This book offers explanations of grammatical terms and functions as they apply to English and German. It illustrates the similarities and differences between the two languages and stresses the common linguistics pitfalls for English speakers. It includes review exercises with answers at the back.

100 dynamic and humorous lessons to learn German. With this method, only five months, you will be able to express yourself and talk in German. The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe

The challenge that English-language speakers face if they want to speak German well, is to accurately map German nouns to one of three grammatical genders: masculine, feminine or neuter. Native German speakers acquire their knowledge of the grammatical gender of German nouns from early on. They are not given formal instruction at school about matching nouns to their correct gender, and the topic is not covered in standard German grammar books. For the same reason, native speakers who give German language lessons to foreigners do not teach their students how to match nouns to their gender: One cannot teach what one has not been taught. This book fills that gap in that it explains, in plain English, the principles that map German nouns to a specific gender. This allows foreign students of German to unlock the gender of entire categories of nouns, thereby enabling students to speak German more confidently.

Thesaurus of German for all levels, presented by theme. Example sentences, mini-dialogues, idioms, regional variants, useful tips, etc. Suitable for self-study, building vocabulary, and developing grammar skills.

Information-rich topics and texts immerse adult learners in themes and issues from around the world so that English is more relevant.

Directed at managers and employees in today's corporations, where change is necessary to revitalize and improve corporate performance, this guide addresses the fact that it is people that have to carry out the change.
