

Asha Kaul Effective Business Communication

A compendium of over 50 scholarly works on discourse behavior in digital communication.

Business Communication 2e provides comprehensive and in-depth coverage of the concepts and key applications of business communication. The second edition of this text for management students has been revised to reflect recent changes in the business environment and the needs of students.

A comprehensive text based on the results of a scientific analysis of the communication needs of professionals. The book is divided into six sections covering all the aspects of the subject, including basics of communication, English language, listening, speaking, reading, and writing skills. Furthermore, topics such as role of creative and critical thinking for effective communication, inter-cultural communication, developing extempore and story-telling skills, and writing and giving instructions have been included in this revised edition. Due to its exhaustive coverage and practical approach, this textbook is suitable for both students and professionals.

Designed to respond to the growing needs of professionals and those in the academia, this book is a comprehensive, step-by-step guide to making effective presentations. Written in a clear, accessible style, the author provides a friendly approach to a process that is often a nerve-wracking task for many. The author discusses how to plan presentations across disciplines,

Read PDF Asha Kaul Effective Business Communication

their delivery and aesthetics, and helpful tips throughout. With a multi-level focus, it also includes sections on: —choosing the right content and then sequencing it logically for maximum impact —duration of the presentation, ideal size of the audience and their level of understanding and knowledge base —presentation delivery, styles of communication, writing tips and the use of PowerPoint and video conferencing —audience interaction —strategies to avoid common pitfalls

Today, the need for communication skills has become more important than ever before. Communication plays a vital role — be it the preparation one has to do to face an interview or deal with diverse business deals, or interacting with colleagues, superiors, and others. The Second Edition of this text, based on the feedback received from the readers, continues to highlight the vital skills one needs for effectively communicating in diverse situations. Divided into five parts, the text shows the power of three V's of communication — the verbal, the visual and the vocal, examining at the same time the role of formal and informal communication methods, and stressing the significance of grapevine in organizations. It also demonstrates how important listening is, and the basic skill-sets needed by a manager for business dealings. Further, the text gives the nuances of verbal communication and the factors necessary for preparing a presentation besides giving a comprehensive view of non-verbal communication. It highlights the role of written communication, the importance of business writing, the formats of business letters, memos, and report writing, and how flawed thinking impedes written communication.

Read PDF Asha Kaul Effective Business Communication

The text concludes by emphasizing the crucial role played by corporate communication in enhancing an organization's image. What's New to This Edition : New concepts such as Fog Index/Readability Index, Business Terms, Acronyms, Abbreviations, e-mail Etiquette, Virtual Team Skills, and Social Skills. Many exercises and other inputs. Written in a clear and straightforward style and in a student-friendly fashion, this concise and compact text is intended both for students of management and for young executives and managers. ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices,

Can leadership lessons be learnt from the Mahabharata? Demystifying Leadership positively asserts that we can and probes inquiry in the lives of six characters-Bhishma, Ashvatthama, Karna, Shakuni, Kunti and Krishna. It studies these characters in inescapable situations as they navigate through life by demonstrating values, decision-making ability, integrity and principles. Within the given constraints, some of these characters swim and rise, while others sink in moral turpitude.

Extrapolating these successful and not-so-successful character traits to corporate leaders and linking them to scholarship, the authors provide lessons for leaders and managers operating in diverse situations. Borrowing from different disciplines, such as literature, philosophy, politics and psychology, Demystifying Leadership proposes to link essentials of leadership in the form of a Leadership Triangle comprising six levels: positive personality, peace with personal identity, purpose, positive use of power and politics, paradoxical leadership and principled pragmatism. It takes a grounded approach in amalgamating mythology and leadership through scholarship and practice.

This textbook has been comprehensively written to acquaint the students with the fundamental concepts of sociology as well as provide an introduction to the diverse field of sociology. Students will be introduced to the origins of sociology as a discipline and would get

Read PDF Asha Kaul Effective Business Communication

acquainted with relevant topics such as inequality, institutions, control, change, disorganisation & problems in the society. Topics such as applied sociology and social thought have also been provided to give a complete overview of the subject. This textbook not only caters as a primary text to the undergraduate students of Sociology but is also a useful reference for postgraduate students and aspirants appearing for various competitive examinations.

Business Communication: Connecting at work is a comprehensive textbook designed especially for the post graduate students of business management. It takes a practice oriented approach to explain the core concepts of business communication with the help of examples, case studies, exhibits and illustrations.

