

Artist Management For The Music Business Paul Allen

The Live Music Business: Management and Production of Concerts and Festivals, Third Edition, shines a light on the enigmatic live music business, offering a wealth of inside advice and trade secrets to artists and bands looking to make a living in the industry. Previously published as The Tour Book, this new edition has been extensively revised, reorganized, and updated to reflect today's music industry. This practical guidebook examines the roles of the key players – from booking agents to concert promoters, artist managers to talent buyers – and the deals, conventions, and processes that drive this global business. Written by a touring professional with over 25 years of experience, this book elucidates why playing live is crucial to the success of any musician, band, or artist, explaining issues like: what managers, promoters, and agents do and how they arrange shows and tours; how to understand and negotiate show contracts; how to create a contract rider, and how the rider affects the money you earn from a show; how to appear professional and knowledgeable in an industry with its own conventions, language, and baffling technical terms; and a three-year plan using live performance to kickstart your music career. Intended for music artists and students, The Live Music Business presents proven live-music career strategies, covering every aspect of putting on a live show, from rehearsing and soundchecks to promotions, marketing, and

Where To Download Artist Management For The Music Business Paul Allen

contracts. In an era when performing live is more essential than ever, this is the go-to guidebook for getting your show on the road and making a living from music.

Research methods present the strategic management field with opportunities and challenges. This second volume describes challenges and opportunities inherent in particular content areas, examines key ontological and epistemological issues in the strategic management context and also describes how strategy researchers can use particular methods.

Law, taxes, and finances.

How Do I Promote My Music On A Small Budget? How Do I Get My YouTube Videos to Spread? How Do I Turn Casual Fans Into One's Who Buy From Me? How Do I Get Written About On Blogs? How Do I Increase Turnout At Shows? How Do I Make Fans Using Facebook, Twitter, Tumblr And SoundCloud? With every day that passes, the power the major labels once had dies a little more. The chance to get the same exposure as your favorite musicians gets easier and easier. The hurdles that would only allow you to get popular, if the right people said your music was good enough, are gone. You can now get exposed to thousands of potential fans without investing 1% of what musicians used to by building a fanbase based on listeners love for your music. No more writing letters hoping that A&R writes you back. This book explains how you do it. While many books will tell you obvious information, legal mumbo-jumbo and marketing catchphrases that don't help you get more fans. Our experience working with real bands -

Where To Download Artist Management For The Music Business Paul Allen

from upstarts like Man Overboard and Transit to legends like The Cure, The Misfits and Animal Collective, has led us to understand the insider tricks and ideas that go into some of the most important groups of our time. We produce records, do licensing deals, negotiate record contracts and get the musicians we work with written about on websites like Pitchfork and Vice. We have worked with bands who started off as nothing and became something. Unlike any other book written on the subject we have compiled the knowledge no one else has been willing to print in fear of obsoleting their own career. We give you thousands of ideas on how to get people to hear your music and turn them into fans who pay to support your music. Whether you are a label owner, musician, manager, booking agent or publicist there is information in this book that will help you do what you do better. Enjoy! For more information see GetMoreFansBook.com

Presents a comprehensive cultural, social and historical overview of post-war popular music genres, from rock 'n' roll and psychedelic pop, through punk and heavy metal, to rap, rave and techno.

According to Dr. Stephen Marcone, personal management is still the weakest link in a music business that operates by fragmenting its product. This comprehensive new edition: includes an updated recording agreement with current industry language and a sample merchandising agreement; takes into account the many changes in concert promotion; and features descriptions of new legal battles. Use this book as a helpful reference for: touring, publicity, contracts,

Where To Download Artist Management For The Music Business Paul Allen

marketing, trademarks, copyrighting, enhancing creativity and much more. "Straight-forward and up-to-date, this is an easy-to-understand and all-encompassing primer for aspiring bands and managers." - Walter O'Brien, Owner, Concrete Management, Inc. (manager of Pantera and others) Dr. Stephen Marcone is Director of Music Graduate Studies and Professor of Music at William Paterson University in Wayne, New Jersey.

