peach. Eating is one of life's greatest pleasures. one day when Momofuku founder David Chang asked Christina to make a dessert for dinner that night. Just like that, the pastry program at Momofuku began. Christina's playful desserts, including the compost cookie, a chunky chocolate-chip cookie studded with crunchy salty pretzels and coffee grounds; the crack pie, a sugary-buttery confection as craveable as the name implies; the cereal milk ice cream, made from everyone's favorite part of a nutritious breakfast—the milk at the bottom of a bowl of cereal; and the easy layer cakes that forgo fancy frosting in favor of unfinished edges that hint at the yumminess inside helped the restaurants earn praise from the New York Times and the Michelin Guide and led to the opening of Milk Bar, which now draws fans from around the country and the world. With all the recipes for the bakery's most beloved desserts—along with ones for savory baked goods that take a page from Chang's Asian-flavored cuisine, such as Kimchi Croissants with Blue Cheese—and 100 color photographs, Momofuku Milk Bar makes baking irresistible off-beat treats at home both foolproof and fun.

****2019 James Beard Foundation Book Award Nominee**** "Black Girl Baking has a rhythm and a realness to it." - Carla Hall, Chef and television personality Invigorating and Creative Recipes to Ignite Your Senses For Jerrelle Guy, food has always been what has shaped her—her body, her character, her experiences and her palate. Growing up as the sensitive, slightly awkward child of three in a race-conscious space, she decided early on that she'd rather spend her time eating cookies and honey buns than taking on the weight of worldly issues. It helped her see that good food is the most powerful way to connect, understand and heal. Inspired by this realization, each one of her recipes tells a story. Orange Peel Pound Cake brings back memories of summer days eating Florida oranges at Big Ma's house, Rosketti cookies reimagine the treats her mother ate growing up in Guam, and Plaited Dukkah Bread parallels the braids worked into her hair as a child. Jerrelle leads you on a sensual baking journey using the five senses, retelling and reinventing food memories while using ingredients that make her feel more in control and more connected to the world and the person she has become. When she meditates, she imagines herself in the warm, comforting center of a gigantic bundt cake. If there is a crisis, she bakes a cake; if there is a reason to celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an inner need to nurture her family—which is a good thing, because all of a sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth’s father, a lounge singer, who she’s seen only occasionally throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poisonous emotion reserved only for life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instincts of a Cheryl Richardson and you’ve got a delightful and amusing concoction that comes with its own delicious icing. Cheryl Day, one of the South's most respected bakers, a New York Times bestselling author, and co-owner—with her husband, Griff—of Savannah's acclaimed Back in the Day Bakery, is a direct descendent of this storied Southern baking tradition. Literally: her great-great-grandmother was an enslaved pastry cook famous for her biscuits and cakes. Now Cheryl brings together her deep experience, the conversations she's had with grandmothers and great-aunts and sister-bakers, and her passion for collecting local cookbooks and handwritten recipes in a definitive collection of over two hundred tried-and-true recipes that celebrate the craft of from-scratch Southern baking. Arts & Letters, Delish, Mercury News, Sweet Paul, and PopSugar. Drawing from her James Beard Award-nominated Genius Recipes column and powered by the cooking wisdom and generosity of the Food52 community, creative director Kristen Miglore set out to unearth the most game-changing dessert recipes from beloved cookbook authors, chefs, and bakers—and collect them all in one indispensable guide. This led her to iconic desserts spanning the last century: Maida Heatter’s East 62nd Street Lemon Cake, François Payard’s Flourless Chocolate-Walnut Cookies, and Nancy Silverton’s Butterscotch Budino. But it also turned up little-known gems: a comforting Peach Cobbler with Hot Sugar Crust from Renee Erickson and an imaginative Parsnip Cake with Blood Orange Buttercream from Lucky Peach, along with genius tips, riffs, and mini-recipes, and the lively stories behind each one. The genius of this collection is that Kristen has scouted out and rigorously tested recipes from the most trusted dessert experts, finding over 100 of their standouts. Each recipe shines in a different way and teaches you something new, whether it’s how to use unconventional ingredients (like Sunset’s whole orange cake), how to make the most of brilliant methods (roasted sugar from Stella Parks), or how to embrace stunning simplicity (Dorie Greenspan’s three-ingredient cookies). only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels. Rhyming text and illustrations present a recipe for how to bake a pie from all the things that make America great, such as a dash of purple mountain majesties and cups of courage.
