Completely updated every year, Frommer's Toronto features gorgeous color photos of the sights and experiences that await you. Our author, a longtime resident of Toronto, guides you through the city, from the Theatre District to the Art & Design District to Little Italy, Little India, The Gay Village, and more. She's checked out all the city's best hotels, restaurants, and attractions in person and offers you her favorites, plus "the best things to do for free," which includes picnicking on Centre Island and catching a concert at the Toronto Music Garden. You'll also get up-to-the-minute coverage of shopping and nightlife; in-depth coverage of the city's architecture and dining scene; detailed walking tours; accurate neighborhood maps; advice on planning a successful family vacation; and side trips to Stratford, Niagara, and The Muskoka Lakes. Frommer's Toronto also includes a color fold-out map.

"Henry and Avril have just discovered that Professor Fizzy is missing from the Lunch Lab. And so is the rest of the crew, even the Freezer Burn Band. It can only be the work of their archnemesis, Fast Food Freddy, who is holding his rivals captive at Greasy World, the unhealthiest theme park on the planet."--Publisher.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Christmas is a beautiful time to make great gifts that you can give to your loved ones! Why do we give gifts on Christmas? It all started with the gifts that the Wise Men gave to Jesus on his birth. These gifts included the following:Frankincense, a perfume used for worship, indicating that Jesus would be worshipped by the people, Myrrh, a perfume used to cover the smell of dead bodies, indicating that Jesus would suffer and die, and Gold, indicating that Jesus would be the King of Kings We are continuing the tradition of giving gifts and that too with increasing enthusiasm year after year. And what better way to show your love and devotion to your friends and family than to make something with your own hands, something they will know you took time and effort to make especially for them: a gift that will never be replicated and that it will certainly be priceless as you cannot put a price tag on a homemade Christmas gift. In this book you will learn: CHAPTER 1: HOMEMADE EDIBLE CHRISTMAS GIFTS CHAPTER 2: HOMEMADE BATH AND BEAUTY CHRISTMAS GIFTS THAT WOMEN WOULD LOVE

reported journey into the new world of legal cannabis, award-winning reporter Heather Cabot takes readers on the road with Snoop Dogg and his business partner Ted Chung as they roll out the star's own brand of bud; to California wine country, where chefs and vintners are ushering in a new age of elevated dining; on wild adventures with marijuana mogul Beth Stavola, for whom fending off shady characters is just another day at the office; and to rural Canada to meet the Willy Wonka of Weed. Drawing on exclusive interviews with some of the biggest names in the world of cannabis, Cabot's book explores the confluence of social, economic, and political forces that have brought marijuana into the mainstream. Among them, outrage over the racial injustice of U.S. drug laws, the booming self-care industry catering to stressed-out professionals and busy parents in search of better sleep and more sex, seniors clamoring for natural alternatives to opioids to manage their aches and pains, and tens of millions of investor dollars fueling a frenetic "green rush" mentality. The story of an astonishing rebranding, *The New Chardonnay* explores how a plant that was once the subject of multimillion-dollar public service announcements came to spark new culinary trends; inspire new uses for health, beauty, and wellness; and generate hundreds of thousands of jobs and untold tax revenue—all while remaining federally illegal in America.

How often have we yearned for a warm bath at the end of a stressful day? Bath bombs are a hard packed mixture of moisturizers, aromas, colors and many other ingredients that make your bath time more relaxing. You can easily add in essential oils, fragrance, colors and herbs. If you were to purchase bath bombs at a health and beauty store, you could easily spend \$4 to \$6 on each one. Depending on the brand, the price can easily skyrocket up to nearly \$9 per bath bomb. Even though the recipes in this book make large batches of bath bombs, when you do the math, each bath bomb cost a fraction of the price and is made especially for you, by you, and you know exactly what is it. By making your own bath bombs at home, you can control the type and quality of ingredients that go into every product. This book contains 80 pages of recipes for homemade bath bombs, including a multitude of aromatherapy based bath bombs. Keep your eyes open for other DIY, money saving books from Evelyn!

