

## Before The Larkspur Blooms A Prairie Hearts Novel Book 2

Newport, Oregon, 1883: Discovering his saloon-girl mother has known all along who sired him, Jake takes his fate into his own hands and travels away from the only family he's ever known. Unaware of what awaits him at the end of his train ride, Jake discovers not only a dying father, but a surprise that will change his life--forever. More is on the line than returning to Logan Meadows, where Daisy Smith awaits the wedding he's promised;. Given new awakenings, bitter sorrow, and a daring escape, will Jake return a whole man? Or will the happiness he and Daisy have been building for the last two years be lost When Wind Meets Wave... -- Back cover.

A charmingly illustrated keepsake and guide to native, wild plants of North America. In this exquisitely detailed naturalist's handbook, Laura C. Martin provides profiles of 85 wild plants and flowers found across North America, each accompanied by lovingly illustrated and charming watercolor paintings. With dozens of notes, arrows, and details, each chapter encourages the reader to look at the plants as a naturalist would—opening up a whole new way of seeing nature. Martin gives details on where the plants can be found, how they grow, how to identify them, and what natural properties they each have. The handbook features plants from across North America, including the Purple Coneflower, found along the East Coast from Quebec to Florida, and the Opuntia (prickly pear) cacti found in Mexico and America's Southwest. In addition to the wildflower profiles, readers will find information on growing native plants, instructions for plant crafts, tips for conservation, and ideas for activities with children. They'll also discover recipes for teas, herb mixes, tinctures, and salves using the plants described. Crafts and activities include making dyes, simple baskets, wreaths, and crowns. A Naturalist's Book of Wildflowers is a gift book and field guide in one, with its treasure trove of handy information and beautiful colored drawings.

My name is Larkspur, and I am an Elemental. My people use the power of the earth to sustain life and defy our enemies. I should be at my father's side as a royal princess. But as a half-breed, bastard child, that isn't going to happen. I've been accused of attacking the queen, my wicked stepmother, and my life is suddenly on the line. I have only two options left to me: banishment, or training to become one of the King's Elite Guards, an Ender. Option one will kill me. Option two is meant to break me, but it's the only way to survive. Did I mention I have no power like the rest of the elementals, and my connection to the earth is worth next to nothing? Could things get any worse? Of course they can. Welcome to being an Elemental

Can love shatter her stubborn pride? In the high mountains of Colorado, Clayton Taggart dreams of the day when he can leave the rough life of a mine surveyor to become a teacher. In the midst of his plans, he meets Jackie Fontaine, a newcomer from the East whose strongwilled spirit causes friction from the start. Just as the spark of love ignites, tragedy strikes, leaving Jackie with a secret so terrible she would rather lose Clay than share it with him. Can anything draw Jackie from her self-imposed exile and open the shutters of her blinded heart? Lori Wick at her best...a tender love story set in the exciting early West—a book you won't be able to put down!

Maggie is thirty-six, recently divorced and embarrassingly unemployed. With a bank account nearing zero she does the only thing she can think of: make a business proposition to her gorgeous and successful estranged mother. To Maggie's utter surprise, her mother agrees. Any funds she can create off the sale of the dilapidated family inn on the island of Magnolia would be hers to invest. When they stumble upon an old photograph of Maggie's grandmother buried up in the attic, Maggie can't help but be drawn to a woman she's never met. In an attempt to feel closer to a family she never knew, a book club is revitalized. The Red Stiletto Book Club. What starts out as an act of desperation, soon becomes exactly what the women of Magnolia island were looking for, a sisterhood.

Ranunculales Medicinal Plants: Biodiversity, Chemodiversity and Pharmacotherapy comprehensively covers this order of flowering plants, detailing the phytochemistry, chemotaxonomy, molecular biology, and phylogeny of selected medicinal plants families and genera and their relevance to drug efficacy. The book carries out an exhaustive survey of the literature in order to characterize global trends in the application of flexible technologies. The interrelationship between Chinese species, and between Chinese and non-Chinese species, is inferred through molecular phylogeny and based on nuclear and chloroplast DNA sequencing. The book discusses the conflict between chemotaxonomy and molecular phylogeny in the context of drug discovery and development. Users will find invaluable and holistic coverage on the study of Ranunculales that will make this the go-to pharmaceutical resource. Describes current perceptions of biodiversity and chemodiversity of Ranunculales Explains how the conceptual framework of plant pharmacophylogeny benefits the sustainable exploitation of Ranunculales Details how Ranunculales medicinal plants work from the chemical level upward Covers how the polypharmacology of Ranunculales compounds might inspire new chemical entity design and development for improved treatment outcomes

A Time To Rebuild It's gone—everything Annie Hennessey, and two generations of Hennesseys before her, had worked so hard to build. The devastating forest fire didn't just claim her family's Sweetheart Inn—it also burned half a town whose livelihood is wedding tourism. Now the struggle to rebuild is just beginning, and Sam Wyler's sudden reappearance isn't going to make things any easier on Annie. Nine years ago, Annie and Sam were deeply in love. When he left to seek his fortune, Annie couldn't forgive him. Now Sam, widowed with a young daughter, is back and eager to help the town recover. But Annie needs more than bricks and builders to heal her proud and wounded heart. Could the love they once shared hold the key?

