Those ANGELS Among Us is an in depth look into the world of foster care and adoption through the eyes of an experienced adoption professional and adoptive parent, and the eyes of her youngest daughter. The book is full of feel good stories as well as hard truths about the responsibility of parenting the foster and adopted child.

"Who are the fallen angels? Elizabeth Clare Prophet tears the mask from the ancient deceivers of mankind, exposing their profile of evil and tracing it back to the fall of heavenly angels into human bodies. This important book shares what early texts had to say about the existence of fallen angels and takes us behind the world of appearances to explore a perspective that is shocking yet profoundly hopeful. You will learn about the strategies and tactics of the fallen angels and how they amass power and control as well as the unparalleled opportunities we have today to create great transformation in times of intense challenge and change."

These true personal stories of angels, miracles, answered prayers, and divine intervention will deepen your faith and open your eyes to the angels, guardians, and guides in your life. Miracles happen every day to people from all walks of life. And angels are all around if we are open to seeing them and accepting their help. You'll be inspired, awed and comforted by these 101 stories from ordinary people who've had extraordinary experiences, including: The young family caught in a snowstorm who were rescued by a man named David and hosted in his cabin—who learned afterwards that David and his family had died three years earlier on the same highway they were stuck on The widow who had been making snow angels with her husband for decades and then found two perfect ones in the fresh snow by his memorial bench one wintry morning—with no footprints leading to them The daughter whose dying mother promised to send flowers, who returned from the funeral to find her mom's almost dead Christmas cacti had blossomed, covering an entire room with flowers The mother who saw her husband hoisting their little girl by one arm from a lake she'd fallen into, but didn't see the man her husband says was holding the girl's other arm The notoriously grumpy old man in a nursing home who spent a whole day happily saying goodbye to everyone and thanking them because an angel told him, correctly, it would be his last day on earth The teenager working in a hotel kitchen who was pushed away by an invisible force while standing in a group of people, and just missed being hit by a large piece of equipment that fell right where she'd been standing

Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder scene of a college student—but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and Merry Gentry series.

The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need "Outstanding! As one would expect from David Jeremiah, this book reflects a theologian's concern, a pastor's heart, and a Biblicist's accuracy."—Dr. Bruce Wilkinson People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he's done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses

Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God's plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah's down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the "substance of things unseen!"

Featured authors Blanton, Susan Burdorf, Ashlea Burns, Callie Cool, Sky Diamond, Sara Drake, Stephanie Greenhalgh, Beth Hoyer, Theresa Oliver, Jennifer Paquette, Dana Piazza, Nikki Shah, Melissa Somoza, and Kim Stevens contribute to this anthology of angel stories.

Angels Among Us tells the true and inspiring story of a woman who was abandoned by her family and raised in an orphanage. Her story is at once tragic and uplifting. From the story, the book develops principles that govern any effort to work with those who are in need. One of the book's surprising implications is that all of us - whether rich or poor, educated and uneducated, well or sick - are equally needy. The nature of that need and the path of fulfillment are identical for each of us.

Many people in the body of Christ may not be aware of the role of angels in our lives and how vitally important they are to believers. There are two worlds at work: the visible and the invisible, and angels are important participants. In his book Angels Live among Us, author Franklin D. Battle outlines the many instances in the Bible where angels play important roles in God's relationships with humankind. He provides Scriptures that will educate you on who these angels really are. You will learn the ranks and names of the angels, as well as those who have fallen. Battle also provides guidance in how to ask God to send angels to minister to you. He shares many of his experiences with angels, which will encourage and inspire you to believe. Angels Live among Us puts angels in their proper place in biblical history. Whether used for group Bible study, individual study, or seminars, it provides the opportunity to appreciate the roles angels played in Christianity and can play in your life.

A vision in a dream. A long-awaited healing. Protection from an accident waiting to happen. Angels Among Us is a collection of stories of everyday people -- little children, old women, young men, and more -- who had their lives stopped for a moment and redirected with a little help from above. Some came to help. Some to heal. Others stood as protectors and guardians. Some were prayed for and others showed up totally unbidden, but all were remembered by those whose lives were changed from a visit by their guardian angel. These inspiring stories will give you comfort and hope as you learn that you are seen, protected, and loved throughout each and every day.

Who Is Jesus? His name is recognized the world over. Christians claim to follow Him. Muslims honor Him as a prophet. And many Jewish rabbis regard him as a great teacher. Everyone knows about Jesus, but how many of us fully understand what He was like as a person? In Love Walked among Us, Paul Miller invites us to get to know Jesus, to observe his life and His love as they unfold in the Gospel narratives. The book investigates such questions as: How do you love someone when you get no love in return, only withdrawal or ingratitude? How do you love without being trapped or used by another person? How do you love when you have your own problems? When do you take care of yourself? When you are compassionate, people use you, but when you are honest, people get angry—so how do you love with both compassion and honesty? In every way, Jesus' life exemplifies the full potential of what we were intended to be. And

the better we know Him, the more we will be drawn to follow His perfect example.

'Peaceful' is the most common entry in the visitors' book of fifteenth-century St Michael's Church, with its glorious angel roof and its medieval Doom painting. But away from the church, and beneath the idyllic veneer, the tiny Norfolk village of Walston is anything but harmonious. The Rector's new bride, Becca Thorncroft, is receiving phone calls so unpleasant that her very sanity is at stake; and the newest residents of Walston, Gillian English and Lou Sutherland, are not exactly welcomed with open arms. Then sudden, gruesome death shatters any remaining semblance of serenity. Fortunately for Father Stephen Thorncroft, he is able to enlist the help of his friends Lucy Kingsley and David Middleton-Brown to unravel the tangled relationships and uncover the dark motivations of the villagers. As the investigation proceeds, they stumble on more than they'd bargained for. But it is not until a little girl goes missing that the final, deadly pieces fall into place in their search for the 'evil angels among them'.
