Although her young life was scarred by violence and abuse, Karp stayed focused on her dream of a steady job and a home of her own. By age twenty-two her dream became reality. Karp loved her job as an executive assistant and signed the lease on a tiny cottage near the beach. And then the Great Recession hit. Karp, like millions of others, lost her job. In the six months between the day she was laid off and the day she was forced out onto the street, Karp scrambled for temp work and filed hundreds of job applications, only to find all doors closed. When she inherited a thirty-foot travel trailer after her father's suicide, Karp parked it in a Walmart parking lot and began to blog about her search for work and a way back.

Amazon reviewer Andrew David states, "Gabriela Taylor really knows how to keep things simple but detailed, which I liked because I did not know what I was doing at the start." There are 100+ million Tumblr blogs and only 67+ million sites running on WordPress. The popular website, valued at \$1 billion plus, allows the use of multimedia and can brag of 13 billion global page views in just one recent month and 75 million posts daily. "This book is really a soup to nuts guide on how to register for and set up a Tumblr blog to advanced Tumblr marketing strategies for your product or service," says Amazon reviewer Jennie Zahn. "Gabriela Taylor also provides other ways to use Tumblr to make money. Is it the ultimate guide? I'd have to say Yes. It's the best guide I've read for Tumblr. There's a thoughtful comparison of Tumblr and other social media sites like Facebook & Twitter." Zahn also liked the "step-by-step instructions to set up and enhance a Tumblr site. There's also great information on how to

integrate other tools and features with Tumblr. . . .I thought the best part covered advanced strategies and monetization. Taylor writes clearly and is obviously an expert Tumblr user. I also think the book is underpriced for what you get. I'd highly recommend it for anyone considering using Tumblr at any level."
