milestones to watch for, and great ideas to try today, *Beyond Bedtime Stories* is essential reading. For use with Grades Infant-K.

In *Healing Night*, sleep and dream expert Rubin Naiman explores sleeping, dreaming, and awakening, going far beyond the science of sleep medicine to reflect on what he believes is the profoundly spiritual nature of night consciousness. Naiman reveals how the erosion of night by artificial light and the devaluation of sleep and dreaming have led to an epidemic of sleep disorders and consequent days of chronically dazed waking consciousness. Drawing on both clinical experience and personal explorations, Naiman offers a fresh look at sleep and dreams, and provides alternative healing practices for sleep disturbances. Moreover, he challenges us to acknowledge our spiritual night blindness and embrace the sacredness of night. This edition was revised in 2009.

Colorful Chameleon?

"Call her Our Lady, La Nuestra Señora, Holy Mother—or one of her thousands of other names," says Dr. Estés. "She wears hundreds of costumes, dozens of skin tones, is patroness of deserts, mountains, stars and oceans. Thus she comes to us in billions of images, but at her centre, she is the Great Immaculate Heart." With Untie the Strong Woman, Dr. Clarissa Pinkola Estés invites us to reconnect with "the fierce and loving Blessed Mother who is friendly, but never tame—she who flies to our aid when the road is long and our hearts are broken, ever ready to rekindle the inner fire of our creative souls." In her first book in more than a decade, Dr. Estés illuminates Our Lady through blessings, images, and narrative, including: • Stories of connecting with the Blessed Mother, including "Meeting the Lady in Red", and "Untie the Strong Woman" • Blessed Mother's many images from around the world, including "Litany of The Mother Road: A Chant of Her Incandescent Names"; "A Man Named Mary"; and "The Marys of Mother Africa" • The wild side of her love, including "Massacre of the Dreamers: The Maiz Mother"; "Holy Card of Swords Through the Heart"; and "Guadalupe is a Girl Gang Leader in Heaven" "The Blessed Mother is often 'Friend to the friendless one' and Mother to all—yet too many of us have been estranged from her for far too long." Untie the Strong Woman opens a channel to this sacred and nurturing force—"breaking through walls that have held us back from her presence, and instead, inviting us to shelter under her starry green mantle".

People who sleep with a peaceful mind tend to have fewer issues as compared to those who are disturbed by the issues, they faced during the day right before falling asleep. There is anything you could want out of a story here. Our first story is reminiscent of a children's bedtime story, but it has some themes in it that only an adult reader will understand. The relationship between our characters is like a relationship between a mother and a daughter, which is something that almost anyone can relate to. Our second story will be loved most by fans of fantasy. The main character hails from the Kingdom of Fenmore, the daughter of the Emperor of Drasys. She flees from an arranged marriage to a stranger, but her path takes an unexpected turn. She learns much about herself when she escapes the life that was made for her. Even if you don't usually read fantasy, we think you will enjoy this one for the characters and story alone. The third story is a lot like a farce in a sitcom. Two roommates are usually friends, but one surprises the other with a blind date, and things don't turn out the way he expected. This one is certainly the most light-hearted of the collection, so if you want to start with something that won't take too much thinking, "Birthday Mix-up" may be the best story for you to start with. Just make sure you read the other four, too. Topher's Ultimatum is the fourth story, and it is one that anyone who has worked in a modern office will be able to relate to. It will cause you to think about all the

possibilities that you don't usually consider when you work in a humdrum office setting, but it will also make you think about the potential consequences of doing so. Our main character is put through a lot in this story, and he is meant for you to identify with while also being able to see how you would act differently. Finally, our fifth and final story is called Outside of Lease. The main character is a young man named Curtis, who winds up in a series of situations he never thought he would, all because he has nowhere to stay when his apartment lease ends, making him effectively homeless for three weeks in the summer. There is only so much we can cover in these short summaries, so even if one of these stories doesn't sound intriguing at first, we encourage you to read it for at least a few pages and see where it goes. We think you will find something valuable in all of them, especially in terms of meditating and falling asleep.