This book is a candid look into the world I created for myself growing up. It was a world of hurt, abuse, hatred, drugs, violence, and sex. Writing this book was very therapeutic for me as I confronted myself, and I hope it will be a spine-chilling experience for those who read it. In these pages, I share the knowledge that Jesus healed me and set me totally free, and it is my passion and dream that these words could help you experience that same freedom in your own life.

This guy could offer me the moon, and I'd hand it right back. Never in a million years did I expect to run into the biggest crush of my childhood. But, of course, I have. And I'm reporting to him at the new company I landed a big-time job at. Arrogant. Hot as hell. Total jackass. Why he's still single is no mystery to me. He's not willing to settle down. He's always been that way, and as far as I'm concerned, he always will be. But, boy, is he beautiful to look at. Every part of me screams "run" as my insides turn to mush. No. Not me too... Not again. I should be immune by now. I know him far too well to fall into this hopeless pit of adoration again. But maybe there's a way around it. It's his power that drives me over the edge of insanity. If I were the boss instead of him, I'd hold all the cards. Good thing I'm always up for a challenge. Funnily enough, this guy thinks he's going to score. He might have to redefine what getting lucky looks like after me. At least, that's the plan. This is book 2 of a 3 book series. You will have to read books 1 and 3 to complete the story.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Passion, power, sex, betrayal, and seduction—it's all in a day's work. Having escaped to Hollywood after catching her boyfriend in bed with her best friend, London stage actress Kate McPhee is offered a gig on the popular daytime television series *Live for Tomorrow*. As Devon Merrick—police detective, car crash victim, and love interest for at least two men—she knows all the secrets and sins pulsating in fictional Hope Canyon. But the real drama is off the set, where the soap is indeed slippery. Enter Meredith Contini, the show's power-wielding diva. Meredith has two rules: Know your place and Stay in it. Kate broke both on day one, which is why she suddenly found her character switching sexual orientation. That brilliant solution came from Daphne del Valle, the show's barking-mad obsessive/compulsive producer, who drives herself and her actors to enthrall the audience. ("Sell the hurt. Sell the rage. Sell the hunger. Sell the looooooove.") As gay detective Devon Merrick, Kate is a smash. The show is a hit. Kate's private life seems to be becoming something of a drama itself. Especially since everybody thinks she really is gay, which is a problem since she thinks the best cure for her real-life broken heart is to get a man into her bed. But who? Kirk, her sexy, tan, and talented leading man, is boffing Meredith. There's Matt, the magician who makes her tea, but will her fourteen-hour days keep them from the promise of tangled sheets? And there's Wyatt, her handsome new co-star, who Kate believes is the great love of her life. Except that he's married, and his wife, Christine, is Kate's new makeup artist and the one sane friend she has made in Los Angeles. As the line between television and reality blurs with increasing speed, tension tightens and passions surge. Does Wyatt want Kate as much as she wants him? Will Christine find out? Will Kate lose her new friend? Will Meredith finally have Kate fired? Will Kate ever get to "come out" as heterosexual on the set? Are her steamy kiss scenes fated to be only with beautiful women? Emmy Award—winning actress Finola Hughes whips up a frothy, scathingly funny novel worthy of any afternoon time slot in this delicious romp that takes readers through the twists, turns, and dish that drive the madness that is daytime television.

In *Make it Fizz: A Guide to Making Bathtub Treats*, Holly Port will explain the easiest way to make bath bombs so that you don't have the challenges you may have had in the past with other recipes. From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of

things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting. Children getting bored at home? These twenty-five outdoor science projects and experiments will spark kids' creativity and help them develop science skills through hands-on learning. Projects focus on Earth and the environment, plants and animals, weather, water, and physics, bringing science learning home and into the backyard. Young scientists can build a wormery and learn about compost, crack rocks with water and learn about freezing and thawing, build and launch a water rocket to see Newton's laws in action, and more. Supporting STEAM education initiatives and the Maker Movement, Maker Lab: Outdoors includes 25 interactive projects to inspire kids' creativity and their scientific side, and, as the founder of Maker Faire Dale Dougherty says, "to realize with their hands what they can imagine in their minds." With stunning photography, succinct step-by-step instructions, and detailed explanations, this science book takes kids on a journey of discovery. A must-have for every young scientist curious about their surroundings, and for makers, crafters, and those who enjoy exploring the outdoors.