Communicating a message effectively needs precision—be it verbal or non-verbal. At the professional front, the accuracy of the message to be shared becomes all the more important as the business decisions may depend on the same. This book, in its second edition, continues to detail on the pre-requisites of communicating effectively in the corporate environment and generally. Beginning with an overview of business communication, the book educates on the principles of communication—oral and written. Divided into nine chapters, the first two chapters deal with oral communication and the next seven deal with different forms of written communication. The book teaches how to write effective letters and prepare persuasive resumé. The chapters are well-supported with many examples and illustrative exhibits wherever required. A new

Read PDF Asha Kaul Effective Business Communication

chapter (Chapter 9) has been added titled 'Writing to Communicate' which presents incorrect use of language and phrases that rob the text, be it a report or a letter, of authenticity and credibility. The chapter also presents correct use of the examples and the rationale or logic in the form of explanations. Designed as a textbook for the management students, this book would be equally useful for the management professionals and executives. Key features

- Observes a simple pattern of Read-Comprehend-Test-Follow
- Discusses strategies for identification and improvisation of communication skills (both oral and written)
- Provides numerous examples and illustrations that facilitate proper grasp of the topics discussed.

The book in its tenth edition has been thoroughly restructured and revised. All the chapters of the present edition have been re-written not only to incorporate the latest developments in management but also to make presentation of subject-matter more lucid and crisp. Chapter 3 of the previous edition (Managers and Environment) has been named as Management Challenges and Opportunities in the present edition so that proper focus is put on these issues. Thus, the present edition is ideally suited to management students as well as management practitioners, particularly those who have not gone through formal management education.

Business communication has undergone a major change in the past few years but the basic concepts remain the same. This book integrates the age-old concepts of communication with the new-age concepts thereby

Read PDF Asha Kaul Effective Business Communication

providing a seamless equilibrium of conceptual and practical aspects of the subject. Written in an anecdotal style, the book does not only impart knowledge but also makes for a very interesting read. This approach helps in learning and retaining the concepts.

Effective communication is the foundation of sound management. Regardless of the size of the business we are in - a multinational company, a medium enterprise or a small-scale industry - effective communication skills are always needed for success. This comprehensive book dwells onto all aspects of business communication which helps to attain success in a business. This book is organized in three sections. Section-I (Basics of Communication) details on how messages in business should be conveyed clearly and unambiguously through various models of communication. It further explains that a message when communicated effectively can help in selling the concept, goods, products or services more conveniently and effectively. Section-II (Oral and non-verbal communication) elucidates that besides verbal communication, non-verbal communication such as gestures, postures, dressing and hair style also plays an equal and important role in imparting messages in a corporate environment. Section-III (Written communication) details on the factors which help to enhance the business writing abilities (letters and memos). Besides, the book teaches various other aspects of business communication like how to prepare for an interview, how to conduct a meeting and also how to draft an impressive resume. Primarily intended for the postgraduate students of management, the book is

The U.S. Census Bureau has reported that 56.7 million Americans had some type of disability in 2010, which represents 18.7 percent of the civilian noninstitutionalized population included in the 2010 Survey of Income and Program Participation. The U.S. Social Security Administration (SSA) provides disability benefits through the Social Security Disability Insurance (SSDI) program and the Supplemental Security Income (SSI) program. As of December 2015, approximately 11 million individuals were SSDI beneficiaries, and about 8 million were SSI beneficiaries. SSA currently considers assistive devices in the nonmedical and medical areas of its program guidelines. During determinations of substantial gainful activity and income eligibility for SSI benefits, the reasonable cost of items, devices, or services applicants need to enable them to work with their impairment is subtracted from eligible earnings, even if those items or services are used for activities of

daily living in addition to work. In addition, SSA considers assistive devices in its medical disability determination process and assessment of work capacity. The Promise of Assistive Technology to Enhance Activity and Work Participation provides an analysis of selected assistive products and technologies, including wheeled and seated mobility devices, upper-extremity prostheses, and products and technologies selected by the committee that pertain to hearing and to communication and speech in adults.

This book which is an introduction to Business communication covers the theoretical aspects of undergraduate and postgraduate students of different universities. It covers all the aspects in a simple manner with the practical case studies. It covers various topics such as organizational communication, types of communication, external and internal business corresponds along with case studies and activities. This text clearly explains how to do communication in present business scenario in a step wise manner. A sufficient care is taken to keep the book simple. Any reader can clearly understand the concepts without many difficulties. Some error might have been there and the publisher or author is not liable for the damage caused if any. In some concepts, the case studies and activities are imaginary in nature and do not mimic any real time entities. This book is very useful for management and commerce students of both undergraduate and postgraduate level. A sample paper has been solved to help the students to understand the concepts better and present them effectively in their writing. We are always

open for your suggestion and comments for further improvements of this book.

