An illustrated mid-career monograph exploring the 30-year creative journey of the 8-time Academy Award–nominated writer and director Paul Thomas Anderson has been described as "one of American film's modern masters" and "the foremost filmmaking talent of his generation." Anderson's films have received 25 Academy Award nominations, and he has worked closely with many of the most accomplished actors of our time, including Lesley Ann Manville, Julianne Moore, Daniel Day-Lewis, Joaquin Phoenix, and Philip Seymour Hoffman. In *Paul Thomas Anderson: Masterworks*, Anderson's entire career—from *Hard Eight* (1996), *Boogie Nights* (1997), *Magnolia* (1999), *Punch Drunk Love* (2002), *There Will Be Blood* (2007), *The Master* (2012), *Inherent Vice* (2014), and *Phantom Thread* (2017) to his music videos for Radiohead to his early short films—is examined in illustrated detail for the first time. Anderson's influences, his style, and the recurring themes of alienation, reinvention, ambition, and destiny that course through his movies are analyzed and supplemented by firsthand interviews with Anderson's closest collaborators—including producer JoAnne Sellar, actor Vicky Krieps, and composer Jonny Greenwood—and illuminated by film stills, archival photos, original illustrations, and an appropriately psychedelic design aesthetic. *Masterworks* is a tribute to the dreamers, drifters, and evil dentists who populate his world.

A collection of essays by leaders in the field of Jewish education geared to Jewish teachers in supplementary and day schools. In a world of divorce, casual sex, and homosexual unions, "family" once the bedrock of our culture is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book. There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

Will there be sex in heaven? Are miraculous gifts for today? Does God ever change His mind? Such difficult questions often intrigue us, readily confuse us, and sometimes disturb us. Drawing on nearly 40 years of teaching and ministry experience, pastor-scholar Sam Storms answers 25 challenging questions Christians are often too afraid to ask, addressing thorny issues ranging from the eternal destiny of infants to the roles of demons and angels. The robust, thoughtful answers provided in this book offer a helpful alternative to relying on simplistic explanations, and will encourage you in the search for truth and clarity on such tough topics.

Refilling the Church's Fountain of Youth is a must read for any individual who has a need for grasping a further understanding of why the decline is occurring within churches amongst the young adult population. Therefore, pastors, church leaders and the emerging population are encouraged to add this work to their repertoire to further enhance their knowledge and wisdom of the challenges that exist within retention and attraction of young adults. Additionally, the work provides the example of a strong church community that understands the benefits of providing the young adults with support, love and the freedom to develop into disciples without fear of judgment or contradiction. Finally, the work is designed to provide assistance to any denomination or church that has recognized the decline of membership as it relates to emerging adults. It is indeed a necessary tool that can provide assistance and guidance for anyone working in the trenches of ministry. -from the foreword by Lori D. Spears, D.Min. This book offers a portable and repeatable model of ministry that crosses denominations and ethnic boundaries within the church. Are you a pastor looking to improve your young adult ministry? Are you a leader of a teaching ministry looking for ways to be more effective? Are you a parent seeking to understand your young adult child's faith journey so that you can minister effectively? Are you a seasoned Christian who wants to be equipped to engage with young adults inside and outside your congregation? Then this book is for you!

have an anchor. I want to be around immovable objects." If you're ready to anchor your life to something solid, this book will help. Through the pages of *The Anchor Course*, spiritual seekers can discover the meaning of Christianity and believers can develop their understanding of the faith.

Understanding the Person of Christ affects our understanding of all Christian theology. All ten contributors to this volume share a commitment to the orthodox theological tradition in Christology as expressed in the creedal heritage of the Christian church, and seek to explicate the continuing coherence and importance of that theological tradition. The book's ten essays cover such topics as prolegomena to Christology, the incarnation, the person and nature of Christ, the *communicatio idiomatum*, the baptism of Christ, the redemptive work of Christ, the ascended Christ, and New Testament Christology, and offers critical engagements with such diverse theologians as John Calvin, Charles Williams and John Zizioulas. The contributors, all leading academics, include: John Webster, Richard Burridge, Robert Jenson, Stephen Holmes, Douglas Farrow, Brian Horne, Murray, Douglas Knight, Sandra Fach, Christoph Schwoebel.

When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.

Leading a small group can literally change the world. We have been commissioned to make disciples who make disciples, and Jesus showed us that the best way to carry that out is through small groups of believers. Just like the first-

century church, small groups form the foundation to take the gospel to the ends of the earth. Chris Surratt, Discipleship and Small Groups Specialist for LifeWay Christian Resources, and author of *Small Groups for the Rest of Us*, wants to help you get from here to there. Regardless of whether you have never lead a small group or have been leading one for years, all of us want to know how to create environments where spiritual growth takes place and communities are changed. *Leading Small Groups* walks the reader through the stages of gathering, launching, leading, and multiplying a gospel-centered small group. There are also follow-up questions for discussion and reflection at the end of each section, and practical resources that can be implemented immediately by the small group leader. Jesus left his followers with a task—the Great Commission. This book will help small group leaders and churches in their obedience to this task. Presenting an original global theory of culture, Girard explores the social function of violence and the mechanism of the social scapegoat. His vision is a challenge to conventional views of literature, anthropology, religion and psychoanalysis. Rene Gerard is the Andrew B. Hammond Professor Emeritus of French Language, Literature and Civilization at Stanford University, USA.

Generation X has been called the least wanted generation of all time. Things such as abortion and the pill have limited their numbers. Zustiak puts a spin on the X factor (an unknown quantity). If this generation will find their value in Christ, they could accomplish great things for Christ.

The activist and TED speaker Megan Phelps-Roper reveals her life growing up in the most hated family in America At the age of five, Megan Phelps-Roper began protesting homosexuality and other alleged vices alongside fellow members of the Westboro Baptist Church in Topeka, Kansas. Founded by her grandfather and consisting almost entirely of her extended family, the tiny group would gain worldwide notoriety for its pickets at military funerals and celebrations of death and tragedy. As Phelps-Roper grew up, she saw that church members were close companions and accomplished debaters, applying the logic of predestination and the language of the King James Bible to everyday life with aplomb—which, as the church's Twitter spokeswoman, she learned to do with great skill. Soon, however, dialogue on Twitter caused her to begin doubting the church's leaders and message: If humans were sinful and fallible, how could the church itself be so confident about its beliefs? As she digitally jostled with critics, she started to wonder if sometimes they had a point—and then she began exchanging messages with a man who would help change her life. A gripping memoir of escaping extremism and falling in love, *Unfollow* relates Phelps-Roper's moral awakening, her departure from the church, and how she exchanged the absolutes she grew up with for new forms of warmth and community. Rich with suspense and thoughtful reflection, Phelps-Roper's life story exposes the dangers of black-and-white thinking and the need for true humility in a time of angry polarization.

In a society of quick fixes and instant gratification, it seems as though true happiness is always just around the next bend. But the "happiness" of the world will never offer the wholeness that makes one content and satisfied. Dr. Robert Schuller believes the
