

## Best Guided Meditation For Beginners

? 55% SPECIAL DISCOUNT only for Bookstores! Buy each copy of this 3-in-1 book for \$16,18 instead of \$35.95! ? Do you want to feel better and fitter, both mentally and physically? Have you been searching for that elusive inner peace? Do you want to be able to solve problems, learn to accept yourself and declutter your mind? Millions of us feel tired, stressed and washed out nowadays, mostly due to the way the world is and how we are expected to fit into it, as well as the competing demands for our time and attention that seem to be endless. Finding peace amidst this chaos can be a challenge but there is hope. Inside the pages of this book, Mindfulness Meditation for Beginners, you will discover how this ancient oriental practice can help you face the modern world and come out on top, with tips and practical exercises for: Breathing techniques to help keep you calm Different styles of meditation to practice Mindfulness yoga for body and soul Developing an awareness of the 5 senses Walking meditation The importance of nutrition every day Mindfulness and yoga that is ideal for children And lots more... It is an accepted part of life that we all face problems, usually on a daily basis. It is up to us to solve these problems and for the most part we do. But when the time comes that we face something that seems to be insurmountable, then Mindfulness Meditation for Beginners, will provide you with all the practical and theoretical help you will ever need. Get a copy now and start changing the world you live in today!

Sometimes life seems like it's all about hurrying—so many places to go! And sometimes it's hard when things don't go your way—it can make a piggy angry and sad. So how do young piggies find a peaceful place in a frustrating world? They meditate! They find a quiet spot, a special place with a few simple things, and just breathe. They do this every day, feeling their breath going in and out. They slow down and calm down. Now it's easier to deal with whatever comes their way, and they have time to notice all the magical things in life, too!

The very essence of meditation is finding peace within the chaos that enshrouds us all in our daily lives, and if we can just get ourselves to look at that daunting word a little bit differently, we will come to see that we don't need to have that sacred temple or shrine wherein we seek to cast aside our thoughts and enter the blissful state of no mind we so desperately seek to attain. In this book you will learn all about the techniques that you will be able to use most effectively where it comes to performing meditation anywhere and anytime. You will come to see that what you once believed was a task best left to rishis and sages in the mystical Himalayas, is really something you can perform with the utmost ease, several times a day. Restore balance to your life and live in the moment Mindfulness is a proven meditation technique that can help you restore balance in your personal life. Now, the author of Mindfulness For Dummies shows you step-by-step how to put the lessons of his book into practice. Inside you'll find a huge number of hands-on exercises and techniques to help you to live in the present, let go of negative, distracting, and judgmental thoughts, and achieve greater happiness and contentment in your life. Mindfulness can be applied to a range of conditions, including depression, anxiety, stress, fatigue, or illness Practicing mindfulness promotes well-being and improves quality of life The audio CD contains guided meditations to enhance the practical guidance within the book Mindfulness Workbook For Dummies gives you the tools you need to pay attention to the present without judgment, and build a happier life. CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

What is meditation? Why practice it? Which techniques is best? How do I do it? The answers to these often-asked questions are contained in this down-to-earth book, making it of enormous value for anyone who wishes to begin and maintain a meditation practice. Written by a Western Buddhist nun with solid experience in both the practice and teaching of meditation, How to Meditate contains a wealth of practical advice on a variety of authentic techniques,

from what to do with our minds, to how to sit, to visualizations and other traditional practices. Best of all, McDonald's approach is warm and encouraging. The next best thing to private instruction!

