In this #1 New York Times bestselling follow-up to True Believer, a young couple's love faces the ultimate test when the past disrupts the life and family they've built together. There are a few things Jeremy Marsh was sure he'd never do: he'd never leave New York City; never give his heart away again after barely surviving one failed marriage; and, most of all, never become a parent. Now, Jeremy is living in the tiny town of Boone Creek, North Carolina, married to Lexie Darnell, the love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old

wounds and sets off a chain of events that will forever change the course of this young couple's marriage. Dramatic, heartbreaking and surprising, this is a story about the love between a man and a woman and between a parent and a child. More than that, it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it. While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in *True Believer* and will delight fans of that novel, it stands on its own as one of Nicholas Sparks's most deeply moving love stories.

Visiting Nantucket for the summer, three women seek peace and comfort as they cope with the challenges in their lives — from marriage, infidelity, and the mayhem of motherhood to scandal, tragedy, and illness. Three women — burdened with small children, unwieldy straw hats, and some obvious emotional issues — tumble onto the Nantucket airport tarmac one hot June day. Vicki is trying to sort through the news that she has a serious illness. Her sister, Brenda, has just left her job after being caught in an affair with a student. And their friend Melanie, after seven failed in vitro attempts, is pregnant at last — but only after learning that her husband is having an affair. They have come to escape, enjoy the sun, and relax in Nantucket's calming air. But into the house, into their world, steps twenty-two-year-old Josh Flynn. Barefoot weaves these four lives

together in a story with enthralling sweep and scope — a novel that is as fun and memorable and bittersweet as that one perfect day of summer. Part love story and part ghost story, this is an unforgettable New York Times bestseller about a science journalist and a North Carolina librarian who dare to believe in the impossible. As a science journalist with a regular column in *Scientific American*, Jeremy Marsh specializes in debunking the supernatural-until he falls in love with the granddaughter of the town psychic. When Jeremy receives a letter from Boone Creek, North Carolina, about ghostly lights appearing in a cemetery, he can't resist driving down to investigate. Here, in this tightly knit community, Lexie Darnell runs the town's library. Disappointed by past relationships, she is sure of one thing: her future is in Boone Creek, close to all the people she loves. From the moment Jeremy sets eyes on Lexie, he is intrigued. And Lexie, while hesitating to trust this outsider, finds herself thinking of him more than she cares to admit. Now, if they are to be together, Jeremy must do something he's never done before—take a giant leap of faith.
