With stunning beaches, world-class golf, rich history, delicious cuisine, and no shortage of Southern Hospitality, South Carolina provides an incredible backdrop to live a fulfilled and abundant retirement. It also offers a unique set of challenges. Adam Curran, CFP®, believes each and every Palmetto State retiree ought to have a living, breathing, and dynamic retirement plan designed specifically for life in their ever-changing state. In his latest book, *Retire Y'all: Your Guide to Retiring in South Carolina*, he shoots straight on all matters retirement: changing tax law, market conditions, investment strategy, real estate, health care, and more! A good retirement plan gives retirees the permission and confidence to spend money to create meaningful experiences, without the fear of outliving living their savings. After all, no one wants to wind up the wealthiest person in the cemetery. Throughout the book, Adam drives home the message that the result of good financial planning means you can finally reap the rewards of years of grinding and saving and truly enjoy all of South Carolina has to offer. The book is short and sweet, written and designed to be read in just one or two sittings. With quick, digestible chapters you'll learn exactly what you need to know as you embark on this new chapter. Order your copy today!

Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In *RICH BITCH*, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, *RICH BITCH* rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a *RICH BITCH*.

A PBS Great American Read Top 100 Pick "A deeply soulful novel that comprehends love and cruelty, and separates the big people from the small of heart, without ever losing sympathy for those unfortunates who don't know how to live properly." —Zadie Smith One of the most important and enduring books of the twentieth century, *Their Eyes Were Watching God* brings to life a Southern love story with the wit and pathos found only in the writing of Zora Neale Hurston. Out of print for almost thirty years—due largely to initial audiences' rejection of its strong black female protagonist—Hurston's classic has since its 1978 reissue become perhaps the most widely read and highly acclaimed novel in the canon of African-American literature.

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

"Forget the jokes about late '70s South Beach being the Yiddish-speaking section of "God's Waiting Room"; yes, upwards of 20,000 elderly Jews made up nearly half of its population in those days — all crammed into an area of barely two square miles like a modern-day shtetl, the small, tightly knit Eastern European villages that defined so much of pre-World War II Jewry. But these New York transplants and Holocaust survivors all still had plenty of living, laughing and loving to do, as strikingly portrayed in *Shtetl in the Sun*, which features previously unseen photographs documenting South Beach's once-thriving and now-vanished Jewish world — a project that American photographer Andy Sweet (1953–82) began in 1977 after receiving his MFA from the University of Colorado at Boulder, and a driving passion until his tragic death"--Publisher's description.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is

one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

"Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. The Book of Unknown Americans is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, The Daily Beast's Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year

Explains how Billy Beene, the general manager of the Oakland Athletics, is using a new kind of thinking to build a successful and winning baseball team without spending enormous sums of money.

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

#1 NEW YORK TIMES BESTSELLING PHENOMENON More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse--Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

Unravel the mystery around creating a large residual income in network marketing! Have you ever wondered if the average person can really make it big in network marketing? Have the secrets to success in network marketing always been a mystery to you? Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach? Beach Money shows you how to compress a 30-year career into 3 to 5 years, design your life around your free time instead of around your work schedule, and turn your yearly income into your monthly income!

Nobody could capture the Phantom. She was the wildest mare on Assateague Island. They said she was like the wind, that the white "map" on her shoulders was her mark of freedom. Paul and Maureen Beebe had their hearts set on owning her. They were itching to buy and tame her, and worked hard to earn the money that she would cost. But the roundup men had tried to capture her and for two years she had escaped them.... Pony Penning Day holds a surprise for everyone, for Paul not only brings in the Phantom, but her newborn colt as well. Can Paul and Maureen possibly earn enough to buy them both?

THE #1 NEW YORK TIMES BESTSELLER! A TONIGHT SHOW STARRING JIMMY FALLON SUMMER READS NOMINEE! Named a Most Anticipated Book of 2021 by Newsweek ? Oprah Magazine ? The Skimm ? Marie Claire ? Parade ? The Wall Street Journal ? Chicago Tribune ? PopSugar ? BookPage ? BookBub ? Betches ? SheReads ? Good Housekeeping ? BuzzFeed ? Business Insider ? Real Simple ? Frolic ? and more! Two best friends. Ten summer trips. One last chance to fall in love. From the New York Times bestselling author of Beach Read comes a sparkling new novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong?

