Understanding the rewards of a lifelong commitment to Christ is the most important goal of a new high school religion textbook from Ave Maria Press. Your Christian Vocation helps students learn how to live their lives to the benefit of others as they consider a vocation of service--in marriage, priestly or consecrated life, or the single life--to the Church and their own communities. Students will explore a variety of topics in each vocation, including friendship, dating, and courtship related to choosing a spouse; family planning and raising children; the importance of the Sacrament of Holy Orders to the whole Church; priestly celibacy; and other forms of religious life including religious institutes, eremites, consecrated virgins and widows, secular institutes, and societies of apostolic life. Students will find the encouragement and practical skills to practice discernment for their lifelong vocation. They'll also learn how to consider the differences between vocation, jobs, and career. A bonus chapter on the single life is available online, along with a variety of teacher resources. Your Christian Vocation replaces the Marriage and Holy Orders textbook. Developed in collaboration with experts in theology, catechesis, and pedagogy, Your Christian Vocation is part of the Encountering Jesus textbook series and features the same pedagogical design and features that have made the series popular with both teachers and students: Chapter Focus Questions: Each chapter's main idea is posed as a question to the student to provide a broader context in which new ideas can be integrated and understood. Infographics: A wide variety of visual and interactive designs throughout the text help students understand theological concepts in ways they will remember. Currents Events: Each chapter opens with a story from the contemporary world that teens can relate to their own lives. Educational Photos: Images throughout the text have been carefully chosen not only to illustrate the chapter but for teachers and students to use as educational tools. Note-Taking Graphic Organizers: Designed to help students organize, summarize, and sequence the text, various types of organizers were customized for every section of the book. Section Assessments: Each section includes pedagogically designed assessment questions with labels that show how the questions serve a variety of different learning styles. Online Resources: As always, teachers can access a wide variety of online resources at the Ave Maria Press website, including videos, PowerPoints, handouts, crossword puzzles, reading guides, and tests. The enhanced digital edition of Your Christian Vocation includes exclusive access to videos from the Apostleship of Prayer, America Media, Catholic Relief Services, the Congregation of Holy Cross, and Word on Fire Catholic Ministries. These videos enrich the written text with expert explanations of key theological concepts, sacred people, and sacred places by Bishop Robert Barron, Dr. John Bergsma, Rev. Kevin Grove, C.S.C., Rev. James Kubick, S.J., and Rev. James Martin, S.J. A Teacher's Wraparound Edition (TWE) offers strategies and lessons to facilitate several different learning styles. Guides, approaches, rubrics, questions, and answers all ease a teacher's planning and coverage of each student text chapter. The text has been approved by the Subcommittee on Catechism for use with Elective D, Responding to the Call of Jesus Christ, of the USCCB curriculum framework.

“Jesus, where are you?’ I prayed every night as I wept . . . I felt I had failed as a priest, for I had preached love and the people made genocide. . . .Then I heard God speak to me. Jesus wanted me to use these experiences to evangelize later. It was then that I knew my life would be spared. God would make a way.” During the 25th anniversary of the Rwandan genocide, Fr. Ubald Rugirangoga tells the dramatic story of how he survived while losing more than eighty of his family members and 45,000 of his parishioners in the killings. In the aftermath, Fr. Ubald experienced a renewed sense of purpose as a minister of reconciliation and a healing evangelist in his homeland and around the world. In *Forgiveness Makes You Free*, he offers five spiritual principles that can help those traumatized by the past to experience healing and peace in Christ. In 1994 the world looked on in disbelief and horror as Rwanda erupted in violent bloodshed. All across the landlocked African country, militant Hutus rose up to exterminate the Tutsi population, including women and young children. One hundred days later, a million bodies littered fields, streets, and even churches. Now, on the twenty-fifth anniversary of the Rwandan genocide, a powerful testimony emerges of the power of God to bring peace and reconciliation into hearts full of fear and hate. In *Forgiveness Makes You Free*, Fr. Ubald Rugirangoga shares his own dramatic story of how he survived the genocide and its traumatic aftermath. He testifies about how God spared his life so that he might help others with deep physical, emotional, and spiritual wounds to experience peace and healing. In retelling the story of how he forgave the man who killed his family and cared for the man’s children while he was in prison, Fr. Ubald demonstrates how showing mercy can facilitate true forgiveness even in the most painful circumstances of our lives. Throughout the book, Fr. Ubald teaches about five spiritual keys that draw us to Christ, the only source of lasting peace: be thankful and have faith choose to forgive denounce evil decide to live for Jesus claim the blessing Each chapter combines Fr. Ubald’s story with reflection questions that guide readers along their own path of healing: from fear to faith, from shame to freedom, from isolation to reconciliation, from resentment to mercy, and from conflict to peace. The final chapter offers a guided meditation to help those who need to experience the power of God to release those held in bondage by fear and hate and to find the secret of peace. An appendix contains information about “The Mushaka Reconciliation Project,” a catechetical tool that has been used successfully by parishes in Rwanda, and could easily be adapted by parishes in the United States, to mediate reconciliation between individuals and groups who have become estranged by violence, trauma, and ethnic or cultural divisions.