Copiously researched and documented, Hit Men is the highly controversial portrait of the pop music industry in all its wild, ruthless glory: the insatiable greed and ambition; the enormous egos; the fierce struggles for profits and power; the vendettas, rivalries, shakedowns, and payoffs. Chronicling the evolution of America's largest music labels from the Tin Pan Alley days to the present day, Fredric Dannen examines in depth the often venal, sometimes illegal dealings among the assorted hustlers and kingpins who rule over this multi-billion-dollar business. Updated with a new last chapter by the author.

No one understands the music industry--from the technology, to the legalities, to the new industry practices--better than veteran music lawyer Donald Passman. In this completely revised and updated seventh edition of All You Need To Know About the Music Business, which the Los Angeles Times called "the industry bible" and which has sold hundreds of thousands of copies, Passman offers executives and artists, experts and novices alike the essential information they need not only to survive in these volatile and exciting times, but also to thrive. Drawing on his

Where To Download Artist Management For The Music Business Paul Allen

unique, up-to-the-minute experience as one of the most trusted advisors in the business, Passman offers advice concerning: - The Copyright Royalty Board's latest decisions regarding online transmissions. - The developing new customs concerning new technologies such as streaming on demand, ringtones, and digital downloads. Passman also gives guidance on other fundamental issues such as how to: - Select and hire a winning team of advisors--personal and business managers, agents, and attorneys--and structure their commissions, percentages, and fees in a way that will protect you and maximize these relationships. - Master the big picture and the finer points of record deals. - Navigate the ins and outs of songwriting, music publishing, and copyright law. - Maximize concert touring and merchandising deals. Almost everyone in the music business, from musicians and songwriters to entertainment lawyers and record company executives, are scrambling to sort out what is going to happen next, and Passman is right in the thick of these changes. Here is a book for anyone interested in a music career: a comprehensive and crucial guide to making it in one of the world's most dynamic industries.

As a constantly evolving and developing industry, the music business environment continues to establish new standards in terms of operational efficiency, dynamics between the different parties involved in the professional cycles, and constructing and performing methodologies in the process of achieving the desired results that all the participants in the music world have to adapt to in order to establish a sustainable career. Hence, the main

Where To Download Artist Management For The Music Business Paul Allen

purpose of this book is to provide practical advice suitable to both aspiring music professionals and artists that need detailed guidance in the process of developing the basis of a fruitful, promising, and sustainable profile, not only in terms of business performance, but psychologically as well.

Independent Artistry is a how-to book for aspiring music artists pursuing a career in the entertainment industry independently. After reading this book, artists gain the know-how of establishing a music career by applying the fundamentals of: Songwriting, Brand Development, Copyright Law, Trademark Law, Business Incorporation, Business Finances, Small Business Taxes, Artist Management, Music Publishing, and Music Distribution - the 10 skills of Independent Artistry.

Managing Your Band is the go-to guide for artist management in the new music industry, providing tools for success to students and musicians, including independent artists taking the DIY route. This seventh edition includes updated information on the 21st-century DIY manager, live ecosystems, social media, and impacts of Covid-19 on the industry.

(Berklee Press). For unsigned musicians, it is vital to long-term success to sign a contract with a record label. However, preparing your music, targeting a label, and getting your demo into the hands of someone who will listen is challenging, if you don't know where to start. *Getting Signed!*, by record industry veteran George Howard, guides you through the maze of today's music industry, and will help you move your demo to the top of the stack. Even if you are not yet ready for a record deal, it will help you assemble a team that will make sure your music gets heard by as many people as possible. "The next time an aspiring recording artist comes to us for advice, we'll advise them to read this book first. George Howard really knows what he's talking about." Chris Franz and Tina Weymouth, members of Talking Heads and Tom Tom Club

Artists are creative workers who drive growth in the creative and cultural industries. Managing artistic talent is a unique challenge, and this concise book introduces and analyses its key characteristics. *Artist Management: Agility in the Creative and Cultural Industries* makes a major contribution to our understanding of the creative and cultural industries, of artistic and managerial creativities, and of social and cultural change in this sector. The book undertakes an extensive exploration of the increasingly pivotal role of artist managers in the

Where To Download Artist Management For The Music Business Paul Allen

creative and cultural industries and argues that agile management strategies are useful in this context. This book provides a comprehensive and accessible account of the artist–artist manager relationship in the twenty-first century. Drawing from research interviews conducted with artist managers and self-managed artists in five cities (New York, London, Toronto, Sydney and Melbourne), this book makes an original contribution to knowledge. Nation-specific case studies are highlighted as a means of illuminating various thematic concerns. This unique book is a major piece of research and a valuable study aid for both undergraduate and postgraduate students of subjects including arts management, creative and cultural industries studies, arts entrepreneurship, business and management studies and media and communications.

