There is no greater intimacy than "Intimacy with God". Establishing an intimate relationship with God is one of the best relationships you could ever have. I was taught this by my late Grandmother, and have since established my own personal intimate relationship with God. However, it wasn't until I reached the mature age of 30 that I realized what intimacy with God truly was. It was during many trials and tribulations of my life that caused me to seek God with my whole heart and surrender my life to Him. Before I truly established intimacy with God, I had drifted so far from Him and was living a life that was displeasing to Him. One day when I was at my lowest, I began to reflect on the things that my Grandmother had instilled in me at a very early age. I found myself on my knees crying out to God for His help. I found a church home and started attending Bible study, reading the Bible for myself, and meditating on the Word of God, and obeying His Word. The Bible tells us in Proverbs 22:6, "Train up a child in the way he should go, and when he is old, he will not depart from it". In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. Freedom Bargains explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This notwithstanding, the book's message is strongly biblical and culturally informed. The chapters include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

Bible scholar and teacher, Dr. John R. Hargrove has designed a wonderful, year-long course for the individual Bible

student and for the classroom. Spread out over twelve courses, each book is a wonderful and insightful introduction to the Word of God. From Genesis to Revelation, Dr. Hargrove hopes to help you grow in the Lord and to understand his Word at a deeper, more profound level. An intimate level. Ideal for small group study and for the individual, the Biblical Studies 101 program is, we think, ideal for you, too. Excellent Beginnings: Course One Let's go back in time to the story of Creation and a study of the earliest men in the Book of Genesis. The question is: did God create us or did we come from a sort of cosmic soup billions of years ago? Since Creation has obviously taken place, I believe there is a Creator. He is God. In the Bible, we will see that God does not speak verbally to everyone, but chooses specific people to talk to, and asks them to go forth as prophets for Him. Those were usually men of great faith. We will soon learn that the Bible is not a story of great men, but of a great God. Yes, the Lord still communicates with us today, and I want to show you how. In this study, Course One of the "Biblical Studies 101", we will assume the Creation story is the true one. If you are not sure about that, I invite you to settle in and read what God has to say about it.

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

The Fire Bible's notes and commentary will show you how the spiritual empowerment that began at Pentecost is available today and is a gift to modern followers of Christ.

I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the

"contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmissive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

Today much of Christendom is closely associated with the eating of animals. Some churches even have hunting and fishing trips. Meat, eggs and dairy are a staple in most professing Christian's diets. This book takes a Scriptural approach to the subject of humanity's treatment of animals, what God desires from us, and what the Bible says about it all. This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.

We all are faced with daily choices and decisions that impact our time and ultimately our life. It is the small decisions we make day in and day out that determine who we really are. The large decisions may scream for attention yet they are just the result of all the small decisions we have made or avoid making that brought us to that point in life. The decision to make the study of the Bible a part of a person's life is in many ways one of the small choices we make every day. It takes a few minutes of our time. It takes a small amount of commitment. It requires very little real effort and yet it seems so difficult for so many people to include the Word of God in their daily lives. THE STORY UNFOLDS is designed to help the individual as they make a personal journey through the Word of God. Designed as a companion to The Story published by Zonderan. THE STORY UNFOLDS looks at the world from two distinct and important points of views. THE STORY UNFOLDS looks at the world from God's point of view. As the creator and the adult in the garden it examines his role in the development and ultimately the redemption of mankind. The second view is from the perspective of humanity. They often are like disobedient children unwilling to listen but who want everything given to them anyway. In the end their redemption hinges on their willingness to accept God's direction and plans for their lives. The Story Unfolds is a must read for anyone seeking to understand the Bible and the reason God has done so much to reach out to help his creation find their way back to his original plan for them. Each person needs to be able to answer three simple questions that God first asked in the garden to Eve and Adam. THE STORY UNFOLDS will help you discover the answer to these three questions and give you the opportunity to discover the living God who has revealed himself from his word. Bob Highlands III

This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of

Brevard Child's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation. Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments. He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old. Rather, Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices, each of which retains continuing integrity and is heard on its own terms.

The Arian Christian Bible reflects the beliefs of Arian Christians. (The word 'Arian' should not be confused with the word 'Aryan' or racist 'Aryan' beliefs) Arian Christians believe that Jesus' highest teachings are contained in the New Testament in Jesus' own words as reported by the Gospels of Matthew, Mark and Luke (The Arian Christian Bible). The namesake of these beliefs, St Arius of Alexandria, rejected the politically generated divinity of Jesus that was imposed by the Council of Nicaea, which was convened at the behest of Roman Emperor Constantine I in 325 AD. The purpose of this Council was to bring the structure of the Christian Church into conformity with the structure of the Roman Empire as the State Religion, that is; one religion, the Catholic (universal) Church; one theology, the Holy Trinity; and one religious leader, the Pope, and to form a basis for the suppression of other brands of Christianity. Arius opposed these measures. The Arian Christian Bible is a 'must have' for all true Christians.

