Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to:

If, then, sound health is the foundation of success and happiness in life, how important it is that we should study the laws of health, which is but another expression for the laws of nature! The nearer we keep to the laws of nature, the nearer we are to good health, and yet how many persons there are who pay no attention to natural laws, but absolutely transgress them, even against their own natural inclination. We ought to know that the "sin of ignorance" is never winked at in regard to the violation of nature's laws; their infraction always brings the penalty. A child may thrust its finger into the flames without knowing it will burn, and so suffers, repentance, even, will not stop the smart. Many of our ancestors knew very little about the principle of ventilation. They did not know much about oxygen, whatever other "gin" they might have been acquainted with; and consequently they built their houses with little seven-by-nine feet bedrooms, and these good old pious Puritans would lock themselves up in one of these cells, say their prayers and go to bed. In the morning they would devoutly return thanks for the "preservation of their lives," during the night, and nobody had better reason to be thankful. Probably some big crack in the window, or in the door, let in a little fresh air, and thus saved them.

"Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. The road to wealth is, as Dr. Franklin truly says, "as plain as the road to the mill." It consists simply in expending less than we earn; that seems to be a very simple problem." PT Barnum

The book is packed with practical advice that we've heard before but need hearing again. Despite this, I struggled reading this book, because of the disconnect between what I was reading, and who Barnum was. He talks about valuing your customers, and operating with integrity, which are very good things. However, Barnum was a scam artist and hoaxer, who manipulated the people who came to see his shows. This book is written in the format of listing the golden rules for making money according to PT Barnum. There was a movie released recently called The Greatest Showman about PT Barnum's success. Even though the book is written from the perspective of an earlier time, the terminology was not difficult to apply to today. Before the "rules" are laid out, the introduction makes it sound simple and easy to make money. It says it's not difficult to make money and the road to wealth is plain. But it then explains that it's only easy for people who really understand economics. Examples were given of saving on many small expenses that make it feel like you are trying to save more money,

when many people that do that end up spending more on one thing that is something much more expensive that they could do without. The introduction also says that some of the worst reasons people spend more money than they have are due to what can be called sinful behaviors. They want to keep up with their neighbors and be seen as successful, or they have bad habits like tobacco that cost money and ruins their health, or they drink too much that not only cost money and ruins their health but also does not let them think clearly. The Art of Money Getting: Golden Rules for Money Making" written by P.T. Barnum, is a very noble, helpful and inspiring read, still until this day. Barnum is basically listing out the different ways he believes are helpful to not only getting but attaining money as well, while going into detail as how to do such. The way he gets his point across in the book is surprisingly relatable, often telling stories that almost anyone can relate to. His main point in regards to obtaining money is that there are a lot of ways in which one needs to be smart in how they go about and what they do with the money they receive. Barnum separates the topics in his book by stating exact phrases that coincide with what you should do with your money, such as "Avoid Debt", "Use The Best Tools", "Advertise Your Business", and "Preserve Your Integrity". It seems that in sectioning off his book in that way, he wanted to make it easier for people to find the section that best applies to the circumstance they are currently in.

A self-help guide in the form of a book, P. T. Barnum's 'The Art of Money Getting; Or, Golden Rules for Making Money' was first published in the year 1880.

The Art of Money Getting P. T. Barnum - Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. Yet I beg to say that perhaps more cases of failure arise from mistakes on this point than almost any other. The fact is, many people think they understand economy when they really do not. True economy consists in always making the income exceed the out-go. A penny here, and a dollar there, placed at interest, goes on accumulating, and in this way the desired result is attained. It requires some training, perhaps, to accomplish this economy, but when once used to it, you will find there is more satisfaction in rational saving than in irrational spending.

“The Science of Getting Rich” is a 1910 self-help book by American writer Wallace D. Wattles that concentrates on money and material wealth, exploring what it means, how it can be achieved, and its effect on one's life and happiness. Contents include: “The Right to be Rich”, “There is a Science of Getting Rich”, “Is Opportunity Monopolised?”, “The

First Principle in the Science of Getting Rich”, “Increasing Life”, “How Riches Come to You”, “Gratitude”, “Thinking in a Certain Way”, etc. Wallace Delois Wattles (1860–1911) was an American writer famous for his work based on New Thought and contributions to the self-help movement. His most famous book is “The Science of Getting Rich”, which offers guidance on how to become wealthy. Other notable works by this author include “Hellfire Harrison” (1910) and “A New Christ” (1903). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with an essay from “The Art of Money Getting” by P. T. Barnum.

The Greatest Showman in the History of the Universe reveals his secrets for accumulating vast sums of wealth so that anyone can follow his program and become rich. After a wonderful career in which he made and lost fortunes, captivated Kings and Queens, and used his genius, wit and eloquence, P.O. Barnum wrote these golden rules for making money. A highly entertaining and edifying book by one of the greatest showmen of all times - P.T. Barnum. In this book he gives a set of rules guaranteed to ensure success. It is simply amazing that these rules are as applicable today as they were in the 19th century. Barnum's colourful narrative adds special flavour to this must-have book.

“Sumptuously illustrated with reproductions of 50 paintings, this book celebrates the rich artistic legacy of American artist Mark Rothko” (Publishers Weekly). Mark Rothko’s iconic paintings are some of the most profound works of twentieth-century Abstract Expressionism. This collection presents fifty large-scale artworks from the American master’s color field period (1949–1970) alongside essays by Rothko’s son, Christopher Rothko, and San Francisco Museum of Modern Art curator of painting and sculpture, Janet Bishop. WINNER OF THE PULITZER PRIZE "The Goldfinch is a rarity that comes along perhaps half a dozen times per decade, a smartly written literary novel that connects with the heart as well as the mind....Donna Tartt has delivered an extraordinary work of fiction."--Stephen King, The New York Times Book Review Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by his longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into the underworld of art. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated

and in love--and at the center of a narrowing, ever more dangerous circle. The Goldfinch is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention, and the ruthless machinations of fate.