A fascinating retrospective written with the poetic pen. It's a poetry about love, lovers, rebel lovers especially, nature, the world, relationship between lovers and societies, a thorough look into psyche of individuals and people in the wider context, added are marvelous descriptions of the environment and also author's expressing of desire for love and goodness being the engine for all humans in this world. There are also a few poems here in which I express my feelings towards New York City, the greatest town on Earth, one housing descendants from all parts of the world, with great, symphonic atmosphere clearly being felt in every corner of New York City and in the NYC skies. ' Rebel Lovers, Rebel Hearts ' is in all aspects exceptional.

Pope Francis celebrates women in the Church and the world, seen through the lens of Mary, the mother of Jesus, in this enlightening new work. "Mary was not omnipotent, she was a normal woman: full of grace, but normal. The power is that grace of the Holy Spirit. Mary is full of the Holy Spirit, who accompanies her for her entire life."—Pope Francis In Ave Maria, Pope Francis explores and unpacks line by line the meaning of the Ave Maria prayer, while celebrating women and all they do as leaders, friends, sisters, and mothers. Teaming up again with theologian Marco Pozza, Francis illuminates Mary's simple and complex nature and how her example challenges all of us to lead lives of faith, hope, and perseverance. In the end, she is an icon not just for the religious but for all who look to grow more deeply in their purpose in life.

(Vocal Collection). With this 15-version collection, you'll always be ready to play Albert Hay Malotte's sacred classic anytime, anywhere, for anyone. The Revised Edition of this indispensable book is now even more valuable. In addition to Malotte's classic in five keys for solo voice and organ (E-flat, D-flat, C, B-flat, G), the same five keys for solo voice and piano, and a solo piano and solo organ arrangement, there are three vocal duet arrangements included soprano and alto (which could be sung by a soprano and baritone), soprano and tenor, and alto and baritone. The book is a great value; the sheet music to all these versions purchased separately would cost nearly \$60!

(Easy Piano Songbook). A grand collection of 46 classical favorites arranged for the early intermediate-level player: Air on the G String (Bach) * Ave Maria (Bach/Gounod & Schubert versions) * Canon in D (Pachelbel) * Jesu, Joy of Man's Desiring (Bach) * Panis Angelicus (O Lord Most Holy) (Franck) * Pomp and Circumstance (Elgar) * Tales from the Vienna Woods (Strauss) * Wedding March (Mendelssohn) * and more.

This book is perfect for individual or group study.

"In this book, the parents of fourteen children share their story of living on a modest income and show how Catholic values and mindsets can lead to a life of financial freedom"--

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case. A Violin solo with Piano Accompaniment composed by Johann Sebastian Bach and arranged by Charles François Gounod.

Catholic author and self-described "recovering worrier" Gary Zimak combines practical spirituality, daily scripture readings, and simple action steps to help you kick the worry habit as part of your Lenten renewal. He shows you how to let go of the anxiety-producing areas of life in order to find the lasting peace that comes from trusting God. During the season of Lent, Catholics and other Christians frequently give up something they enjoy as a measure of penance or self-discipline—and often fall back into old habits at the first "Alleluia!" In Give Up Worry for Lent!, Zimak

offers fellow worriers practical, scripture-centered advice on how to relinquish the need to control the uncontrollable—not just for Lent but for good—and how to find peace in Christ. From Ash Wednesday to Easter Sunday, Zimak guides you to ponder a scripture passage and to apply it to your own life by following four simple steps: read reflect respond pray As you continue to meditate on scripture and practice the simple action steps at the end of each reflection, you will find it easier to replace old worries with new messages of hope and to change your life forever. Ruth DeFord offers new insights on Renaissance theories of rhythm and their application to the analysis and performance of music.