"All disasters are in some sense man-made." Setting the annus horribilis of 2020 in historical perspective, Niall Ferguson explains why we are getting worse, not better, at handling disasters. Disasters are inherently hard to predict. Pandemics, like earthquakes, wildfires, financial crises, and wars, are not normally distributed; there is no cycle of history to help us anticipate the next catastrophe. But when disaster strikes, we ought to be better prepared than the Romans were when Vesuvius erupted, or medieval Italians when the Black Death struck. We have science on our side, after all. Yet in 2020 the responses of many developed countries, including the United States, to a new virus from China were badly bungled. Why? Why did only a few Asian countries learn the right lessons from SARS and MERS? While populist leaders certainly performed poorly in the face of the COVID-19 pandemic, Niall Ferguson argues that more profound pathologies were at work—pathologies already visible in our responses to earlier disasters. In books going back nearly twenty years, including *Colossus*, *The Great Degeneration*, and *The Square and the Tower*, Ferguson has studied the foibles of modern America, from imperial hubris to bureaucratic sclerosis and online fragmentation. Drawing from multiple disciplines, including economics, cliodynamics, and network science, *Doom* offers not just a history but a general theory of disasters, showing why our ever more bureaucratic and complex systems are getting worse at handling them. *Doom* is the lesson of history that this country—indeed the West as a whole—urgently needs to learn, if we want to handle the next crisis better, and to avoid the ultimate doom of irreversible decline.

What if there was a secret road or a less traveled pathway to your dreams? One that was 100 times shorter and one that required little-to-no struggle? What if this path became ridiculously obvious once someone pointed it out? Sometimes by simply shifting your viewpoint, invisible things will become visible and new opportunities to rapidly reach your dreams will appear. Have you ever noticed that breakthroughs in business are occurring at light speed all around us as a result of entrepreneurs that have chosen to see the world through a different set of lenses? In *Better Than Beach Money*, Jordan Adler shares real life stories that will help you to view your life from a different angle. From this new point of view, you will discover roads and pathways, and see opportunities that can cause your dreams to materialize almost instantaneously. You will realize that you don't have to wait. You can begin to stray from that long, tedious path to achieving your goals and embrace a new way that can take you there much quicker. Most personal development trainers and efficiency experts propose writing down your dreams and taking daily action towards them. Sounds logical; this is a linear and very human process. But our brains don't exactly work in this way when it comes to attaining our dreams. Our dreams rarely come to us in a linear fashion. Our dreams happen quickly once we meet the right people, shift our perspective and open our minds to the quantum growth opportunities that are all around us. *Better than Beach Money* can take you there.

Dr. Seuss creates another timeless picture-book classic with *The Sneetches and Other Stories*. Are you a Star-Belly Sneetch or a Plain-Belly Sneetch? This delightful book contains four tales with deliciously subtle takes on how silly it is to be, well, silly. "The Sneetches," "The Zax," "Too Many Daves," and "What Was I Scared Of?" make this energetic compilation a must-have for every library. Full of Dr. Seuss's signature rhymes and unmistakable characters, it's perfect for new and lifelong Seuss fans. This Read & Listen edition contains audio narration.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times—for all the right reasons—but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Presents the chilling and twisted true story of millionaire heiress Lisa Paspalakis who was murdered by her husband Kosta Fotopoulos and his party-girl lover, Dierdre Hunt. Reprint.

A young Native American woman remembers her volatile childhood as she searches for her lost brother in the Canadian wilds in an extraordinary, critically acclaimed debut novel As she races along Canada's Douglas Channel in her speedboat—heading toward the place where her younger brother Jimmy, presumed drowned, was last seen—twenty-year-old Lisamarie Hill recalls her younger days. A volatile and precocious Native girl growing up in Kitamaat, the Haisla Indian reservation located five hundred miles north of Vancouver, Lisa came of age standing with her feet firmly planted in two different worlds: the spiritual realm of the Haisla and the sobering "real" world with its dangerous temptations of violence, drugs, and despair. From her beloved grandmother, Ma-ma-oo, she learned of tradition and magic; from her adored, Elvis-loving uncle Mick, a Native rights activist on a perilous course, she learned to see clearly, to speak her mind, and never to bow down. But the tragedies that have scarred her life and ultimately led her to these frigid waters cannot destroy her indomitable spirit, even though the ghosts that speak to her in the night warn her that the worst may be yet to come. Easily one of the most admired debut novels to appear in many a decade, Eden Robinson's *Monkey Beach* was immediately greeted with universal acclaim—called "gripping" by the San Diego Union-Tribune, "wonderful" by the Milwaukee Journal Sentinel, and "glorious" by the Globe and Mail, earning nominations for numerous literary awards before receiving the Ethel Wilson Fiction Prize. Evocative, moving, haunting, and devastatingly funny, it is an extraordinary read from a brilliant literary voice that must be heard.

