It's the season to scream . . . Prom turns deadly in this unputdownable thriller for fans of Halloween Kills and Fear Street. A KILLER AFTERPARTY . . . When Kylie walks into the gorgeous beach house, it's a dream come true. She still can't believe she talked her parents into letting her spend the weekend down the shore with her boyfriend, Liam, after prom. Kylie, Liam, and their friends have rented the most amazing party house—and it's all theirs. Prom was awesome, but this is going to be even better. Except there's a little problem. A violent storm hits the beach and the power goes out—with no sign that it's coming back anytime soon. Roughing it with candles and camping lanterns isn't the vibe they were going for, but everyone wants to make the most of it. Until people start disappearing . . . and turning up dead. Kylie is terrified. Is somebody's prom date a killer?

The New York Times says it “ranks with green juice and coconut water as the next magic potion in the eternal quest for perfect health.” ABC News calls it “the new juice craze.” Celebrities like Gwyneth Paltrow, Shailene Woodley, Salma Hayek, and Kobe Bryant are hooked on it. It's bone broth—and it's the core of New York Times bestseller Dr. Kellyann's Bone Broth Diet. As a naturopathic physician and weight-loss specialist, Dr. Kellyann has helped thousands of patients achieve spectacular weight loss and more youthful-looking skin through her bone broth diet. Packed with fat-burning nutrients, skin-tightening collagen components, and gut-healing and anti-inflammatory properties, bone broth is the key to looking and feeling younger than ever before. In just 21 days, you, too, can unlock these miraculous results with Dr. Kellyann's delicious bone broth recipes and groundbreaking mini-fasting plan. You'll learn the science of why bone broth works and how to lose weight safely and easily—cravings and hunger pains not included. The simple and tasty recipes for beef, turkey, chicken, and fish bone broths are loaded with flavor and nutrients. Unlike other diet plans that involve serious preparation and cooking, the bone broth diet allows you to spend less time in the kitchen and more time enjoying your newfound vibrancy. With easy fitness routines and mindful meditation exercises, Dr. Kellyann's Bone Broth Diet is your key to a healthier, happier, slimmer, and younger life.

Miles Away From the Body You've Always Dreamed Of? Can you squat and bench heavy loads but are also carrying an extra load around the waist? Can you perform amazing boot camp and cross-training drills but don't look like you've ever exercised a day in your life? Can you hit amazing running times but are still soft, saggy, and flabby crossing the finish line? There is no doubt about it, Man Boobs & Muffin Tops are a tenacious tag team opponent that is hard to keep down for the count these days. Most of us are a long way from living lean year-round, even if we think we're eating right and exercising the way we should. Ditch the Fitness Myths & Find a Sustainable Diet Structure The truth is, most of us are doing everything wrong when it comes to getting lean and finally getting that much-desired 6-pack. Those quick-fix, boot camp workouts you see advertised on TV? Not gonna cut it. Loading up on fat to be in a ketogenic, "fat-burning" zone? Nope, not going to work, either. So what's it going to take to get the bikini or board short body you've always wanted? More diets, deprivation, and struggle? Or are there some simple strategies you can put into place that fit into your lifestyle that will finally get you lean? Stop Wasting Hours in the Gym Use the most efficient path to results possible. Nate Miyaki has condensed his 15 years of shredding experience into The 6-Pack Checklist, which will give you a step-by-step process for getting the body you've always dreamed about. No magic, no pills, no crazy diet plans that will have you feeling hangry by lunchtime. This is simple advice that anyone can implement. Miyaki walks his talk (and has pictures to back it up). So get out there and start attacking your goals today--not tomorrow, or some other time down the line. "Some other time" usually ends up being never.

#1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers.

Why You Should Read This Book: It might not seem clear to you right now but the 14-day diet is the most essential diet tool that you might ever stumble across to help you get control of your body and health FAST! Why? Because it delivers POWERFUL results in just 14 days. As a personal trainer and fitness expert, I've tried everything and seen everything... but nothing delivered my clients dramatic results like the 14-day diet. I've used it to help my clients drop from a size 12 to a size 6, lose up to 20 lbs., get into bikini-body shape, and win fitness contests, all while undergoing dramatic visible transformations (that they can literally see in the mirror!) in a matter of days. The 14-day Rapid Fat Loss Diet is proven to target stubborn belly fat and produce lasting results. Most people report losing up to 3 inches off their bellybutton in 14 days and up to 6% body fat in 21 days (3x faster than the normal rate of fat loss!). But the BEST news is- it's extremely simple to follow. You don't need a lot of time. You don't have to do much prep or cooking your meals ahead, and it's super easy to understand. And while the 14-day diet is a rapid fat loss tool, its framework will help you understand how to eat for the rest of your life. That's why I believe the 14-day diet is the ONLY diet you'll ever need. So if you're frustrated and looking for a simple solution that will help you lose weight once and for all, then look no further, because you've finally found it! Let's get started...

