"Black & White" is a new strategy game from Peter Molyneux. Players are gods a world populated with tribes that will worship out of fear or admiration. This non-linear game allows player's actions to define whether as a god they are good or evil rulers. The more tribes that worship the god either out of fervent devotion or abject terror, the more powerful a god can become. "Black & White" truly allows players to exploit their god-complex.

A guide to the second Black and White versions of the popular game provides strategies, techniques, and descriptions of all the Pokâemon.