Do you behave on social media as the Christian you want to be? Are you dismayed at the often divisive and cruel exchanges you read online? In #Rules_of_Engagement, Ann M. Garrido shares eight practical habits that will help you align your activity in the digital world with the call of the Gospel to be Christ's presence in the world. Popes Benedict and Francis have called upon Christians across the globe to embrace the internet as a new "digital continent" and think of it as mission territory, a place where we can—with careful thought and discipline—accomplish enormous good. Even as we strive to be faithful to our Christian values, many of us still show up on social media and behave in ways unbecoming a follower of Jesus Christ. Rather than practicing compassion, truth, honesty, and communion online, we sometimes are mean-spirited, inflammatory, and untruthful. Garrido tackles the problem head-on by providing practical tools, theological guidance, and spiritual inspiration for being the person God wants you to be online. Garrido offers eight practices, rooted in Catholic tradition and teaching, that will help you avoid doing harm, and instead equip you to be a force for good through your social media presence and activities: clarify your purpose know your sources understand bias value the person lead with curiosity talk about intent and impact privilege face-to-face encounter manage your energy The book includes simple exercises to help you assess your social media behaviors and integrate Garrido's suggestions into your online communications as well as the opportunity to join a community of concerned Christians striving to live these habits.

First published in 1944 and now a spiritual classic for Catholics across the globe, *The Reed of God* contains meditations on the humanity of Mary, Mother of God. British Catholic writer and artist Caryll Houselander lovingly explores Mary's intimately human side, depicting Our Lady as a musical instrument who makes divine love known to the world. This refreshed edition is rich and rewarding reading for all Christians who wonder what Mary was really like. While the Second Vatican Council led to a renewed interest in the theology and person of Mary, Caryll Houselander offered a simple yet profound reflection on the Mother of God almost fifteen years before the council began. Confronting the static, surreal "Madonna of the Christmas card," Houselander provides instead an intuitive, warmly human, and approachable image of the Mother of God. Through the central image of a reed that is played for music, Houselander demonstrates how Mary chose to make herself an instrument for the divine plan, giving her inmost being to the proclamation of God's greatness. In sharing her distinctive vision of Mary, Houselander offers the Mother of God as a model for all people seeking to be instruments of the Divine. The essays and poems in *The Reed of God* also reflect on the mysteries of Mary's life and her impact on salvation history. In the book's four parts, Houselander explores key events of Mary's life, including her fiat, finding Jesus in the Temple, and the Assumption, as well as the themes of fruitful emptiness and the eternal search for union with God.

Felicia Weingarten has saved poetic expressions of her life for us in this collection of short stories from WWII Poland and her experiences of surviving the Lodz ghetto and four concentration camps during the Holocaust. The stories are powerful not so much in how they speak to our minds but how they tear into our hearts. We are drawn into Felicia's life vicariously at first, as though a stranger watching from the sidelines. But as each story unfolds, oftentimes with a twist at the end, we are suddenly faced with our own humanity, our own survival, our own actions and our own conscience as human beings. We are led into the darkness holding hands with an innocent, yet hopeful and courageous teenager; we emerge as reflective, perhaps even changed people, because of our human experience shared with Felicia. These are stories that transcend time and place and challenge us to be people of integrity, hope and commitment.

This is a story based on historical facts. During World War I, there was a prisoner-of-war camp in western Japan called Bando. It was the only POW camp in the world where the captors and captives, as well as the residents in surrounding areas, developed friendships. A German POW named Klaus Berger, who belonged to the music troupe, discovered the significant role music plays in times of conflicts. A few decades later, the Nazi regime took advantage of music in the most horrific way, making it one of the saddest uses of music in the history of mankind. Klaus volunteers to go to Auschwitz in an attempt to save Hannah, a Jewish violinist placed in the camp orchestra. One violin has been through both wars to witness the joyous, and then the tragic, history where music was involved. Present day in Japan, the violin now belongs to Asuka, who knows only peaceful times. She learned the history of the violin, and despite of the tremendous sadness she felt, little by little she begins to think about what she wants to do with her future. The book was published in Japan and has been translated into Vietnamese. It is a masterpiece of the 21st century that has made impressions on readers both young and old. It was selected as one of the assigned books for the 2014 National Book Report Contest for high school students. It was also the 2016 winner of Sakura Medal in Japanese Middle School & High School Books division, voted by the students from international schools across Japan, as one of their favorite books.
