Led by the Joker, the patients of Arkham Asylum take over the building and threaten to murder the staff unless Batman agrees to meet with them, a situation that results in Batman being pushed to the brink of madness himself.

"Batman: Four of a Kind" chronicles Batman's battles some of deadliest foes; Poison Ivy, Scarecrow, The Riddler and Man-Bat. Taken from the acclaimed "Year One" series, Batman must find a cure for Poison Ivy's kiss, but he must find her first. Our hero must face some of his worst fears in a battle with the Scarecrow, stalk down the deadly creature Man-Bat and find the key to the Riddler's questions.

Written by Dennis O'Neil, the dean of Batman writers. While on a case far from Gotham City, Batman is injured, and by the time he recovers and returns to his home, Alfred is missing. As Batman searches for his missing friend, the corpses begin to mount amid rumors of human sacrifice and strange, primitive rituals. Using his detective skills, the Dark Knight begins to trail the madman who has been terrorizing Gotham City. The trail leads back to Wayne Manor and a maniacal cult, with Alfred's life hanging in the balance. Collects BATMAN: LEGENDS OF THE DARK KNIGHT #1-5.

Framing Gotham City as a microcosm of a modern-day metropolis, Gotham City Living posits this fictional setting as a hyper-aware archetype, demonstrative of the social, political and cultural tensions felt throughout urban America. Looking at the comics, graphic novels, films and television shows that form the Batman universe, this book demonstrates how the various creators of Gotham City have imagined a geography for the condition of America, the cast of characters acting as catalysts for a reevaluation of established urban values. McCrystal breaks down representations of the city and its inhabitants into key sociological themes, focusing on youth, gender, sexuality, race and ethnicity, class disparity and criminality. Surveying comic strip publications from the mid-20th century to modern depictions, this book explores a wide range of material from the universe as well as the most contemporary depictions of the caped crusader not yet fully addressed in a scholarly context. These include the works of Tom King and Gail Simone; the films by Christopher Nolan and Tim Burton; and the Batman animated series and Gotham television shows. Covering characters from Batman and Robin to Batgirl, Catwoman and Poison Ivy, Gotham City Living examines the Batman franchise as it has evolved, demonstrating how the city presents a timeline of social progression (and regression) in urban American society. For use in schools and libraries only. Chronicles the events that led to Bruce Wayne's