The landmark work on mindfulness, meditation, and healing, now revised and updated after twenty-five years *Stress*. It can sap our energy, undermine our health if we let it, even shorten our lives. It makes us more vulnerable to anxiety and depression, disconnection and disease. Based on Jon Kabat-Zinn's renowned mindfulness-based stress reduction program, this classic, groundbreaking work—which gave rise to a whole new field in medicine and psychology—shows you how to use medically proven mind-body approaches derived from meditation and yoga to counteract stress, establish greater balance of body and mind, and stimulate well-being and healing. By engaging in these mindfulness practices and integrating them into your life from moment to moment and from day to day, you can learn to manage chronic pain, promote optimal healing, reduce anxiety and feelings of panic, and improve the overall quality of your life, relationships, and social networks. This second edition features results from recent studies on the science of mindfulness, a new Introduction, up-to-date statistics, and an extensive updated reading list. *Full Catastrophe Living* is a book for the young and the old, the well and the ill, and anyone trying to live a healthier and saner life in our fast-paced world. Praise for *Full Catastrophe Living* “To say that this wise, deep book is helpful to those who face the challenges of human crisis would be a vast understatement. It is essential, unique, and, above all, fundamentally healing.”—Donald M. Berwick, M.D., president emeritus and senior fellow, Institute for Healthcare Improvement “One of the great classics of mind/body medicine.”—Rachel Naomi Remen, M.D., author of *Kitchen Table Wisdom* “A book for everyone . . . Jon Kabat-Zinn has done more than any other person on the planet to spread the power of mindfulness to the lives of ordinary people and major societal institutions.”—Richard J. Davidson, founder and chair, Center for Investigating Healthy Minds, University of Wisconsin–Madison “This is the ultimate owner's manual for our lives. What a gift!”—Amy Gross, former editor in chief, *O: The Oprah Magazine* “I first read *Full Catastrophe Living* in my early twenties and it changed my life.”—Chade-Meng Tan, Jolly Good Fellow of Google and author of *Search Inside Yourself* “Jon Kabat-Zinn's classic work on the practice of mindfulness to alleviate stress and human suffering stands the test of time, a most useful resource and practical guide. I recommend this new edition enthusiastically to doctors, patients, and anyone interested in learning to use the power of focused awareness to meet life's challenges, whether great or small.”—Andrew Weil, M.D., author of *Spontaneous Happiness* and *8 Weeks to Optimum Health* “How wonderful to have a new and updated version of this classic book that invited so many of us down a path that transformed our minds and awakened us to the beauty of each moment, day-by-day, through our lives. This second edition, building on the first, is sure to become a treasured sourcebook and traveling companion for new generations who seek the wisdom to live full and fulfilling lives.”—Diana Chapman Walsh, Ph.D., president emerita of Wellesley College

“A must-read for anyone interested in incorporating meditation into their lifestyle.” —Sanjay Gupta, MD, chief medical correspondent for CNN *Heartfulness* is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old *Heartfulness* tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person's faith. Our modern, fast-paced world can be an overwhelming place. Every day, we're bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must

meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji's own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning “Natural Path”—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, The Heartfulness Way goes further, providing a pragmatic course to experience those states for oneself, which, per the book's guiding principle, is “greater than knowledge.” Heartfulness meditation consists of four elements—relaxation, meditation, cleaning, and prayer—and illuminates the ancient, defining feature of yogic transmission (or pranahuti), the utilization of divine energy for spiritual growth and transformation. Using the method, detailed practices, tips, and practical philosophy offered in this book, you'll reach new levels of attainment and learn to live a life more deeply connected to the values of the Heartfulness way—with acceptance, humility, compassion, empathy, and love.

More and more people are beginning to recognize a profound inner longing for authenticity, connection, compassion, and aliveness. Meditation, Pema explains, gives us a golden key to address this yearning. This comprehensive guide shows readers how to honestly meet and openly relate with the mind to embrace the fullness of our experience as we discover:

- The basics of meditation, from getting settled and the six points of posture to working with your breath and cultivating an attitude of unconditional friendliness
- Gentleness, patience and humor – three ingredients for a well-balanced practice
- Shamatha (or calm abiding), the art of stabilizing the mind to remain present with whatever arises
- Thoughts and emotions as “sheer delight”—instead of obstacles-in meditation

Here is a indispensable book from the meditation teacher who remains a first choice for students the world over. Ani Pema Chödrön is an American-born Tibetan Buddhist nun and best selling author. She taught as an elementary school teacher for many years in both New Mexico and California. Pema has two children and three grandchildren.

With over a quarter of a million copies sold, *Mindfulness in Plain English* is one of the most influential books in the burgeoning field of mindfulness and a timeless classic introduction to meditation. The only book that gives you a mindful guide to yoga to help future-proof your body. Avoid putting stress on your joints and heart with this slower yoga style. In today's fast-paced world it's easy to lose the balance in our lives and the connection with our bodies. Yin Yoga offers a remedy to the stress and hustle of everyday life. As yin balances yang in Taoist philosophies, so the slower yin-style yoga offers an alternative to the faster, more active forms of yoga such as ashtanga. Yin yoga concentrates on holding and breathing through floor-based poses, allowing you the time and space to clear your mind and stretch your body. The 54 meditative poses and 20 targeted sequences will help you attain a sense of mindfulness and physical well-being, making it the perfect complement to a busy, active yang lifestyle and bringing you back into balance.