Bible Stories for Children By Rev. Jefferson Mitchell, Kellie O'Connor

Throughout the Bible fire symbolizes God's presence, power, and works: during the Exodus God led the Israelites by day in a pillar of fire, while at Pentecost tongues of flame rested upon the heads of believers filled with the Holy Spirit.

Ultimately, this divine fire is intended to kindle within us a passion for God and for doing his will. The FireBible's notes and commentary will show readers how the spiritual empowerment that began at Pentecost is available today, and is a gift to modern followers of Christ. This unique volume's detailed book introductions, notes, and other features will greatly benefit anyone interested in living the Christian life in the fullness of the Spirit.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of

beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Sunday School Detour's Monsters and the High Seas are children's adventure stories. The main character, Joey Masonboro with his quite active imagination takes off on a series of adventures as his Sunday School teacher tells well-known bible stories. His adventures always manage to take somewhat of a detour from the original story line.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work

stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

This the ultimate tale of God's intention toward humanity, a tale unlike any you have ever read before, one that reveals a startling proof of God's control over history and His faithfulness to His every word of promise. In fact, it is a story seen through the prism of five things, five sacred things--the Ark of the Covenant, the Spear of Destiny, the Shroud of Turin, the Great Pyramid of Giza, and the Septuagint Bible. In the process of telling this tale, we encounter several more things along the way, among them, an ancient prophecy, a promise of "days," which precisely foretold the Advent of Christ, recorded in the oldest story contained in the biblical record. And we meet the one man who was commissioned to tell this awesome tale, a man set apart from all others, a man who was said to have talked with God, face to face, having a conversation that took place not in any earthly sphere but at the very pinnacle of Heaven itself. All these elements, then, that is to say, everything needed to demonstrate a startling proof of God's control and faithfulness, have, for the first time, been forged into a single storyline--a promise of "days," a man and his heavenly conversation, an ark, a spear, a shroud, and a pyramid, all brought together to tell the "Tales of Forever: The Unfolding Drama of God's Hidden Hand in History."

Though the acceptance of popular culture (and in the case of music, pop music) within the Christian church is now an

established fact, its very normality across the face of virtually every variety of Christian theological persuasion is telling. In a climate of extreme multi-culturalism, pluralism, and relativism satiated with the notion that music is value-neutral and worldview-free, church music has been cut off from history, tradition, theology, aesthetic norms, and ultimately the Word. The result has been a breakdown of church music standards along with a collateral weakening in other areas of life as well.

Based on the epic NBC television event, A.D. The Bible Continues: Ministers and Martyrs offers an unflinching look at the lives and sacrifices of those first Christians who were given the task of spreading the Gospel to the ends of the earth. Relying on the ancient documents, as well as latest archaeological findings and scientific research, acclaimed author Mike Aquilina takes you on a journey through the Apostolic Age, bringing to life the ancient streets and crowded marketplaces through which Mary and the Apostles journeyed as they built a Church that lasts even to our day. You'll also discover the beliefs of the early Christians, what they taught about the Eucharist and the Divinity of Christ, how their Church services resembles today's Mass, and how Rome became the spiritual center for Christianity. Read these pages, and you'll come to see that despite the best efforts of their enemies, the blood of the Apostles did not snuff out the Faith but brought forth great saints whose holy deeds and brave examples gave the besieged Church a vigor that lasts even to today. A.D. The Bible Continues: Ministers and Martyrs will give you confidence that the Church is indeed Christ acting in the world, and that no matter how ruthless her opponents, she will endure to the end of time. "I pray that readers of this book will experience the blessings of the apostolic tradition on every page." -Cardinal Donald Wuerl, Archbishop of Washington "When you watch A.D. The Bible Continues you will want to have Sophia Institute Press's two resources at your side. They are beautifully produced and packed with important information, helping to bring to life the Acts of the Apostles in a new and fresh way." -Father Jonathan Morris New York Times Bestselling Author, The Way of Serenity Finalist for the 2018 Christian Book Award for Bible of the Year. New to the Bible? Either because you have become a Christian recently, or because somehow the Bible seems to have passed you by? Then this edition is for you! Whether

you are reading the Bible for the first time or not, its variety of material--not to mention its length--can seem overwhelming. It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages. But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith. The Christian Basics Bible is filled with features designed to help readers--especially those new to the Bible--connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives. By delivering the right amount of both information and application, The Christian Basics Bible can become the catalyst for living a vibrant Christian life.
