Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011. What's new about this third edition of the long respected and often used Church Administration Handbook? In addition to time and technological-sensitive updates to the basic organizational details, editor Bruce Powers writes: "The needs of people and churches have continued to change, with questions now being raised about the quality of congregational life, nature of leadership, and responsibility for ministry among all believers . . . As we have prepared this edition, we have sought to address five primary needs. 1. Leadership skills and administrative tools that can be adapted for use in a variety of contexts from traditional to contemporary, from rural to urban, and from unicultural to multicultural settings; 2. Spiritual formation that relates to all of life (from birth to death); 3. Mission consciousness (in community, regionally, nationally, and globally); 4. Ministry of all believers (particularly calling out and equipping vocational, bivocational, and lay ministers); and 5. Leadership competence (the ability to inspire, motivate, and equip the saints for the work of ministry)."

This book comes straight from the heart of a pastor who has had deacons for breakfast, dinner, and supper for as long as he can remember. The son of a Baptist minister, Dr. Naylor was influenced from childhood by men in this noble office of divine origin. His own twenty-five years in the Baptist ministry and his successful work with deacons in many churches, large and small, well qualify him to write this long needed book.

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not

enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

This is an usher's manual to be used in the Negro churches of the United States. Dr. Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest. Thus, the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God. For churches and religious nonprofit operations, the business of business is not business - it is ministry. Still, such institutions have to make plans. Because skilled organization is needed to accomplish specific tasks, a leader must train and motivate workers in progress and effectiveness. This second edition of Church Administration helps pastors and church staff become effective and efficient leaders, managers, and administrators. Among the topics discussed are: Administration Documents, Organizing the Church, Administering Personnel

What is spirituality? For some, it means nothing more than vague self-improvement pulled from the latest best-selling self-help book. For others, it refers to some generic religious practice. Shedding life-giving light on what often remains ill-defined and unclear, this book sets forth a vision of biblical spirituality—"a renewed sense of the momentousness of being alive in God's world as God's people are led by God's Spirit through God's Word unto godly, Christlike character." With careful exegetical work and theological reflection, the contributors—pastors and scholars such as Christopher W. Morgan, Paul R. House, Nathan A. Finn, and Gregg R. Allison—address spirituality from the perspective of the Bible, exploring topics such as the Trinity, divine sovereignty and human responsibility, the "already" and "not yet," and the church. This book also addresses practical questions about spirituality related to the workplace, disciplines of the body, and more.

An in-depth study of chapters 2 and 3 of Revelation. A look at the historicity of the seven churches of Revelation and the application for today. Each church received a different communication from the Lord Jesus Christ. Where is the church today? Would Jesus compliment or condemn it? Each church is analyzed by name by Jesus Christ and addressed according to their works as a congregation of believers. These were the oldest churches in the New Testament, the seven churches of Asia Minor, but many had problems similar to the churches in the modern era. Only one of the churches received no condemnation whatsoever. In each of His addresses, the Lord Jesus Christ begins with a compliment, and Jesus identifies Himself by His attributes and characteristics in view of what he is about to say to the church. The seven churches are emblematic, representative and symbolic of all churches universally, without regard to denominational differences. The message to the seven churches is an individual message of exhortation, instruction and warning

which apply to all churches today. The instructions and warnings are to remind us that God wants His church to be pure and committed. The Lord Jesus Christ is to be the central figure in all of the churches.

The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care, aging, and social work in a single, authoritative volume. These areas are too often treated as discrete entities, while the reality is that all social workers deal with issues in health and aging on a daily basis, regardless of practice specialization. As the baby boomers age, the impact on practice in health and aging will be dramatic, and social workers need more specialized knowledge about aging, health care, and the resources available to best serve older adults and their families. The volume's 102 original chapters and 13 overviews, written by the most experienced and prominent gerontological health care scholars in the United States and across the world, provide social work practitioners and educators with up-to-date knowledge of evidence-based practice guidelines for effectively assessing and treating older adults and their families; new models for intervention in both community-based practice and

If you stand at the doors of your church to let worshippers in and out or if you assist in keeping order and decency in the sanctuary, this book is for you. If you are interested in the characteristics and qualities necessary to be a doorkeeper or usher in your church, this book is for you. This book provides important information about being a doorkeeper, as outlined in the Word of God. The focus of this book is on the spiritual characteristics of an effective doorkeeper. Some instructional rules are discussed, but this book uniquely connects the rules of courtesy with the responsibilities of a doorkeeper. The book also connects courtesy with the Word of God as stated in 1 Peter 3:8: "Finally, be ye all of one mind, having compassion one of another, love as bretheren, be pitiful, be courteous." Whether doorkeeper, pastor, leader, or layperson in the church, this book will provide insight into the role of those who stand at the door of the house of the Lord.

tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today, but that they are not optional; they are the necessary tools God has given for both building his Church and spreading the Gospel. With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. After laying this foundation, the authors reveal how you can activate the gifts in your own life and use them to benefit others. In this hurting world, you can give people more than just a message--you can help usher them into an encounter with God.

The original Episcopal Handbook, published in 2008, was an instant classic and has been a bestseller ever since. Still providing helpful and insightful information about the Episcopal ethos with a certain amount of whimsy and complete accessibility, this revision maintains the best features of the original work, but adds an update and an expansion on the church today. In addition to updating out-of-date references and correcting a few inaccuracies, the revision highlights Episcopal diversity—including more women and people of color in the biographical material—as well as focusing more on Episcopalians rather than Anglicans. Some new illustrations are included as well. Some material originally presented in tabular form has been adapted into a more accessible narrative format. This includes new sections on church governance, the origins of religious belief, and a capsule summary of church history. The glossary has also been expanded. The goal is to provide a book suitable for a wide range of uses and settings: for Sunday schools, confirmations, inquirer classes—and for everyone from visitors to vestries. The revision brokers an incredible compendium of information in an informal, user-friendly, and accessible format. For lifelong Episcopalians,

Hospitality Ministers, which are ushers, greeters, information booth attendants, parking lot volunteers, and more, are just that: "ministers." They represent God and God's House, and are key team members to making sure that the worship experience brings honor and glory to God and builds up the people God loves.