"Learn to: navigate the music business to pursue a successful and sustainable career; follow a plan that builds your success, one step at a time; create a brand that stands out to fans and industry professionals; understand music publishing, contracts, copyrights, and licensing"--Cover.

The Insider's Guide to Making Money in the Music Industry. Millions dream of attaining glamour and wealth through music. This book reveals the secrets of the music business that have made fortunes for the superstars. A must-have for every songwriter, performer and musician.

Artist Management for the Music Business
CRC Press

Where To Download Artist Management For The Music Business Paul Allen

The authoritative, standard reference on artist management in the music industry expands its insights even further in this updated edition, formerly titled *Successful Artist Management*. Earning accolades for years, including ASCAP's prestigious Deems Taylor Award for books on the industry, this vital reference keeps pace in its third edition with the demands of the ever-changing musical entertainment field. Emphasizing that, despite the glamour of the industry, artist management is still subject to the solid rules that govern all good business practice, the authors include interviews with top record executives; coverage of new forms of business, such as the limited-liability company; and updates on the legal framework of the music industry. Professional and aspiring managers and career-minded performers will find guidance on topics like: -- establishing the artist-manager relationship and contract -- setting up the artist's career plan and image formation -- choosing attorneys, accountants, and business advisors -- forming development teams for various performance media -- handling success, money management, and moving toward stardom.

"Anyone managing an artist's career needs to be well versed and have a savvy understanding of the moving parts of the music business. Learn how and why those moving parts "move," as well as how to manage and navigate a music-based career. Artist

Emily White has been at the forefront of the modern music industry throughout her career. In this book, she shares her wisdom for all musicians who want access to this information. White feels that the modern music industry is rarely, if ever, presented in order - from creation to execution or recording to release. For the first time, White has penned all of her best practices and advice for musicians looking to build a long-term career into a single book, while ensuring they aren't missing any funds owed to them along the way. As an entrepreneur, manager and consultant, White has navigated countless new platforms for musicians and presents the findings in a methodical and step by step manner. This book shows musicians how to build a career from day one, as well as how to get your career organized moving forward if it isn't your first rodeo. *Early Praise for How to Build a Sustainable Music Career and Collect All Revenue Streams*: "A must-read for anyone launching a career in music or the music

Where To Download Artist Management For The Music Business Paul Allen

industry." -Hypebot "Few people I know have the experience, savvy and aptitude that Emily White brings to the table, and to a book this necessary and important, especially as this new music ecosystem really starts to take flight. So to all the artists & entrepreneurs looking to be students of the game and makers of the money, not just the music - get the book, get your mind right, and go get your hustle on." -Amaechi Uzoigwe, Manager of Run The Jewels, Founder of FourM Arts & Science "A concise and current guide to getting your ducks in a row from the woman who is steadily helping me row my ducks." -JULIA NUNES, Musician & Songwriter "In today's world, you gotta build your own career from the ground up, Emily's book gives you an excellent road map to do that." -Donald S. Passman, Author of All You Need to Know About the Music Business "Emily White continues to show the music business that having a good foundation is fundamental to success. No short cuts!" -Kevin Lyman, Warped Tour Founder & USC Professor Emily White is an entrepreneur and Founder at Collective Entertainment and #iVoted. White's career spans the entertainment industry, always putting artists and talent first, while taking care of fans a very close second. Her name graced the cover of Billboard magazine while in her 20's, with White's work additionally covered by Forbes, Fast Company, Bloomberg, Rolling Stone, CNN, Fox Business, Vox,