AN INSTANT NEW YORK TIMES BESTSELLER "Sexy and satisfying, *Big Summer* is the perfect quarantine read." —USA TODAY "The beach read to end all beach reads." —Entertainment Weekly "Big fun, and then some. It's empowering and surprising—a reminder to put down the phone and enjoy each moment for what it is." —The Washington Post A deliciously funny, remarkably poignant, and simply unputdownable novel about the power of friendship, the lure of frenemies, and the importance of making peace with yourself through all life's ups and downs.

From the #1 New York Times bestselling author of *Good in Bed* and *Best Friends Forever*, *Big Summer* is the perfect escape with one of the most lovable heroines to come to the page in years. Six years after the fight that ended their friendship, Daphne Berg is shocked when Drue Cavanaugh walks back into her life, looking as lovely and successful as ever, with a massive favor to ask. Daphne hasn't spoken one word to Drue in all this time—she doesn't even hate-follow her ex-best friend on social media—so when Drue asks if she will be her maid-of-honor at the society wedding of the summer, Daphne is rightfully speechless. Drue was always the one who had everything—except the ability to hold onto friends. Meanwhile, Daphne's no longer the same self-effacing sidekick she was back in high school. She's built a life that she loves, including a growing career as a plus-size Instagram influencer. Letting glamorous, seductive Drue back into her life is risky, but it comes with an invitation to spend a weekend in a waterfront Cape Cod mansion. When Drue begs and pleads and dangles the prospect of cute single guys, Daphne finds herself powerless as ever to resist her friend's siren song. A sparkling novel about the complexities of female relationships, the pitfalls of living out loud and online, and the resilience of the human heart, *Big Summer* is a witty, moving story about family, friendship, and figuring out what matters most.

A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick "In Five Years is as clever as it is moving, the rare read-in-one-sitting novel you won't forget." —Chloe Benjamin, New York Times bestselling author of *The Immortalists* ?Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend's marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she's suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you're expecting.

"Making money while you sleep" has a nice ring to it, doesn't it? Then you have to start from "Affiliate Marketing 2021"; this Guide will Teach you the Best Method to Start Making Money Online.

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. *The Beach*, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF *PEOPLE WE MEET ON VACATION!* "Original, sparkling bright, and layered with feeling."--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people. Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness. Anna is not sick, but she might as well be. By age thirteen, she has undergone countless surgeries, transfusions, and shots so that her older sister, Kate, can somehow fight the leukemia that has plagued her since childhood. The product of preimplantation genetic diagnosis, Anna was conceived as a bone marrow match for Kate -- a life and a role that she has never challenged...until now. Like most teenagers, Anna is beginning to question who she truly is. But unlike most teenagers, she has always been defined in terms of her sister -- and so Anna makes a decision that for most would be unthinkable, a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves. *My Sister's Keeper* examines what it means to be a good parent, a good sister, a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are, if that quest makes you like yourself less? Should you follow your own heart, or let others lead you? Once again, in *My Sister's Keeper*, Jodi Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.

Packed with monster masks, mazes and much more, children can join in with Boo's adventures in Monstropolis.

In this debut novel set on the stormy, sultry coastal region of South Carolina, a woman with an unfaithful husband, resentful teenage daughter, and dark memories of the past embarks on a courageous search for the truth about her life. Reprint.

WOW...imagination like only a little boy can have, captured in a picture book! Sam Sam is a four year old boy whose imagination sees his cubby friends, Marzipan (his faithful cat - who also talks), Spoon, Dish and Tock (the cubby wall clock) come to life and join him on each adventure. The cubby house is the first in the series and sees Sam lead his friends on an adventure

where seas are filled with chocolate; mountains are made of marshmallow, giant vanilla icebergs and much more. This book is superbly illustrated and children will want to read the story over and over, as they too will imagine sharing Sam Sam's adventure.