Are you stressed and anxious? Would you like to have a quieter, more relaxed life? If you answer is YES, then keep reading... Self-Guided Meditation has become more prevalent in stress management and enhancement of mindfulness. Meditation cultivates mindfulness. It involves having an awareness of your mind at a particular moment. During meditation, you might experience disruptive thoughts, but the process

allows you to let them go. With a clear mind, you can embrace new ideas and perspectives. As such, you get new ways of handling stressful situations, among other issues. While meditation hails predominantly in India, the concept is devoid of Buddhism. Individuals have a mindful nature, and meditation ranks as one of the essentials of human capacity. Mindfulness allows people to have fewer reactions to external happenings. The situation creates attention that helps to clear the mind, generate energy, and promote joy. The process of meditation is dependent on a few aspects that play a crucial role in the determination of how effective the eventual outcomes. When preparing for meditation, one needs to consider the immediate environment as a critical factor towards achieving the desired end goal. Self-Guided Meditation is most effective when in a serene, quiet surrounding away from the distractions of life. The process of preparing for meditation may require a keen focus on the calmness of the surroundings and the comfort within which the body and mind can enter into a space of complete relaxation. If in a room, ensure that the place is well-ventilated to allow for the circulation of fresh air into the room. Breathing is a critical part of the process of meditation, which means that a ventilated setting is a necessity. In this book, you will learn more about: What is Meditation How Can Guided Meditation Help You Benefits of Meditation Illustration of Meditation Points Mindfulness Meditation Deep Sleep techniques Beginner Kundalini Meditation Breathing Exercises Throughout the Day Guided Meditation Techniques to Open the Third Eye Practical Tip for Meditation After reading this book you will be able to self meditate and take full control of your feelings and emotions. So, what you are waiting for? Click on the BUY NOW button, sit comfortable and start living a better life.

Meditation is not only about crystals, hypnotic folk music and incense sticks! Forget about sitting in unnatural and uncomfortable positions while going "ommmmm...." It is not a club full of yoga masters, Shaolin monks, hippies and new-agers. It is super practical and universal practice, that can improve your overall brain performance and happiness! -Looking to be truly happy... not just fake smiles anymore? -Sick of being held up and helpless, a victim of terrible circumstance? -Do you really want to be a slave to your emotions anymore? -Are you so depressed and negative that no one really enjoys spending time with you? Well, I was not necessarily talking to you, but if it speaks to you, you have picked up the right book! Most People Walk Through Their Life In a Walking Daze And I was too. I was constantly fighting everything going on in my life; with my mind. Day to day stressors like traffic, the mean lady at the gas station with the bad breath that I had to see every morning, and the long hours put in at work, were enough to drain me. My boss, with his long nose hair, breathing down my neck about my productivity level was enough to deplete a person every day. "What do I do? What will happen next? What if, what if, what if...?" I could not even enjoy a second of my day, because I was lost in worry and stress over what was going to happen next and what I could do to maybe control it. In this book you will find techniques to step out of your thinking and allow your mind to finally rest. When meditating, you take a step back from actively thinking your thoughts, and instead, see them for what they are. The reason why meditation is helpful in reducing stress and attaining peace is that it gives your over-active conscious a break. Just like your body needs it, your mind does too! I give you the gift of peace that I was able to attain through present moment awareness. In This Book I'll Show You: -My favorite meditation and mindfulness techniques perfect

for ordinary busy people like you and me -My personal experience -How exactly do I practice and how it helped me in so many ways -How to maintain stillness, peace and focus in everyday life -How to stick to your meditation practice and maintain high level of motivation -The right mindset you should have to keep your brain and thoughts healthy -A few simple things you can do to instantly feel better and happier! -And many, many more! Table of Contents: Introduction: Why Meditation For Life Success? Chapter 1: Meditation? What it's all about? Chapter 2: Let's Get Started! Various types of Meditation/Guided Meditations Chapter 3: Meditation and Stillness in Everyday Life Chapter 4: How to Maintain Inner Peace and Never Feel Anxious or Distracted Again Chapter 5: Conclusion

In this New York Times bestseller, you will discover how the calmness of Zen masters can help you stop time, refuel, and focus on the things that really matter. Our world is an overwhelming place. Each day's commitments to career and family take everything we've got, and we struggle to focus on our health, relationships, and purpose in life. Technology brings endless information to our fingertips, but the one thing we really want—a sense of satisfaction and contentment—remains out of reach. Pedram Shojai is here to change all of that. With practice, you can stop time, refuel, and focus on the things that really matter, even among the chaos that constantly surrounds us. His no-nonsense life mastery program brings together clear tools to elevate your existence. He guides you in learning to honor the body and mind, discharge stuck energy, and shake free from toxicity and excess stress. The world needs you to step up and live your life to the fullest. Pedram Shojai is the Urban Monk who can show you how to drink from infinity, find peace and prosperity, and thrive.