White is an Adjunct Professor at New York University's Clive Davis Institute of Recorded Music in Tisch School of The Arts. With the evolution of the music business and the shifting influence of large record labels, the artist manager is now – more than ever – at the center of an artist's career. Artist managers are tasked with keeping abreast of the music industry and supporting the artists under their management while simultaneously managing their own careers. Including key industry insights, exclusive planning guidance, management tools, and strategies for a successful career, *Artist Management for the Music Business* has the tools to support any new or experienced artist manager. Through its analysis of over a dozen case studies, lessons, and contract

Where To Download Artist Management For The Music Business Paul Allen

examples, author Paul Allen provides a focused look at managing artists' careers. This follow-up to the best-selling second edition features a new chapter on entrepreneurship including detailed information on how to run an artist management enterprise as a business and includes coverage of anticipating risks, reacting to challenges, and basic money management. The chapter also contains additional sections on the effective use of social media, the Web, and handling online promotion. For additional resources, visit the book's website at www.artistmanagementonline.com.

This guide is designed for musicians and music professionals who wish to hone their knowledge of the music business. It is intended as a practical tool to help composers, performers and all those involved in the music world get into the specifics of the management of their intellectual property rights. The guide aims to provide instructive advice on how to build a successful career in music in both developed and developing countries, by generating income from musical talent.

Record Label Marketing, Third Edition is the essential resource to help you understand how recorded music is professionally marketed. Fully updated to reflect current trends in the industry, this edition is designed to benefit marketing professionals, music business students, and independent artists alike. As with previous editions, the third edition is accessible for readers new to marketing or to the music business. The book addresses classic marketing

Where To Download Artist Management For The Music Business Paul Allen

concepts while providing examples that are grounded in industry practice. Armed with this book, you'll master the jargon, concepts, and language to understand how music companies brand and market artists in the digital era.

Features new to this edition include: Social media strategies including step-by-step tactics used by major and independent labels are presented in a new section contributed by Ariel Hyatt, owner of CYBER PR. An in-depth look at SoundScan and other big data matrices used as tools by all entities in the music business. An exploration of the varieties of branding with particular attention paid to the impact of branding to the artist and the music business in a new chapter contributed by Tammy Donham, former Vice President of the Country Music Association. The robust companion website, focalpress.com/cw/macy, features weblinks, exercises, and suggestions for further reading. Instructor resources include PowerPoint lecture outlines, a test bank, and suggested lesson plans.

The fully revised Second Edition is here. New examples have been added to better reflect the present time. Also, as a main focus, strategic thinking, the ability to create long-term plans and how to prepare for this in everyday activities are also present in this book. Understanding the importance of strategy is the basis for rational advancement. In the music business - strategies are not always perceptible. They are multi-layered, long-lasting, but also instantaneously effective. The ultimate goal often transpires along the way. In order to understand tactics, one has to read between the lines. The reason why different pre-conditions and industrial expectations must always be taken into account is due to conflicts between artistic and economic goals. An artist's progress often depends on their interest groups' comfort to these aspects and is about maintaining the balance between business objectives and the artist's story. This book deals

Where To Download Artist Management For The Music Business Paul Allen

with factors affecting strategy and how it relates to the artist and their management. Although viable passive income generation in the streaming era is what is most sought after, no other aspect, including social media capital, should be ignored, as it is often even more important. All this has an impact on how an artist succeeds in other music business areas. This book illustrates the current state of things in light of new opportunities. 'Strategy' is the final chapter of The Essence of the Music Business Trilogy from Mika Karhuraa. This authoritative reference on artist management in the music industry is the standard for all phases of managing a musician's career from both the artist's and manager's point of view. This substantially updated edition covers the major changes that have transformed the business world and music industry over the past six years. Particular emphasis is given to the impact of the Internet, including the MP3 controversy and its lingering ramifications, copyright licensing on the Web, navigating trade identity issues on the Net, domain names, and the high-tech fight against cyberpiracy. Included are real-world examples-as well as new interviews with top booking agents, personal managers, concert promoters, record company executives, road managers, and artists. • For aspiring and professional managers in the music/entertainment field as well as musicians, music publishers, and record company personnel • Winner of the prestigious ASCAP Deems Taylor Award for excellence in music publishing • This replaces 0-8230-7705-5, which sold more than 25,000 copies