Create Business Legacy Adventure In Homeless to Billionaire, Andres Pira presents eighteen principles for attracting wealth, creating opportunity, and celebrating self-discovery. Inspired by his own massive life changes, Pira's details his business journey from telemarketer to one of Thailand's best-known billionaires. Using his mentors like Bryan Tracy, Jack Canfield and Bob Proctor, Pira puts proven knowledge into action, innovating along the way, using his own employees and clients; through failure and success, the 18 Principles are forged. Uncanny wisdom, from this millennial adventurer turned businessman, is blended with proven research and case studies into powerful lessons. "Do whatever it is you want to do in life. Be whomever you want to be. Go wherever you want to go. Have whatever it is you want to have right now," urges Pira. It's part autobiography, part success workbook, and 100% life lessons. From making employees jump out of airplanes, to summiting mountain tops, Pira details how to move from fear to inspiration, competitiveness to domination, and student to mentor in business. His call to action is for readers to live their legacy every day. "I really enjoyed Homeless To Billionaire. It's a valuable work on wealth-creation that also reads like a thrilling adventure story. Take the time to visit the world of Andres Pira; you'll be richly rewarded for it." Gay Hendricks, Ph.D. Author of The Big Leap [www.hendricks.com](http://www.hendricks.com) "This book shares an inspiring, miraculous story that's a must read! It's packed full of Golden Nuggets and proven wealth principles to help you create your own miracle!" Debbie Allen International Speaker & Bestselling Author of The Highly Paid Expert and Success Is EASY "People who want proof that your mind can create reality need to read this inspiring book. Young Andres went from homeless to billionaire. His 18 principles are brilliant. They work!" Bob Proctor

CORETTA SCOTT KING AWARD WINNER • CALDECOTT HONOR BOOK • A NEW YORK TIMES BEST ILLUSTRATED BOOK Acclaimed artist Faith Ringgold seamlessly weaves fiction, autobiography, and African American history into a magical story that resonates with the universal wish for freedom, and will be cherished for generations. Cassie Louise Lightfoot has a dream: to be free to go wherever she wants for the rest of her life. One night, up on "tar beach," the rooftop of her family's Harlem apartment building, her dreams come true. The stars lift her up, and she flies over the city, claiming the buildings and the city as her own. As Cassie learns, anyone can fly. "All you need is somewhere to go you can't get to any other way. The next thing you know, you're flying among the stars."

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

In the bestselling tradition of Jojo Moyes and Jennifer Weiner, Jenny Colgan's moving, funny, and unforgettable novel tells the story of a heartbroken young woman who turns a new page in her life . . . by becoming a baker in the town of Cornwall A quiet seaside resort. An abandoned shop. A small flat. This is what awaits Polly Waterford when she arrives at the Cornish coast, fleeing a ruined relationship. To keep her mind off her troubles, Polly throws herself into her favorite hobby: making bread. But her relaxing weekend diversion quickly develops into a passion. As she pours her emotions into kneading and pounding the dough, each loaf becomes better than the last. Soon, Polly is working her magic with nuts and seeds, chocolate and sugar, and the local honey—courtesy of a handsome beekeeper. Packed with laughter and emotion, Little Beach Street Bakery is the story of how one woman discovered bright new life where she least expected—a heartwarming, mouthwatering modern-day Chocolat that has already become a massive international bestseller. Includes 7 Recipes!

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A GOOD MORNING AMERICA BOOK CLUB PICK "An intense psychological drama that will be embraced by serious book clubs and fans of Lionel Shriver's We Need to Talk about Kevin." —Kristin Hannah, #1 New York Times bestselling author "A poetic, propulsive read that set my nerves jangling." —Lisa Jewell, #1 New York Times bestselling author of Then She Was Gone A tense, page-turning psychological drama about the making and breaking of a family—and a woman whose experience of motherhood is nothing at all what she hoped for—and everything she

feared Blythe Connor is determined that she will be the warm, comforting mother to her new baby Violet that she herself never had. But in the thick of motherhood's exhausting early days, Blythe becomes convinced that something is wrong with her daughter—she doesn't behave like most children do. Or is it all in Blythe's head? Her husband, Fox, says she's imagining things. The more Fox dismisses her fears, the more Blythe begins to question her own sanity, and the more we begin to question what Blythe is telling us about her life as well. Then their son Sam is born—and with him, Blythe has the blissful connection she'd always imagined with her child. Even Violet seems to love her little brother. But when life as they know it is changed in an instant, the devastating fall-out forces Blythe to face the truth. *The Push* is a tour de force you will read in a sitting, an utterly immersive novel that will challenge everything you think you know about motherhood, about what we owe our children, and what it feels like when women are not believed.

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen. 'Another indispensable classic' *The Times* "Ray Bradbury's gift for storytelling reshaped our culture and expanded our world" Barack Obama Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic dystopian novel of a post-literate future, *Fahrenheit 451* stands alongside Orwell's *1984* and Huxley's *Brave New World* as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, decades on from first publication, still has the power to dazzle and shock.