Before the Larkspur Blooms

USA Today bestselling author Caroline Fyffe invites you back to Eden, Colorado, where five sisters have inherited the town--and are winning over men's hearts one by one. Since their father's death summoned Lavinia Brinkman and her four sisters to Eden, Colorado, Lavinia has been content with her new life. Well, almost. Lavinia's heart's desire--creating the elaborate hats she loves--doesn't belong in this small town. How can she choose between the life she has and the life she wants? Especially when she's so utterly vexed by the handsome scoundrel who's just arrived in Eden. Rhett Laughlin intends to fulfill a dream and open a profitable restaurant in the growing town. Instead, he's marched right into trouble with one of Eden's most eligible bachelorettes. But as much as Lavinia Brinkman is making things difficult, Rhett can't keep himself from thinking about her. With every spirited encounter, the animosity between Rhett and Lavinia is starting to look a lot like attraction. And the town of Eden is about to discover what happens when these rivals find what truly lies in their hearts...

A straitlaced bookseller and a rowdy trail guide fight their ill-suited attraction in Book Five of the Prairie Hearts series by USA Today bestselling author Caroline Fyffe. Wyoming Territory, October 1883 Tabitha Canterbury came to Logan Meadows with one goal: to open the bookshop she's always dreamed of having. In a town full of illiterate cowboys, though, making the Storybook Lodge a success is easier said than done. And things get more complicated when the saloon next door gets a new co-owner and Tabitha finds herself falling for the wrong sort of man.... After a lifetime guiding settlers across the prairie, Hunter Wade isn't looking to stay put in Logan Meadows. But as a partner in the Bright Nugget saloon, he's determined to turn a profit--and if that puts him in competition with Miss Hoity-Toity Canterbury, that's fine. Even if she is beautiful, and clever, and always ready with a witty retort. Can these two stubborn souls come together--or will pride keep them apart?

"A fascinating study of the trees, shrubs, and vines that feed the insects, birds, and other animals in the suburban garden." —The New York Times As development and habitat destruction accelerate, there are increasing pressures on wildlife populations. In Bringing Nature Home, Douglas W. Tallamy reveals the unbreakable link between native plant species and native wildlife—native insects cannot, or will not, eat alien plants. When native plants disappear, the insects disappear, impoverishing the food source for birds and other animals. But there is an important and simple step we can all take to help reverse this alarming trend: everyone with access to a patch of earth can make a significant contribution toward sustaining biodiversity by simply choosing native plants. By acting on Douglas Tallamy's practical and achievable recommendations, we can all make a difference.

Everyone longs for fragrant spring blossoms – Snapdragons, Bells of Ireland, Sweet Peas, Sweet Williams and other beauties. But few grow them successfully in their own gardens because they haven't learned the simple techniques that make it possible. Expert flower grower Lisa Mason Zeigler introduces us to the long-blooming stars of the spring garden, the hardy annuals – those flowers that thrive when they are planted during cool conditions (instead of waiting until the warmth of spring). Forget “Some Like It Hot,” she advises, and give them a cool start. Plant them in the right spot at the right time, nestle their roots deep into rich organic soil, and stand back. In no time at all, you'll have a low-maintenance, vibrant spring flower garden that keeps on blooming when other annuals are dead and gone.

The Wild Parrots of Telegraph Hill is the inspiring story of how one man found his life's work—and true love—among a gang of wild parrots roosting in one of America's most picturesque urban settings. Mark Bittner was down on his luck. He'd gone to San Francisco at the age of twenty-one to take a stab at a music career, but he hadn't had much success. After many years as an odd-jobber in the area, he accepted work as a housekeeper for an elderly woman. The gig came with a rent-free studio apartment on the city's famed Telegraph Hill, which had somehow become home to a flock of brilliantly colored wild parrots. In this unforgettable story, Bittner recounts how he became fascinated by the birds and made up his mind to get to know them and gain their trust. He succeeds to such a degree that he becomes the local wild parrot expert and a tourist attraction. People can't help gawking at the man who, during daily feedings, stands with parrots perched along both arms and atop his head. When a documentary filmmaker comes along to capture the phenomenon on film, the story takes a surprising turn, and Bittner's life truly takes flight.

O Pioneers! is the first novel of Willa Cather's Great Plains trilogy, followed by The Song of the Lark and My Ántonia. O Pioneers! tells the story of the Bergsons, a family of Swedish-American immigrants in the farm country near the fictional town of Hanover, Nebraska, at the turn of the 20th century. The main character, Alexandra Bergson, inherits the family farmland when her father dies, and she devotes her life to making the farm a viable enterprise at a time when many other immigrant families are giving up and leaving the prairie.

After spending nine years as a missionary in Africa and losing his wife to illness, Joshua Norton is exhausted, emotionally and physically. He returns home to the frontier Montana town of Sweetwater Springs with his estranged nine-year-old son in tow, hoping to rebuild his relationship with the boy. Meanwhile, New Orleans resident Delia Fortier plots to escape the terrible fate her mother has planned for her: becoming the mistress of a cruel, powerful politician. The mixed-race secret daughter of a wealthy Creole businessman, Delia boldly seeks help from her father's family. Although the rest of the family spurns her, her father is delighted to learn of Delia's existence and offers her an opportunity: travel west with him, pretending to be his legitimate daughter. When Joshua and Delia meet, their intense attraction is undeniable. But will Delia's secret stand in the way of their love? Or will prejudice destroy their future...and their lives? A stirring, sweeping frontier romance, Glorious Montana Sky is the fourth title in the bestselling series that has enchanted listeners.
