This title is suitable for a variety of courses including: - AQA: The Birth of the USA, 1760-1801 - OCR: The American Revolution 1740-1796

Ace your next history test with this concise, easy-to-read guide U.S. History for Dummies, 3rd Edition fills the need to improve high school proficiency in history by providing a complete history of the United States, presented in an accessible, reader-friendly format designed to engage students while reinforcing lessons learned in class. The National Assessment of Educational Progress 2011 report showed that only 12% of high school seniors in the U.S. perform at a "proficient" level in history. This, coupled with the fact that U.S. History courses and AP exams have been redesigned to remedy the situation, means that many students and parents are in need of a supplemental study guide. Award-winning political journalist and history writer Steve Wiegand guides you through the events that shaped our nation, from pre-Columbian civilizations to the 21st century. The explorers, the wars, the leaders, and the eras are all fully explored and explained, demonstrating how the past influences the future. From the Boston Tea Party to the current Tea Party, the updated 3rd edition includes information about events that have occurred since the previous edition's 2009 release. New coverage includes: Recession recovery, including federal efforts, unemployment, and the widening class divide The rise of the extreme right and the bitter divisions between political parties and geographic regions Seeking the balance between superpower and domestic caretaker The impact of social media, government surveillance, and cyber crime Not all history is old news, and what happened yesterday affects us all today. It is vitally important that all U.S. citizens are well-versed in the building of our nation, and remain aware of current events. For students and parents wondering what they've missed, U.S. History for Dummies, 3rd Edition unlocks the door to the past—and the future.

A new series of bespoke, full-coverage resources developed for the AQA 2015 A/AS Level History. Published by OpenStax College, U.S. History covers the breadth of the

chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Retaining well-loved features, this book covers in breadth issues of change, continuity, and cause and consequence in this period of American history through key questions such as how did the role of the USA in world affairs change, and how united was the USA during this period?

AS Level History - USA in Asia Unit 1 D6 Complete Revision & Practice

In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

Endorsed for Edexcel Enable your students to develop high-level skills in their Edexcel A level History breadth and depth studies through expert narrative and extended reading, including bespoke essays from leading academics - Build a strong understanding of the period studied with authoritative, well-researched content written in an accessible and engaging style - Ensure continual improvement in students' essay writing, interpretation and source analysis skills, using practice questions and trusted guidance on successfully answering exam-style questions - Encourage students to undertake rolling revision and self-assessment by referring to end-of-chapter summaries and diagrams across the years - Help students monitor their progress and consolidate their knowledge through note-making activities and peer-support tasks - Provide students with the opportunity to analyse and evaluate works of real history, with specially commissioned historians' essays and extracts from academic works on the historical interpretations

This series is for the Cambridge International AS History syllabus (9489) for examination from 2021. Written by an experienced author team that includes examiners, a practising teacher and trainers, this coursebook supports the Cambridge International AS History syllabus. With increased depth of coverage, this coursebook helps build confidence and understanding in language, essay-writing and evaluation skills. The coursebook also develops students' conceptual understanding of history with the five new 'Key concepts'. In addition, it encourages individuals to make substantiated judgments and reflect on their own learning. Students can also consolidate their skills through exam-style questions with source material and sample responses.