From New York Times bestselling author of POET X comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.

P. T. Barnum, the great American showman of the 19th century, wrote this short book about making and keeping money. He certainly had life experiences that qualify him for the subject--he started a small newspaper in his twenties, bought and transformed a museum into a showplace for curiosities, built a circus empire that gave performances in America and Europe, promoted a performing tour of a singer, fell into debt in the 1850s and pulled himself out by lecture tours, was a mayor, and founded a hospital.Excerpts:"Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. ... True economy consists in always making the income exceed the out-go."Unless a man enters upon the vocation intended for him by nature, and best suited to his peculiar genius, he cannot succeed. I am glad to believe that the majority of persons do find their right vocation. Yet we see many who have mistaken their calling..."His advice is indicated by the chapter titles:DON'T MISTAKE YOUR VOCATION,SELECT THE RIGHT LOCATION,AVOID DEBT,PERSEVERE,WHATEVER YOU DO, DO IT WITH ALL YOUR MIGHT,USE THE BEST TOOLS,DON'T GET ABOVE YOUR BUSINESS,LEARN SOMETHING USEFUL,LET HOPE PREDOMINATE, BUT BE NOT TOO VISIONARY,DO NOT SCATTER YOUR POWERS,BE SYSTEMATIC,READ THE NEWSPAPERS,BEWARE OF "OUTSIDE OPERATIONS",DON'T INDORSE WITHOUT SECURITY,ADVERTISE YOUR BUSINESS,"DON'T READ THE OTHER SIDE",BE POLITE AND KIND TO YOUR CUSTOMERS,BE CHARITABLE,DON'T BLAB,PRESERVE YOUR INTEGRITY.

Phineas Taylor "P. T." Barnum is best known for forming the circus that came to be known as The Greatest Show on Earth. A brash, larger-than-life entrepreneur, he transformed the nature of commercial entertainment in the nineteenth century, from his private museum of curiosities to his big-top extravaganzas. Towards the end of his illustrious career, the renowned showman shared the secrets to his success in *The Art of Money Getting* or, *Golden Rules for Making Money*. As relevant today as it was upon its publication, this guide to prosperity offers practical advice rather than get-rich-quick schemes. Barnum asserts that there are no shortcuts to affluence; instead, he stresses the importance of virtue as a foundation for wealth. His suggestions for the development of character and for cultivating habits that will insure financial security range from choosing the right vocation and avoiding debt to preserving integrity and maintaining courtesy. This book of timeless counsel from a legendary impresario will prove a helpful companion to readers wishing to make the most of their talents and opportunities.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by

the author.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Contained within this volume are two classics on the subject of acquiring wealth. Both books look at the subject from the perspective of the fundamental principles that exist for the successful creation of wealth and money making enterprises. At the same time both works seek to be practical guides to help readers figure out for themselves the way to generating a more financially rewarding lifestyle. The path to wealth begins with a shift in the way that you view your life and work and these two short works will greatly help all who read them on the way to not only a more financially rewarding life but an emotionally wealthy one as well.

I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

“Robert Wilson’s *Barnum*, the first full-dress biography in twenty years, eschews clichés for a more nuanced story...It is a life for our times, and the biography *Barnum* deserves.” —*The Wall Street Journal* P.T. Barnum is the greatest showman the world has ever seen. As a creator of the Barnum & Baily Circus and a champion of wonder, joy, trickery, and “humbug,” he was the founding father of American entertainment—and as Robert Wilson argues, one of the most important figures in American history. Nearly 125 years after his death, the name P.T. Barnum still inspires wonder. Robert Wilson’s vivid new biography captures the full genius, infamy, and allure of the ebullient showman, who, from birth to death, repeatedly reinvented himself. He learned as a young man how to wow crowds, and built a fortune that placed him among the first millionaires in the United States. He also suffered tragedy, bankruptcy, and fires that destroyed his life’s work, yet willed himself to recover and succeed again. As an entertainer, Barnum courted controversy throughout his life—yet he was also a man of strong convictions, guided in his work not by a desire to deceive, but an eagerness to thrill and bring joy to his audiences. He almost certainly never uttered the infamous line,

“There’s a sucker born every minute,” instead taking pride in giving crowds their money’s worth and more. Robert Wilson, editor of *The American Scholar*, tells a gripping story in *Barnum*, one that’s imbued with the same buoyant spirit as the man himself. In this “engaging, insightful, and richly researched new biography” (*New York Journal of Books*), Wilson adeptly makes the case for P.T. Barnum’s place among the icons of American history, as a figure who represented, and indeed created, a distinctly American sense of optimism, industriousness, humor, and relentless energy.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

*The Art of Money Getting: Golden Rules for Making Money* by businessman P.T. Barnum, gives advice on how to make money and live a financially stable life. A *New York Times* Bestseller A *Washington Post* Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR “A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we’ve all been doing it wrong for a long, long time.” —Elizabeth Gilbert, author of *Big Magic* and *Eat Pray Love* No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you’re not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren’t found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* "Trump makes one believe for a moment in the American dream again."—*The New York Times* "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—*Chicago Tribune* "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—*Boston Herald* "A chatty, generous, chutzpa-filled autobiography."—*New York Post*