The Time Tripping and the Planets is a continuation of the story of the Time Traveler book, where Gerard Bourque, the main character, is back in Layville, September 12, 1968, one year after finding the time machine. This new odyssey leads Gerard and his wife, Susan, to get involved in a war to help his alien friends against alien enemies to conquer the Earth. Their allies involve friendly alien planets and Atlantis. They also again see their famous friends Leonardo da Vinci and Queen Elizabeth in the 1600s and George Washington in the 1700s and also go ahead in time to the 1980s Winter Olympics in Lake Placid, New York, amongst their many other adventures. This book, the sequel to The Time Traveler, is a love story about the people who travel in time, with adventure, danger, comedy, intrigue, and happiness; with allies from other planets; and with whales and dinosaurs. It has everything for a good story, but mostly, it has love between two people and their spirituality and their love of life.

This comprehensive guide includes not only exercises but also nutritional tips, psychological tricks, meal charts, workout graphs, different fitness plans, the inside scoop on supplements and vitamins, advice on keeping fit while travelling and fitness information for teens, seniors and expectant mothers. The 14-Day body sculpting workout for women has been custom-designed by experts to sculpt, slim and strengthen the unique contours of a woman's body. The workout never stays the same for long and the results - toned arms, flat abs, lean legs and perfect curves.

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal** • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of

Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of Getting Things Done: The Art of Stress-Free Productivity “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of Drive and A Whole New Mind “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

CrossFit celebrity Christmas Abbott shows how to attain the body of your dreams with a targeted eating strategy and total-body workout plan that will whip glutes and hips—and every problem area—into top shape. As a formerly “skinny fat” woman, Christmas Abbott knows what real women need to get the butt and body of their dreams. In The Badass Body Diet, she dispels the myth of the health benefits of a “pear shape” body, teaches readers how to spot-reduce excess fat with targeted meal plans and recipes that zap cellulite, and galvanizes them with a quick and simple workout plan for a toned butt—the key to total body fitness. Your “glutes” (the technical term for booty) are the body’s largest and most powerful muscle group—and one of the most beautiful—but they can go dormant, flat, and flabby. Packed with essential information, and inspirational before-and-after photos of her clients, The Badass Body Diet shows how to whip that butt into shape and provides essential information on how to: Select essential “booty foods”—the right proteins, fats, and carbs Experience a total body workout with an easy-to-follow, powerful exercise program Improve posture and functional mobility and enhance overall health Target cellulite through diet, workout strategies, and other proven tips And much more. Unlike most “one approach fits all” diet and exercise books, The Badass Body Diet identifies the three types of dieters that Christmas has discovered working with hundreds of clients at her CrossFit gyms—Modifiers, Gainers, and Maintainers—and tailors her approach to each, providing specific goals for maximum results. Stop obsessing about a flat belly, Christmas advises. A Badass Body is a birthright, and it starts at the bottom—with a trim and tight tush.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover **Body-for-LIFE** is much more than a book about physical fitness—it's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know—not believe, but know: that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated **Body-for-LIFE** Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the **Power Mindset™**; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training with dramatic results; How to make continual progress by using the **High-Point Technique™**; How to feed your muscles while starving fat with the **Nutrition-for-LIFE Method™**; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the **Body-for-LIFE** Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With

