NEW YORK TIMES BESTSELLER Soon to be a Hulu original series "If three characters were good in Big Little Lies, nine are even better in Nine Perfect Strangers." —Lisa Scottoline, The New York Times Book Review From the #1 New York Times bestselling author of Big Little Lies Could ten days at a health resort really change you forever? In Liane Moriarty's latest page-turner, nine perfect strangers are about to find out... Nine people gather at a remote health resort. Some are here to lose weight, some are here to get a reboot on life, some are here for reasons they can't even admit to themselves. Amidst all of the luxury and pampering, the mindfulness and meditation, they know these ten days might involve some real work. But none of them could imagine just how challenging the next ten days are going to be. Frances Welty, the formerly best-selling romantic novelist, arrives at Tranquillum House nursing a bad back, a broken heart, and an exquisitely painful paper cut. She's immediately intrigued by her fellow guests. Most of them don't look to be in need of a health resort at all. But the person that intrigues her most is the strange and charismatic owner/director of Tranquillum House. Could this person really have the answers Frances didn't even know she was seeking? Should Frances put aside her doubts and immerse herself in everything Tranquillum House has to offer – or should she run while she still can? It's not long before every guest at Tranquillum House is asking exactly the same question. Combining all of the hallmarks that have made her writing a go-to for anyone looking for wickedly smart, page-turning fiction that will make you laugh and gasp, Liane Moriarty's Nine Perfect Strangers once again shows why she is a master of her craft.

#1 New York Times Bestseller From Liane Moriarty, the #1 New York Times bestselling author of *Big Little Lies* and *Nine Perfect Strangers*, comes *Apples Never Fall*, a novel that looks at marriage, siblings, and how the people we love the most can hurt us the deepest. The Delaney family love one another dearly—it's just that sometimes they want to murder each other . . . If your mother was missing, would you tell the police? Even if the most obvious suspect was your father? This is the dilemma facing the four grown Delaney siblings. The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They're killers on the tennis court, and off it their chemistry is palpable. But after fifty years of marriage, they've finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable? The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as their father will tell you, none of them had what it took to go all the way. But that's okay, now that they're all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon. One night a stranger named Savannah knocks on Stan and Joy's door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted. Later, when Joy goes missing, and Savannah is nowhere to be found, the police question the one person who remains: Stan. But for someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine their shared family history in a very new light.

Readers of exciting, challenging and visionary literary fiction—including admirers of Norman Rush's *Mating*, Ann Patchett's *State of Wonder*, Barbara Kingsolver's *The Poisonwood Bible*, and Peter Matthiessen's *At Play in the Fields of the Lord*—will be drawn to this astonishingly gripping and accomplished first novel. A decade in the writing, this is an anthropological adventure story that combines the visceral allure of a thriller with a profound and tragic vision of what happens when cultures collide. It is a book that instantly catapults Hanya Yanagihara into the company of young novelists who really, really matter. In 1950, a young doctor called Norton Perina signs on with the anthropologist Paul Tallent for an expedition to the remote Micronesian island of Ivu'ivu in search of a rumored lost tribe. They succeed, finding not only that tribe but also a group of forest dwellers they dub "The Dreamers," who turn out to be fantastically long-lived but progressively more senile. Perina suspects the source of their longevity is a hard-to-find turtle; unable to resist the possibility of eternal life, he kills one and smuggles some meat back to the States. He scientifically proves his thesis, earning worldwide fame and the Nobel Prize, but he soon discovers that its miraculous property comes at a terrible price. As things quickly spiral out of his control, his own demons take hold, with devastating personal consequences.

America's next favorite Australian author! "With jaw-dropping discoveries and realistic consequences, this novel is not to be missed. Perfect for lovers of *Big Little Lies*." —Library Journal, starred review Small, perfect towns often hold the deepest secrets. From the outside, Essie's life looks idyllic: a loving husband, a beautiful house in a good neighborhood, and a nearby mother who dotes on her grandchildren. But few of Essie's friends know her secret shame: that in a moment of maternal despair, she once walked away from her newborn, asleep in her carriage in a park. Disaster was avoided and Essie got better, but she still fears what lurks inside her, even as her daughter gets older and she has a second baby. When a new woman named Isabelle moves in next door to Essie, she is an immediate object of curiosity in the neighborhood. Why single, when everyone else is married with children? Why renting, when everyone else owns? What mysterious job does she have? And why is she so fascinated with Essie? As the two women grow closer and Essie's friends voice their disapproval, it starts to become clear that Isabelle's choice of neighborhood was no accident. And that her presence threatens to bring shocking secrets to light. *The Family Next Door* is Sally Hepworth at her very best: at once a deeply moving portrait of family drama and a compelling suburban mystery that will keep you hooked until the very last page.

Putting it down.” —Miami Herald “Captivating, suspenseful...tantalizing.” —People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of The Husband’s Secret, Big Little Lies, and What Alice Forgot, about how sometimes we don’t appreciate how extraordinary our ordinary lives are until it’s too late. Six responsible adults. Three cute kids. One small dog. It’s just a normal weekend. What could possibly go wrong? In Truly Madly Guilty, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there’s anything they can count on, it’s each other. Clementine and Erika are each other’s oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don’t hesitate. Having Tiffany and Vid’s larger than life personalities there will be a welcome respite. Two months later, it won’t stop raining, and Clementine and Sam can’t stop asking themselves the question: What if we hadn’t gone? In Truly Madly Guilty, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don’t say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.