Meditation instructor, Deepak Chopra protégé, director of Meditation Wanderlust Hollywood, and Lululemon ambassador Megan Monahan presents a no-nonsense guide to meditation for everyday soul-searchers. This modern guide to meditation from instructor Megan Monahan takes readers beyond empty Instagram truisms to the simple yet effective ways to "meditate their way through the bad shit and into the good shit." With a fresh voice and perspective, Monahan presents a set of tools grounded in a meditation technique that is impossible to screw up. With her help, you'll unpack the five spiritual mindsets (Presence, Acceptance, Intention, Nonjudgment, and Trust, aka PAINT) that are key to moving out of constriction and fear and into a more expansive

space within yourself and your life. Ultimately, you will quickly notice, at any triggering moment, where you're getting stuck and how to more consciously move through it. The good news? This process is applicable to everything in your life, from missing a flight to seeing your ex's engagement photo on social media to losing your job. Wouldn't it be nice to not be completely leveled by any of those occurrences? Plot twist: After reading this book, taking the quizzes, and doing the themed meditations . . . you won't be! 'If you're thinking about trying mindfulness, this is the perfect introduction....I'm grateful to Andy for helping me on this journey.' BILL GATES 'It's kind of genius' EMMA WATSON Feeling stressed about Christmas/Brexit/everthing? Try this... Demystifying meditation for the modern world: an accessible and practical route to improved health, happiness and well being, in as little as 10 minutes. Andy Puddicombe, founder of the celebrated Headspace, is on a mission: to get people to take 10 minutes out of their day to sit in the now. Here he shares his simple to learn, but highly effective techniques of meditation. \* Rest an anxious, busy mind \* Find greater ease when faced with difficult emotions, thoughts, circumstances \* Improve focus and concentration \* Sleep better \* Achieve new levels of calm and fulfilment. The benefits of mindfulness and meditation are well documented and here Andy brings this ancient practice into the modern world, tailor made for the most time starved among us. First published as Get Some Headspace, this reissue shows you how just 10 minutes of mediation per day can bring about life changing results.

Distill the great spiritual teachings from around the world down to their most basic principles, and one thread emerges to unite them all: kindness. In *The Force of Kindness*, Sharon Salzberg, one of the nation's most respected Buddhist authors and meditation teachers, offers practical instruction on how we can cultivate this essential trait within ourselves. Through her stories, teachings, and guided meditations, Sharon Salzberg takes readers on an exploration of what kindness truly means and the simple steps to realize its effects immediately. She reveals that kindness is not the sweet, naive sentiment that many of us assume it is, but rather an immensely powerful force that can transform individual lives and ripple out, changing and improving relationships, the environment, our communities, and ultimately the world. Readers will learn specific techniques for cultivating forgiveness; turning compassion into action; practicing speech that is truthful, helpful, and loving; and much more. When we fan even the smallest ember of kindness, according to Sharon Salzberg, we begin to overcome our own fears, doubts, and personal attachments - and tap an endless source of gentle strength that is always available to us. With her graceful writing and six guided meditations on CD, this beloved meditation master empowers readers to enhance *The Force of Kindness* in their own spiritual practice.

The time-honored national bestseller, updated with a new afterword, celebrating 10 years of influencing the way we live. When *Wherever You Go, There You Are* was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience. *The Mind Illuminated* is a comprehensive, accessible and - above all - effective