Corporate Reputation Decoded is the first book of its kind that traces the journey of Indian companies in building corporate reputation (CR). The book addresses CR in the Indian context and is in response to the growing interest of companies in this area. The book explains the process of building, maintaining and strategising for CR. It also discusses various aspects of CR—company's stakeholders, situations demanding CR interventions, and the impact of a company's culture, ethics and leadership on its CR. The book expounds on these using Indian cases (Tata, Infosys, HUL, Reliance, Aditya Birla Group, HDFC, among others), which enhance the understanding of CR in India as well as benchmark CR best practices in India. The book is of major significance to CR practitioners, scholars, teachers, students and C-Suite professionals who will also find the techniques proposed in the book interesting as they can assess, evaluate, adopt and adapt strategies followed by other companies for reputation enhancement.

Diversity, inclusivity, and gender mainstreaming have today become the buzzwords in the corporate arena and civil society. The reason is increased business requirement for diverse competencies and skill sets. Hence, the need to have a mixed gender group has become a business imperative. Furthermore, there is heightened awareness that women are equally competent and talented, if not more, than men in various professional jobs. With increasing job opportunities,

Read PDF Asha Kaul Effective Business Communication

tapping and retaining this talent through initiation of various programmes within organizations has shown positive results. *New Paradigms for Gender Inclusivity : Theory and Best Practices* scripts some of the practices, in the form of case studies, which organizations have followed to enhance gender inclusiveness. These real-life case studies highlight the role played by organizations in facilitating the progression of women which indirectly has helped in their growth, development and recognition of being a forerunner in promoting diversity. The book is divided into three parts. Parts I and III begin with a theoretician's perspective on gender inclusiveness and gender mainstreaming in India, respectively and close with an academic detailing on reasons and causes for the same. Statistical data and models in the last chapter for the two parts validate the corporate, governmental and civil society attempts at introducing creative yet simple methodologies to make gender diversity and inclusion a reality in the workplace. In Part I, six case studies on the following companies: Broadridge, IBM Daksh, Infosys, Shell India, Jamshedpur Utilities and Services Company Ltd.: A Tata Enterprise, and Wipro have been presented which discuss the need for gender diversity and inclusiveness, drivers and barriers, and showcase measures adopted to overcome those barriers. Five cases: SEWA, Indian Police, Sakti, Indian Railways, and RUDI have been presented in Part III which highlight tasks accomplished by women in their area of expertise, marketing strategies adopted by the civil society to promote goods produced by women, sensitization workshops to address

Read PDF Asha Kaul Effective Business Communication

harassment, and training workshops. Part II (Interlude) is a break from organizational cases and shares some experiences, angst, insights and observations on gender diversity and inclusion through a narration, a poem and a reflective piece. This book on case studies will be extremely useful for postgraduate students pursuing gender studies in Management Institutes, students working on gender related dissertation topics and corporate houses keen to learn from best practices of other organizations. Additionally, it would benefit readers who wish to learn about organizational policies and practices for gender inclusivity.

Do systems have souls? This book, based on a popular elective at IIM Ahmedabad, looks for answers in the hard trade-offs inherent in the design of operating systems and business models. It encourages business leaders to ask two different sets of existential questions: Does the organization that I am managing have a soul, and if so, what are the strategic choices that enable its synthesis (external orientation)? And, do I have a soul, and if so, who am I (internal orientation)? In the process, it uncovers a beauty inherent in patterns of strategic choices that enables an organizational soul to emerge, and an appreciation of the diversity of such souls.

With the latest insights from the world of communication studies into the nature of corporate reputation, this new addition to Wiley-Blackwell's series of handbooks on communication and media reflects the growing visibility of large businesses' ethical profiles, and tracks the benefits that positive public attitudes can bring. Serves as the definitive research collection for a fast-growing

Read PDF Asha Kaul Effective Business Communication

field featuring contributions by key international scholars Brings together state-of-the-art communication studies insights on corporate reputation Identifies and addresses the lacunae in the research literature Applies new theoretical frameworks to corporate reputation Although literature on corporate social responsibility is vast, research into the use and effectiveness of various communications through digital platforms about such corporate responsibility is scarce. This gap is surprising; communicating about corporate social responsibility initiatives is vital to organizations that increasingly highlight their corporate social responsibility initiatives to position their corporate brands for both consumers and other stakeholders. Yet these organizations still sometimes rely on traditional methods to communicate, or even decide against communicating at all, because they fear triggering stakeholders' skepticism or cynicism. A systematic, interdisciplinary examination of corporate social responsibility communication through digital platforms therefore is necessary, to establish an essential definition and up-to-date picture of the field. This research anthology addresses the above objectives. Drawing on marketing, management, and communication disciplines, among others, this anthology examines how organizations construct, implement, and use digital platforms to communicate about their corporate social responsibility and thereby achieve their organizational goals. The 21 chapters in this anthology reflect six main topic sections: Challenges and opportunities for communicating corporate social responsibility through digital platforms. Moving toward
