I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

Cruel landlords; crafty moneylenders; corrupt politicians; righteous heroes and uninhibited dancing girls—just some of the characters of a successful Bhojpuri film. Often considered kitschy and crude by 'polite' society; Bhojpuri cinema has had astounding success from the 1990s onwards; which can only be explained by its overwhelming popularity among the other half of new India. What is it that makes Bhojpuri cinema tick? What is the logic of its aesthetics? And most importantly; how did these regional language films become a profitable industry? Answering many of these questions and written with a deep sensitivity for the genre; Cinema Bhojpuri is the one of the first studies of the history and themes of Bhojpuri cinema—the poor cousin of Bollywood. Basing his research on extensive personal interviews and analyses of trade journals from the 1960s onwards; Avijit Ghosh's fascinating study unveils much about Bhojpuri cinema—from the making of the first Bhojpuri film; Ganga Maiya Tohe Piyari Chadhaibo; to the terrible lows of the 1980s when Bhojpuri cinema all but died; and right down to the present when the breathlessly-paced masala entertainers of Manoj Tiwari; Ravi Kishan and Dinesh Lal Yadav 'Nirahua' gave life to what Hindi cinema had left behind—rural India.

Because my questions made Amir uncomfortable, he pronounced talaq just like that on the wife who had abandoned everything for him because his religion gives him that privilege. Where do I now stand, sir? Do you have any solutions for me?' Lakshmi, a rebellious, free-spirited and intelligent film-maker, breaks ties with her staunchly Gandhi an father to marry Amir, the man she loves. She even agrees reluctantly to Amir's request that she convert to Islam, as a formality and change her name to Razia. However, she is shocked to discover that her husband is not the open-minded, progressive individual he claimed to be. For after marriage, Amir takes his family's side in trying to force her to follow the more rigorous tenets of their faith. This sets her off on a personal journey into India's history to uncover the many layers of religion, caste and creed. Her quest leads her to the many parallels in the narratives between the past and the present and she gradually finds that though much has changed in Indian society over the centuries, much remains the same. The second historical novel by celebrated Kannada author S.L. Bhyrappa, translated for the first time into English by Sandeep Balakrishna, Aavarana: The Veil raises pertinent and searching questions about religion, liberalism and identity and highlights the importance of unshackling oneself from the bonds of false knowledge.

In this Very Short Introduction Ashish Rajadhyaksha delves into the political, social, and economic factors which, over time, have shaped Indian Cinema into a fascinating counterculture. “A modern classic of courage and excitement.” —The New Yorker • The source for the iconic prison-escape film starring Steve McQueen Henri Charrière, nicknamed "Papillon," for the butterfly tattoo on his chest, was convicted in Paris in 1931 of a murder he did not commit. Sentenced to life imprisonment in the penal colony of French Guiana, he became obsessed with one goal: escape. After planning and executing a series of treacherous yet failed attempts over many years, he was eventually sent to the notorious prison, Devil's Island, a place from which no one had ever escaped . . . until Papillon. His flight to freedom remains one of the most incredible feats of human cunning, will, and endurance ever undertaken. Charrière's astonishing autobiography, Papillon, was first published in France to instant acclaim in 1968, more than twenty years after his final escape. Since then, it has become a treasured classic--the gripping, shocking, ultimately uplifting odyssey of an innocent man who would not be defeated. “A first-class adventure story.” — New York Review of Books

With Miranda in Milan, debut author Katharine Duckett reimagines the consequences of Shakespeare's The Tempest, casting Miranda into a Milanese pit of vipers and building a queer love story that lifts off the page in whirlwinds of feeling. After the tempest, after the reunion, after her father drowned his books, Miranda was meant to enter a brave new world. Naples awaited her, and Ferdinand, and a throne. Instead she finds herself in Milan, in her father's castle, surrounded by hostile servants who treat her like a ghost. Whispers cling to her like spiderwebs, whispers that carry her dead mother's name. And though he promised to give away his power, Milan is once again contorting around Prospero's dark arts. With only Dorothea, her sole

companion and confidant to aid her, Miranda must cut through the mystery and find the truth about her father, her mother, and herself. “Love and lust, mothers and monsters, magicians and masked balls, all delivered with Shakespearean panache.” —Nicola Griffith, author of Hild “Miranda in Milan is somehow both utterly charming and perfectly sinister, and altogether delightful. A pleasure for any lover of romance, myth, and magic—whether or not they're fans of the Bard.” —Cherie Priest, author of Boneshaker and I Am Princess X At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From Kannada's first Jnanpith award winner, a landmark of modern fiction that documents a vanishing world. When Hoovayya and Ramayya return from their studies in the city to their ancestral home, much has changed, throwing the even tenor of village life out of joint. The entry of Subbamma, the young wife of much-married Chandrayya Gowda into the House of Kanooru, sets in motion an irrevocable chain of events which signify the coming of age of a resolutely traditional society. Acutely conscious of the burden of their education amidst the torpor of manorial life, the brothers are forced to witness the descent into cruelty of Chandrayya Gowda, who breaks old familial ties, and demands an impossible fealty. The petty meanness of the Gowda's old age and the idealistic vitality of youth confront each other when Hoovayya and Ramayya both fall in love with Seethe, their childhood playmate, with disastrous consequences for the manor house of Kanooru. The epic conflicts of a decaying feudal order are seen through a multiplicity of characters, and voices that refuse to be silenced. The first stirrings of change in the lives of the Belas, the highland plantation workers and their labouring women, the proud Shudra landowners, the secretive and predatory Agrahara of the Brahmins, are dramatized by a humane eye sensitive to the slightest nuance. The House of Kanooru is ultimately a moving tribute by one of Kannada's greatest writers to the spirit of modernity. Translated from the Kannada by B.C. Ramachandra Sharma and Padma Ramachandra Sharma.