book on meditation, providing a nuts-and-bolts stage-based system that helps all levels of meditators establish and deepen their practice. Providing step-by-step guidance for every stage of the meditation path, this uniquely comprehensive guide for a Western audience combines the wisdom from the teachings of the Buddha with the latest research in cognitive psychology and neuroscience. Clear and friendly, this in-depth practice manual builds on the nine-stage model of meditation originally articulated by the ancient Indian sage Asanga, crystallizing the entire meditative journey into 10 clearly-defined stages. The book also introduces a new and fascinating model of how the mind works, and uses illustrations and charts to help the reader work through each stage. This manual is an essential read for the beginner to the seasoned veteran of meditation. Celebrating its 10th anniversary, this is the must-have, time-honoured, foolproof guide to meditation - now with six brand new meditation tracks. "Wonderfully clear, remarkably accessible, warmhearted and wise" (Jack Kornfield). From Sharon Salzberg, a pioneer in the field of meditation and world-renowned teacher acclaimed for her down-to-earth style, *Real Happiness* is a complete guide to starting and maintaining a meditation practice. Beginning with the simplest breathing and sitting techniques, and based on three key skills - concentration, mindfulness and lovingkindness - it's a practice anyone can do and that can transform our lives by bringing us greater resiliency, creativity, peace, clarity and balance. This updated 10th anniversary edition includes exercises, journal prompts and ten guided meditations available for download online. The popular guide-over 80,000 copies sold of the first edition-now revised and enhanced with an audio CD of guided meditations According to Time magazine, over 15 million Americans now practice meditation regularly. It's a great way to reduce stress, increase energy, and enjoy better health. This fun and easy guide has long been a favorite with meditation newcomers. And now it's even better. For this new edition, author Stephan Bodian has added an audio CD with more than 70 minutes of guided meditations that are keyed to topics in the book, from tuning in to one's body, transforming suffering, and replacing negative patterns to grounding oneself, consulting the guru within, and finding a peaceful place. The book also discusses the latest research on the health benefits of meditation, along with new advice on how to get the most out of meditation in today's fast-paced world. Stephan Bodian (Fairfax, CA and Sedona, AZ) is a licensed psychotherapist and the former editor-in-chief of *Yoga Journal*. He has written for *Fitness*, *Alternative Medicine*, *Cooking Light*, and *Tricycle* and is the coauthor of *Buddhism For Dummies* (0-7645-5359-3).

One of the best available introductions to the wisdom and beauty of meditation practice. --New Age Journal In this beautiful and lucid guide, Zen master Thich Nhat Hanh offers gentle anecdotes and practical exercise as a means of learning the skills of mindfulness--being awake and fully aware. From washing the dishes to answering the phone to peeling an orange, he reminds us that each moment holds within it an opportunity to work toward greater self-understanding and

peacefulness.

People who meditate regularly experience less worry, anxiety and stress and are more positive and productive. You too can experience the amazing benefits of meditation by downloading this book today!

For the millions of Americans who want spirituality without religion, Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology. From Sam Harris, neuroscientist and author of numerous New York Times bestselling books, *Waking Up* is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of such figures as Jesus, the Buddha, Lao Tzu, Rumi, and the other saints and sages of history. Throughout this book, Harris argues that there is more to understanding reality than science and secular culture generally allow, and that how we pay attention to the present moment largely determines the quality of our lives. *Waking Up* is part memoir and part exploration of the scientific underpinnings of spirituality. No other book marries contemplative wisdom and modern science in this way, and no author other than Sam Harris—a scientist, philosopher, and famous skeptic—could write it.

**FREE audio CD includes SIX GUIDED MEDITATIONS** Have you ever thought about trying meditation, but didn't know how to get started? With *Meditation for Beginners*, trusted teacher Jack Kornfield shows you how simple it is to start – and stick with – a daily meditation practice. “Insight” or vipassana meditation is the time-honored skill of calming the spirit and clearing the mind for higher understanding. Now, in this complete course created especially for beginners, renowned teacher Jack Kornfield offers a straightforward, step-by-step method for bringing meditation into your life. Using the six guided meditations on the included disc, you will discover how easy it is to use your breath, physical sensations – and even difficult emotions – to create tranquility and loving kindness in your everyday life. These simple, elegant practices are so easy to learn that you will begin enjoying the benefits of meditation immediately – while laying the foundation for a lifetime of inner discovery and awakening.

New and expanded, the bestselling, innovative program that advanced the mindfulness revolution People are always looking for new ways to reduce stress, increase productivity, and lead more well-rounded, happier lives. Many have sought a solution in meditation. However, simple, clear instruction is often difficult to find, and most teachers and books make meditation seem like a chore—something you have to do for up to an hour each day. *8 Minute Meditation* is the first program created to give beginners the exact tools they need to learn to meditate and do it in a time-frame that even the busiest people can easily handle: just 8 minutes a day. The new tenth anniversary edition of *8 Minute Meditation* surveys the latest mindfulness developments. It also contains the complete, original *8 Minute Meditation* program, one of the all-time best-selling mindfulness programs in history. Features include clear, supportive step-by-step instruction, FAQs, and “troubleshooting” your mindfulness practice. All in the time between two television commercials!

