This work provides an introduction to the enormously successful world of Bollywood - the biggest film industry

on the planet. It includes a selection of writings by some of the most prominent voices in Indian film writing and criticism.

India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies, Film Studies and Cultural Studies.

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

Written in 1980, this novel by prize-winning Indian writer Mahasweta Devi, translated and introduced by Gayatri Chakravorty Spivak, is remarkable for the way in which it touches on vital issues that have in subsequent decades grown into matters of urgent social concern. colonial rule to independence, and then to the unrest of the 1970s. Traces the changes, some forced, some welcome, in the daily lives of a marginalized rural community. Raises questions about the place of the tribal on the map of national identity, land rights and human rights, the 'museumization' of 'ethnic' cultures, and the justifications of violent resistance as the last resort of a desperate people. Represents enlightening reading for students and scholars of postcolonial literature and postcolonial studies.

Using the historical principles of the Oxford English Dictionary, Lise Winer presents the first scholarly dictionary of this unique language. The dictionary comprises over 12,200 entries, including over 4500 for flora and fauna alone, with numerous cross-references. Entries include definitions, alternative spellings, pronunciations, etymologies, grammatical information, and illustrative citations of usage. Winer draws from a wide range of sources - newspapers, literature, scientific reports, sound recordings of songs and interviews, spoken language - to provide a wealth and depth of language, clearly situated within a historical, cultural, and social context.

Hrishikesh Mukherjee's films have brought immense joy to generations of film lovers, and a new generation is now being impressed by his works, thanks to the many repeated telecasts on various channels of his classic comedies such as Gol Maal and Chupke Chupke among others. This book is about the forty-two films that were directed by Hrishikesh Mukherjee and how his vision of humans is as important as that of his mentor, Bimal Roy. The book is both a fan's perspective and a complete listing of all the released films of Mukherjee from 1957 till 1998.

This is a fascinating tale of three girls who encountered amazing adventures as young teenagers, shared beautiful moments, and had a great sense of camaraderie. But as they embark on a journey of life,

they encounter a chain of events that change their lives for the better or worse. It is a tale of the rewards , the medley of emotions they experience, the constraints they face, and the perils of breaking free from the past that finally shape their passage to independence. Both of you are at the cusp of an exciting stage. Things are not so rosy for me. I am depressed by this dull and weary life was what a young girl, Anne, had told her smart city-bred friends. Anne did not complain and did not feel sorry for herself. She danced when the sun shone, lay low in winter, collected colorful fall leaves in autumn, enjoyed her walk in the spring. She enjoyed the seasons of her life. Her friends Meena and Sunita chose to liberate themselves from the marriage to seek adventure, freedom, and independence, but were they jeopardizing everything they had? The journey of life of these three girls is filled with a magical mosaic of love ,friendship ,betrayal, despair, and hope. We are shown how, when encountering struggle and dealing with our inner conflicts, we learn important lessons that are sometimes bitter and sometimes sweet.
