"As a mother of three, this book's practical road map for helping our kids learn independently is invaluable. This should be a must-read for all parents." --Jenna Bush Hager Drawing on extensive experience as classroom teachers and the directors of their highly regarded tutoring business, Abby and Brian address a range of common frustrations caused by homework. They answer the most pressing questions on every parent's mind: How much should I get involved, what does constructive help look like, and how can I help my child work independently? Taking the Stress out of Homework breaks down for parents exactly when and how to offer homework support. Whether your child's stress point is executive functioning--the ability to plan or organize--or a subject-specific struggle in math, reading, writing, or standardized test-preparation, Abby and Brian use real-life stories to provide individualized, actionable advice. At the center of Abby and Brian's philosophy is encouraging students to break free of the "let's get to the answer already so that we can be done with the assignment" mindset; they focus instead on a process-oriented approach that fosters engagement and self-sufficiency both in and out of school. Filled with expert tips about how to build executive functioning and content skills, Abby and Brian share stress-reducing best practices so homework not only supports what kids are learning, but also helps build confidence and skills that last a lifetime.

In 1951 Miami Beach, Florida was one of the most popular resort cities in America; the warm weather and tranquil beaches of this tropical paradise attracted thousands of winter visitors, mostly Jewish tourists who made the two day drive from New York. In addition, the resident population of this small island was primarily from New York. Thus, the city of Miami Beach was sometimes referred to as the SIXTH BOROUGH of New York. However, if you ventured off the island and crossed the beautiful expanse of Biscayne Bay you were in another world; you were in the deep south, where Jews were often envisioned as demons with horns, "colored" people were second class citizens, and racial laws were reminiscent of Nuremberg and Berlin. Myron Lindell was twelve when he moved from Chicago, where he was a secular Jew, barely aware of his religious or ethnic heritage. But, In Miami Beach, on a Jewish Island, he had an odd feeling ... he was "different." He "survived" the move by blending fantasy with reality, and if reality was more than he could handle, he escaped by writing adolescent observations in a journal, creating imaginative short stories and essays, which he rarely shared with anyone except his father, a few teachers, and a "street smart" female classmate. This compilation of memoirs is not a documentary; it is just a testimony to the value of simple memories. Too often, historians have forgotten the individual view, the poetic view, which might be closer to reality than the consensus.

Cathy Duffy draws upon her many years of home education experience, both in teaching and researching curriculum, to bring us the most thorough and useful book available on teaching teenagers at home.

In cities and fields, Mexican American men are leading lives of quiet desperation. In this collection of thirteen startling stories, Rigoberto González weaves complex portraits of Latinos leading ordinary, practically invisible lives while navigating the dark waters of suppressed emotion—true-to-life characters who face emotional hurt, socioeconomic injustice, indignities in the workplace, or sexual repression. But because their culture expects men to symbolize power and control, they dare not risk succumbing to displays of weakness. González shines an empathetic light into the shadows of Mexican culture to portray characters who suffer in silence—men both straight and gay who must come to terms with their grief, loneliness, and pain. By exploring the private moments of men trapped inside unforgiving stereotypes, he critiques long-held assumptions of Latino behavior. He shows us individuals who must break out of various closets to become fully realized adults, and makes us feel the emotional pain of men in a culture that recognizes only the pain and hardship of women. *Men without Bliss* conveys the silent suffering of all men, not just Latinos. It will open readers' eyes to unexpected facets of Latino culture, and perhaps of their own lives.
