It isn't every day a movie star steals your husband.

When that day comes for Chiffon Butrell, of Cayboo Creek, South Carolina, she looks to the Bottom Dollar Girls to help her out of one fine mess. As a waitress at the local Wagon Wheel restaurant, Chiffon pegs her fortunes to a winning entry in a local video store's Be-a-Movie-Star contest. But her celluloid dreams are dashed when her baby takes sick and her husband, Lonnie -- one fine specimen of Southern manhood -- heads for the Hollywood Hills solo. On set, he turns the head of leading lady Janie-Lynn Lauren, whose siren call is Oscar caliber. Back in Cayboo Creek, Chiffon manages to lose her temper and her job in quick succession -- only to discover that Lonnie's paycheck from the Nutra-Sweet plant has been forwarded to a California address. With three kids to feed, Chiffon comes up more than a dollar short. Her good friends try their best to pitch in. But there are too few hands to lend, what with Elizabeth and her husband, Timothy, expecting their first baby any day and the rest of the Bottom Dollar Girls knee-deep in their secret -- and possibly scandalous -- plan to raise money for the Cayboo Creek Senior Center. When a slick of Wesson Oil at the Winn-Dixie gets the better of Chiffon's ankle, there's just one thing to be done -- call on estranged older sister Chenille, who hails from Bible Grove, South Carolina. A prissy, fussy spinster prone to dressing her dog, Walter, in matching plaid "mother-son" outfits, Chenille is everything former beauty queen Chiffon detests. Suddenly the tabloid media gets wind of Janie-Lynn and Lonnie's torrid romance, landing sleepy

spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books.

This story follows two young critical care nurses, their friends and family, their loves and the patients they care for. The self-described 'BFF's', although polar opposites, find themselves caring for their beautiful dance instructor (Eve) after she is violently assaulted and then become the obsession of her attacker. They must fight to save her life as well as their own. Eve's attack brings back memories of a case from six years ago. A mother and daughter went missing and were never to be found. Due to similarities, the agents re-open that case. Determined to find Eve's assailant (and the missing mother/daughter), the agents embark on a hunt that takes many sharp turns. Beasts come in all forms and lurk in infinite darkness. The town's 'Beast' becomes obsessed with Davia and Holly, and stalks them at work and home. Meanwhile, a young teen is being held captive and hidden in a clandestine cellar. June Lovekin, the town's beloved author wrote, 'The Magical Fairies of Lake Flourish', which quickly made her famous. Her book is about a community of magical fairies. The princess fairy 'Violet' clips her wing on a branch and

begins falling toward the lake. She must travel miles to find the special glue that will repair her broken wing, but first (and ironically) she too must get past 'the Beast'. The captive teen lives vicariously through Princess Violet. After all, Violet's life is much more exciting and magical than hers in captivity. There are many stories intertwined inside this novel. The unique characters each have their own secrets and stories to tell (stories of love, passion, acceptance, courage and determination). This story will keep you at the edge of your seat, while bringing you tears of laughter and joy and a yearning for more.
