Written by an active AP Spanish teacher, Barron's AP Spanish Language and Culture provides the essential review material and practice exams to help you get prepared for the exam. Packed with review of the course material, this edition features: Two full-length practice tests in the book Practice exercises throughout the book Separate practice and review units that provide strategies for improvement and cover: reading comprehension, writing, speaking, vocabulary, and grammar Audio online for practice with listening comprehension, dialects, and the types of conversations you'll see on the exam

Chaoyue: Advancing in Chinese covers the five Cs—communication, cultures, comparisons, connections, and communities—and follows three communicative modes in lesson design: interpersonal, interpretive, and presentational. The authors arrange their lessons around four topics intrinsically interesting to

students: the self, schooling, social customs, and the global village, fostering a full appreciation of Chinese culture. Each lesson contains warm-up activities, mini-dialogues, authentic readings, conversational relays, a cultural unit, examples of sentence patterns, and a vocabulary list. Two review lessons are geared specifically toward synthesizing and reinforcing the language and culture skills taught throughout the book, and footnote glossaries assist in reading comprehension. Written by experienced Chinese language instructors, Chaoyue helps students reach the preadvanced proficiency level within two semesters, or approximately 150 to 180 hours of course time. The preadvanced stage is comparable to a fourth-semester college Chinese course, or 250 hours of instruction. Unlike other language texts, Chaoyue is printed in both simplified and traditional Chinese characters, as well as the phonetic systems used in China (pinyin) and Taiwan (zhuyin fuhao). It also includes a CD-ROM with additional assignments and review as well as an online teacher manual. Lesson sections include:

- Warm-up activities that articulate the lesson's theme and activate students' prior knowledge
- Short readings in the form of letters, e-mails, reports, dialogues, stories, and interviews
- Dialogue practice with key vocabulary and sentence patterns
- Interactive activities such as surveys, debates, and small group discussions
- Conversational relays that ask pairs to complete minialogues
- Authentic readings in the form of advertisements, Web sites, maps, and signs, with multiple-choice review questions
- Common expressions that relate to the lesson theme

Barron's SAT Study Guide with 5 Practice Tests provides realistic practice and expert advice from experienced teachers who know the test. Step-by-step subject review helps you master the content, and full-length practice tests help you feel prepared on test day. This edition includes:

- Four full-length practice tests
- One full-length diagnostic test to help identify strengths and weaknesses so you can pinpoint your trouble spots and focus your study
- An overview of the SAT, an explanation of the test's scoring method, and study advice from experienced teachers
- Test-taking tactics for the exam as a whole, and special strategies for each part of the test, including detailed instruction in writing the SAT essay
- Subject reviews covering all sections of the test, including Reading, Writing and Language, and Mathematics

In-depth preparation for the AP Chinese Language and Culture exam includes:

- Two full-length practice exams with questions answered and explained
- An MP3 CD which presents spoken material covering the exam's Listening and Speaking sections
- Comprehensive review for all parts of the test: Listening, Reading, Writing, Speaking, Grammar, and Culture
- Practice questions and exercises cover all test areas

The book reflects the AP exam's standards, presenting questions in both traditional and simplified Chinese characters. Pinyin is included in the Culture Notes section.

Barron's AP World History: Modern is fully revised to align with the College Board changes for the May 2020 exam. You'll get in-depth content review and

revised practice tests to help you feel prepared for the new test. This edition includes: Two full-length practice tests in the book with revised free-response questions Comprehensive content review corresponding with the 4 time periods covered on the exam (Note: anything pre-1200 CE will fall under AP World History: Ancient and will not be on the Modern exam) Expert strategies for answering all question types Unit shortcut charts and key concepts at the beginning of each chapter to help organize a better study plan

Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Learning Mandarin Chinese Characters helps students quickly learn the basic Chinese characters that are fundamental to the language. Intended for self-study and classroom use, this character workbook presents 135 Chinese characters and over 405 common words using these characters. These are the characters and words students need to know if they plan to take the official Chinese government HSK Level 2 Exam or the Advanced Placement (AP) Chinese Language and Culture Exam. Each character is presented in a very simple and clear way. A step-by-step diagram shows how to write the character and boxes are provided for freehand writing practice. The meaning and pronunciation are given along with the key vocabulary compounds and an example sentence. Review exercises reinforce the learning process and an index at the back allow you to look up the characters according to their English meanings or romanized Hanyu Pinyin pronunciation. Key features of this Chinese workbook include: Designed for HSK Level 1 and AP exam prep Learn the 135 most basic Chinese characters Example sentences and over 405 vocabulary items Step-by-step writing diagrams and practice boxes

Barron's AP Physics 1 Study Guide: With 2 Practice Tests, Second Edition provides in-depth review for the AP Physics 1 exam, which corresponds to a first-year, algebra-based college course. This online exam can be easily accessed by smartphone, tablet, or computer.

While taking a class on infinity at Stanford in the late 1980s, Ravi Kapoor discovers that he is confronting the same mathematical and philosophical dilemmas that his mathematician grandfather had faced many decades earlier--and that had landed him in jail. Charged under an obscure blasphemy law in a small New Jersey town in 1919, Vijay Sahni is challenged by a skeptical judge to defend his belief that the certainty of mathematics can be extended to all human knowledge--including religion. Together, the two men discover the power--and the fallibility--of what has long been considered the pinnacle of human certainty, Euclidean geometry. As grandfather and grandson struggle with the question of whether there can ever be absolute certainty in mathematics or life, they are forced to reconsider their fundamental beliefs and choices. Their stories hinge on their explorations of parallel developments in the study of geometry and infinity--and the mathematics throughout is as rigorous and fascinating as the narrative and characters are compelling and complex. Moving and enlightening, *A Certain Ambiguity* is a story about what it means to face the extent--and the limits--of human knowledge.

Barron's AP Calculus has the content review and practice you need to be ready for the Calculus AB and BC exams. Detailed subject review helps you get a good grasp of the test topics, while practice tests help you apply your knowledge so you know you're prepared. The College Board has announced that there are

May 2021 test dates available are May 3-7 and May 10-14, 2021. Written by experienced teachers who know the test, this edition features: Comprehensive content review covering topics for both AB and BC exams Four practice exams in Calculus AB and four in Calculus BC, updated to reflect the new exam format Advice on how to use your graphing calculators efficiently

Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Intermediate Chinese is intended for students who have some knowledge of the language. Each of the twenty five units deal with a particular grammar point and provide associated exercises. Features include: * clear, accessible format * many useful language examples * jargon-free grammar explanations * ample drills and exercises * full key to exercises All Mandarin Chinese entries are presented in both pinyin romanization and Chinese characters, and are accompanied, in most cases, by English translations to facilitate self-tuition in both written and spoken Chinese. Intermediate Chinese reviews the principal elements introduced in

Basic Chinese and introduces more complicated structures. The two books form a compendium of all the main features of Chinese syntax.