**INSTANT NEW YORK TIMES BESTSELLER** The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. “This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength,

vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.

Instant New York Times Bestseller A simple, straightforward exploration of Transcendental Meditation and its benefits from world authority Bob Roth. Oprah Winfrey and Jerry Seinfeld. Ray Dalio and Ellen DeGeneres. Gwyneth Paltrow and Howard Stern. Tom Hanks and Gisele Bündchen. What do they have in common? The answer is a Transcendental Meditation teacher named Bob Roth, who has spent the past forty-five years helping many thousands of people access their innate creativity and power through this simple, nonreligious technique. Roth’s students range from titans of business and the arts to federal prisoners, from war-scarred veterans to overworked moms and dads. Medical experts agree that the epidemic of stress is damaging our physical and emotional health at younger and younger ages. While there is no one single cure, the Transcendental Meditation technique is a simple practice that dramatically changes how we respond to stress and life’s challenges. With scientifically proven benefits—reduced stress and anxiety, and improved focus, sleep, resilience, creativity, and memory, to name a few—this five-thousand-year-old technique has a clear and direct impact on our very modern problems. Once a skeptic, Roth trained under Maharishi Mahesh Yogi, the twentieth century’s foremost scientist of consciousness and meditation, and has since become one of the most experienced and sought-after meditation teachers in the world. In *Strength in Stillness*, Roth breaks down the science behind Transcendental Meditation in a new, accessible way. He highlights the three distinct types of meditation—Focused Attention, Open Monitoring, and Self-Transcending—and showcases the evidence that the third, Self-Transcending, or Transcendental Meditation, is a uniquely accessible, effective, and efficient way to reduce stress, access inner power, and build resilience. Free of gimmicks, mystical verbiage, and obscure theory, *Strength in Stillness* offers a clear explanation for how Transcendental Meditation can calm the mind, body, and spirit.

#1 New York Times Bestseller Winner of the 2014 Living Now Book Award for Inspirational Memoir "An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation." —Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a

mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. *10% Happier* takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

A practical, accessible guide to the fundamentals of Buddhist meditation, with pointers from some of today's most respected Buddhist teachers, including Pema Chödrön, Thich Nhat Hanh, Cyndi Lee, and Sharon Salzberg. As countless meditators have learned firsthand, meditation practice can positively transform the way we see and experience our lives. This practical, accessible guide to the fundamentals of Buddhist meditation introduces you to the practice, explains how it is approached in the main schools of Buddhism, and offers advice and inspiration from Buddhism's most renowned and effective meditation teachers, including Pema Chödrön, Thich Nhat Hanh, the Fourteenth Dalai Lama, Sharon Salzberg, Norman Fischer, Ajahn Chah, Chögyam Trungpa Rinpoche, Shunryu Suzuki Roshi, Sylvia Boorstein, Noah Levine, Matthieu Ricard, Judy Lief, and many others. Topics include how to build excitement and energy to start a meditation routine and keep it going, setting up a meditation space, working with and through boredom, what to look for when seeking others to meditate with, how to know when it's time to try doing a formal meditation retreat, how to bring the practice "off the cushion" with walking meditation and other practices, and much more.

Curious about meditation? This book teaches just how simple it can be to unlock this powerful tool into your life.

"In the beginner's mind there are many possibilities, but in the expert's there are few." So begins this most beloved of all American Zen books. Seldom has such a small handful of words provided a teaching as rich as has this famous opening line. In a single stroke, the simple sentence cuts through the pervasive tendency students have of getting so close to Zen as to completely miss what it's all about. An instant teaching on the first page. And that's just the beginning. In the forty years since its original publication, *Zen Mind, Beginner's Mind* has become one of the great modern Zen classics, much beloved, much reread, and much recommended as the best first book to read on Zen. Suzuki Roshi presents the basics—from the details of posture and breathing in zazen to the perception of nonduality—in a way that is not only remarkably clear, but that also resonates with the joy of insight from the first to the last page. It's a book to come back to time and time again as an inspiration to practice, and it is now available to a new generation of seekers in this fortieth anniversary edition, with a new afterword by Shunryu Suzuki's biographer, David Chadwick.
