

Before We Are Born 8th Edition

It was October 2006 when Cathleen Kahn slipped into a mishapen gown, flipped through an old magazine, and waited for the radiologist to read her annual mammogram. She was expecting the appointment to be routine. Cathleen was simply too busy for a result other than normal. But when she was told there was a mass and that she needed a biopsy, her life changed forever. Moments later, Cathleen sat in her car without any idea of how she got there. Her head hurt, she was having trouble breathing, and she needed her mom. In a poignant narrative, Cathleen discloses her journey through breast cancer from the moment she learned about the mass, through her treatments and ultimate healing, and the moment when she realized she was finally happy again. Sprinkled throughout her candid story are yoga flows that helped her work through some of the mental and physical struggles of cancer that included fears, stress, anger, self-acceptance, grief, and post-surgical pain. Badass and Bendy is the story of one woman's journey through breast cancer as yoga helped her bravely immerse herself in the fight of her life and eventually find happiness and hope again.

This is the English version of the original in Portuguese (2017): "Nasci Mãe de Santo - A maravilhosa história da Yalorixá Mãe Senhora de Umbanda, Sacerdotisa de Z A M B Y" (ISBN 978-85-924121-0-4). The book is a tribute to Mãe Senhora de Umbanda, in her extremely rare condition as Yalorixá Priestess of Z A M B Y, Consecrated by the Most High, Daughter of Ogum Quebramar and Yansã Guaracyara, Leaders Orixás of the Tenda de Umbanda Morada dos Orixás. It describes her beautiful trajectory in Umbanda in this reincarnation (1930-2015), preceded that was by her Consecration by the HIGHEST - hence the title "I was born Mother of Saint", with emphasis on her total adoration to the CREATOR, as the faithful and discreet servant, and her greater mission, given by Our Father OXALÁ - and fulfilled with praise, to carry the Love of Our Lord JESUS to the depths of the Abyss. Preliminarily to this description, covered in Part II of the book, it is made a contextualization in relation to Umbanda, as detailed in Part I, in which is given emphasis to the Meaning, Origin and Organization of UMBANDA, including related themes, such as religious syncretism, evolution of spirits, Umbral and Quimbanda. The gestation of the book dates back to the 1980s, when the author, Laerte do Cachoeira, was honored by Yansã Guaracyara with the mission of one day writing it, as Yobá of Yansã ('The Eyes of Yansã'). Throughout this period, records were made of guidelines and revelations made by the Orixás and the People of Exu when incorporated in Mãe Senhora de Umbanda during the giras (sessions) in the Terreiro, as well as testimonies made by Mãe Senhora, in addition to recordings in audios and videos, which were compiled and organized after her passage. The records that were selected and included in the book are duly referenced, either in the body of the text or in footnotes. Everything else in the book, although it expresses the author's own thought, it is his conviction that mirrors all guidance and help received from the Orixás and the Exu People, under the command of Ogum Quebramar and Yansã Guaracyara, for the elaboration of this tribute from the Tenda de Umbanda Morada dos Orixás to its Beloved Yalorixá. It is important to note that, in line with the Statutes of the Tenda de Umbanda Morada dos Orixás, this book will not be sold, either in part or in whole. To this end, the book, including all attachments, with photos, audios and videos, is being freely available on the internet (for unrestricted public access) at <https://msumbanda.blogspot.com.br/> . However, it is requested that eventual quotes are properly referenced.