award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

If you want to be muscular, lean, and strong as quickly as possible without steroids, good genetics, or wasting ridiculous amounts of time in the gym and money on supplements...then you want to read this book. Here's the deal: Getting into awesome shape isn't nearly as complicated as the fitness industry wants you to believe. You don't need to spend hundreds of dollars per month on the worthless supplements that steroid freaks shill in advertisements. You don't need to constantly change up your exercise routines to "confuse" your muscles. I'm pretty sure muscles lack cognitive abilities, but this approach is a good way to just confuse you instead. You don't need to burn through buckets of protein powder every month, stuffing down enough protein each day to feed a third world village. You don't need to toil away in the gym for a couple of hours per day, doing tons of sets, supersets, drop sets, giant sets, etc. (As a matter of fact, this is a great way to stunt gains and get nowhere.) You don't need to grind out hours and hours of boring cardio to shed ugly belly fat and love handles and get a shredded six-pack. (How many flabby treadmillers have you come across over the years?) You don't need to completely abstain from "cheat" foods while getting down to single-digit body fat percentages. If you plan cheat meals correctly, you can actually speed your metabolism up and accelerate fat loss. In this book you're going to learn something most guys will never know: The exact formula of exercise and eating that makes putting on 10 to 15 pounds of quality lean mass a breeze...and it only takes 8-12 weeks. This book reveals secrets like... The 6 biggest myths and mistakes of building muscle that stunt 99% of guys' muscle gains. (These BS lies are pushed by all the big magazines and even by many trainers.) How to get a lean, cut physique that you love (and that girls drool over) by spending no more than 5 percent of your time each day. The 4 laws of muscle growth that, when applied, turn your body into an anabolic, muscle-building machine. You'll be shocked at how easy it really is to get big once you know what you're doing... How to develop a lightning-fast metabolism that burns up fat quickly and leaves you feeling full of energy all day long. The carefully-selected exercises that deliver MAXIMUM results for your efforts, helping you build a big, full chest, a wide, tapered back, and bulging biceps. A no-BS guide to supplements that will save you hundreds if not THOUSANDS of dollars each year that you would've wasted on products that are nothing more than bunk science and marketing hype. How to get shredded while still indulging in the "cheat" foods that you love every week like pasta, pizza, and ice cream. And a whole lot more! The bottom line is you CAN achieve that "Hollywood hunk" body without having your life revolve around it--no long hours in the gym, no starving yourself, no grueling cardio that turns your stomach. Imagine, just 12 weeks from now, being constantly complimented on how you look and asked what the heck you're doing to make such startling gains. Imagine enjoying the added benefits of high energy levels, no aches and pains, better spirits, and knowing that you're getting healthier every day. **SPECIAL BONUS FOR READERS!** With this book you'll also get a free 75-page bonus report from the author called "The Year One Challenge." In this bonus report, you'll learn exactly how to train, eat, and supplement to make maximum gains in your first year of training. By applying what you learn in the book and in this report, you can make more progress in one year than most guys make in three, four, or even five (seriously!). Scroll up, click the "Buy" button now, and begin your journey to a bigger, leaner, and stronger you!

Did you know muscles get bored, just like people do? And did you also know that there's a 9 out of 10 chance that you're working the wrong muscles when you exercise? With TRACY ANDERSON'S 30-DAY METHOD you don't have to worry--her unique workout will help you drop the weight and shrink your body in just 30 days. Based on ten years of scientific research and experience getting not just herself, but A-list stars and everyday people, red carpet ready, Anderson has developed a unique 30-day diet and workout routine that reshapes the body and defies genetics to tone the muscles and drop the pounds. While most people incorrectly target their major muscle groups, like the bicep or hamstring, the focus should be on the smaller accessory muscles that can create a long, lean, balanced look--instead of bulked up look. Anderson's program is composed of a groundbreaking three-tiered approach, including a mat workout and cardio routine targeting the all-important accessory muscles, and an exclusive 30-day meal plan, complete with dozens of delicious recipes. This comprehensive kick-start program is unlike any other workout on the market and it leaves no chance for anything but terrific, fast results!

The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

Karena Dawn and Katrina Scott, the founders of the Tone It Up fitness and health brand, have taken the world by storm with their fun, energetic, girlfriend-to-girlfriend approach to getting fit. - FABULOUS. This is the fun stuff: beauty, sparkle, friendship, inspiration, joy, and all the things that give readers that unmistakable glow so they radiate from the inside out!

The Ketogenic diet has been wildly popular for several years. In fact, you may feel like everyone you know is on the keto diet—or at least has tried to live life on the keto diet. That's where many people run into a pitfall. Keto is often seen as being unsustainable for the long term. That's where nutritionist, personal trainer, and health coach Tara Garrison comes in with her expert advice about the proven benefits of a shorter-duration keto plan. In Short-Term Keto, Garrison explains why the keto diet makes sense and shares success stories from people who've made it work. Then she explains how to increase your chance for success if you're new to keto or how to reintroduce carbs if you've used keto to meet your goal and need to maintain your health and weight loss. Garrison's plan enables you to customize your meals for the carb count that's right for you. She describes different eating models—One Meal a Day, Targeted Ketogenic Diet, and Cyclical Ketogenic Diet—so that you can listen to your body's cues to follow the plan that suits you best. She even includes recommendations for athletes whose carb needs may vary because of events, performance goals, and weight changes. Garrison's delicious recipes, complete with carb counts, will help you find the inspiration to feed yourself well for the long term! Reverse the effects of aging and maintain optimal health for life through the revolutionary 6 Keys program by New York Times bestselling author Jillian Michaels. With Master Your

Metabolism, Jillian Michaels showed us how to take control of the metabolic machinery underneath our weight and health struggles. Now she's ahead of the curve again -- conquering the mayhem, myths, and misunderstandings associated with aging. After all, if you can decide your weight, why not your age? Scientists and doctors have identified six major age inciters: metabolism, damaged macromolecules, epigenetics, inflammation, stress adaptation, telomeres. The 6 Keys presents an ageless health, fitness, and beauty plan that addresses all six of them -- and gets them working for you instead of against you. Empowering and rigorously researched, The 6 Keys outlines powerful lifestyle interventions, dietary guidelines, exercise plans, and vanguard strategies for cultivating mindfulness that restore and protect human performance, keeping you fit, healthy, and beautiful for life.