Are you struggling to get your music heard? Have you ever felt lost or directionless on how to manage your career? Inside "Music Management for the Indie Artist", you'll discover: How to gain a crystal-clear vision of your future in music. The single most important thing you can do to start getting calls from music managers. Why you need a business and marketing plan and how to write it. How to protect yourself from falling victim to unscrupulous managers. What music management is all about and why it pays to self-manage your career. Whether you just released your first song or are a seasoned musician ready to take your music career to the next level, this book is for you. You should already know how to manage your music career before you decide to get a manager. Because only then will you be perceived as desirable to work with. But the sad thing is...

Where To Download Artist Management For The Music Business Paul Allen

most artists have no clue when it comes to the most important aspects of managing a music career. Many artists think they just have to get their music heard to be successful. Believe it or not, that's really just the tip of the iceberg. If you believe you can carve out a successful music career all on your own - without any help, you are basically committing career suicide. You need to find others who have made it and follow in their footsteps. But if you don't know how to get (and deal) with a manager, you might find yourself getting ripped off. Simply put... Most indie artists don't have a real strategy for building a successful music career. Many struggle for years going nowhere, achieving nothing... and end up returning to (or staying stuck at) an unfulfilling day job barely earning enough money to support themselves and their family living a life of quiet desperation with their hopes and dreams crushed. It's a terrible thing to see! But we've got good news for you... You do not have to end up like most struggling artists because for the first time ever, we've together the ultimate roadmap to help you take control of your own music career. And guess what? It's going to help you look INFINITELY more attractive to any potential manager. This is a complete, step-by-step 228 page blueprint which contains a "treasure trove" of the best kept marketing & business secrets for indie musicians, artists and bands who want to start managing their music career like a pro, become a music phenomenon and attract a top music manager.

(Book). Making it in music has never been easy, but today it's harder than ever before. The digital age has dawned and, with it, the music biz has wholly merged with the entertainment industry. Up-and-comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager,

Stephen Marcone and David Philp's *Managing Your Band Artist Management: The Ultimate Responsibility* can help you keep your shirt and maybe just maybe make a buck, all for less than the price of a decent dinner. Now in its sixth edition, *Managing Your Band* has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marcone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation with record labels. John Butler, Vice President of Promotion at Curb, believes that "Marcone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry." Paul Sinclair, the EVP of Digital Strategy & Innovation at Atlantic, attests that "the 6th edition of *Managing Your Band* provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well and you have a better shot of finding success with your musical art." Joe Riccitelli, the EVP/GM of RCA, considers the book "a must for new and established managers who may need a brush-up on topics they have forgotten," as "Stephen's & David's vast experience pays off in the 6th edition." Hell, this is "the only book" music mogul Harvey Leeds "took to Israel to teach the Israelis about the international music and entertainment business!" In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: "I wish I had something like this when I was starting out!" What more can we say? Pick up the latest edition of

Five Star Music Makeover is a complete and practical career guide a resource that transforms artists from good to great.

Hailed as an “indispensable” guide (Forbes), *How to Make It in the New Music Business* returns in this extensively revised and expanded edition. When *How to Make It in the New Music Business* hit shelves in 2016, it instantly became the go-to resource for musicians eager to make a living in a turbulent industry. Widely adopted by music schools everywhere and considered “the best how- to book of its kind” (Music Connection), it inspired thousands to stop waiting around for that “big break.” Now trusted as the leading expert for “do it yourself” artists, Ari Herstand returns with this second edition, maintaining that a stable career can be built by taking advantage of the many tools at our fingertips: conquering social media, mastering the art of merchandising, embracing authentic fan connection, and simply learning how to persevere. Comprehensively updated to include the latest online trends and developments, it offers inspiring success stories across media such as Spotify and Instagram. The result is a must- have for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry.

Managing Your Band is the go-to guide for artist management in the new music industry, providing tools

Where To Download Artist Management For The Music Business Paul Allen

for success to students and musicians, including independent artists taking the DIY route. This seventh edition includes updated information on the 21st-century DIY manager, live ecosystems, social media, and impacts of COVID-19 on the industry.
