This hidden family exists in stolen moments in a small Parisian apartment on the Left Bank. It is a house of cards that Margot—fueled by a longing to be seen and heard—decides to tumble. The summer of her seventeenth birthday, she meets the man who will set her plan in motion: a well-regarded journalist whose trust seems surprisingly easy to gain. But as Margot is drawn into an adult world she struggles to comprehend, she learns how one impulsive decision can threaten a family's love with ruin, shattering the lives of those around her in ways she could never have imagined. Exposing the seams between private lives and public faces, *The Margot Affair* is a novel of deceit, desire, and transgression—and the exhilarating knife-edge upon which the danger of telling the truth outweighs the cost of keeping secrets.

Bonjour Tristesse A Novel Harper Collins

This is a new release of the original 1957 edition.

A coming of age story in the tradition of Marjane Satrapi's *Persepolis*, Tillie Walden's *Spinning*, and Mariko Tamaki's *This One Summer*. Antoine, a teenager, is on holiday at the seaside with his parents and his younger brother, Titi. Both spend most of their time drawing, at restaurants and on the beach. But one day He le`ne and her mother come to spend a few days with the family and her presence will change Antoine's life. In *A Sister*, Bastien Vive's, a master storyteller, conveys the stumbling awakenings of adolescent feelings.

Five years earlier the beautiful actress Beatrice Valmont had broken gauche insurance broker Edouard Maligrasse's heart. Now he is an acclaimed young playwright whose star is in the ascendant and suddenly she is attracted to him."

"Noam Shpancer portrays the oft-hidden world of psychotherapy with unparalleled authenticity, compassion, and wit . . . An astonishing debut."—Jonathan Kellerman Noam Shpancer's stunning debut novel opens as a psychologist reluctantly takes on a new client—an exotic dancer whose severe anxiety is keeping her from the stage. The psychologist, a solitary professional who also teaches a lively night class, helps the client confront her fears. But as treatment unfolds, her struggles and secrets begin to radiate onto his life, upsetting the precarious balance in his unresolved relationship with Nina, a married former colleague with whom he has a child—a child he has never met. As the shell of his detachment begins to crack, he suddenly finds himself too deeply involved, the boundary lines between professional and personal, between help and harm, blurring dangerously. With its wonderfully distinctive narrative voice, rich with humor and humanity, *The Good Psychologist* leads the reader on a journey into the heart of the therapy process and beyond, examining some of the fundamental questions of the soul: to move or be still; to defy or obey; to let go or hold on.

Airman, war hero, immigrant, law student, diplomat, novelist and celebrity spouse, Romain Gary had several lives thrust upon him by the history of the twentieth century, but he also aspired to lead many more. He wrote more than two dozen books and a score of short stories under several different names in two languages, English and French, neither of which was his mother tongue. Gary had a gift for narrative that endeared him to ordinary readers, but won him little respect among critics far more intellectual than he could ever be. His varied and entertaining writing career tells a different story about the making of modern literary culture from the one we are accustomed to hearing. Born Roman Kacew in Vilna (now Lithuania) in 1914 and raised by only his mother after his father left them, Gary rose to become French Consul General in Los Angeles and the only man ever to win the Goncourt Prize twice. This biography follows the many threads that lead from Gary's wartime adventures and early literary career to his years in Hollywood and his marriage to the actress Jean Seberg. It illuminates his works in all their incarnations, and culminates in the tale of his most brilliant deception: the fabrication of a complex identity for his most successful nom de plume, Émile Ajar. In his new portrait of Gary, David Bellos brings biographical research together with literary and cultural analysis to make sense of the many lives of Romain Gary - a hero fit for our times, as well as his own.

"Bravo! They've given adults and young girls a much-needed treasure map of heroines and 'she-oes'...It blazes an important path in the forest of children's literature."—Jim Trelease.

The acclaimed winner of the Whitbread First Novel Award, by the author of *The Country Life* Chronically confused, terminally middle class, hopelessly romantic, Agnes Day lives with her two best friends in the London suburbs and works at an obscure trade magazine. Life and love seem to go on without her. But she gives a convincing performance that everything is alright--that is, until she learns that her roommates and her boyfriend are keeping secrets from her, and that her boss is quitting and leaving her in charge. In great despair, she decides to make it her business to set things straight. Rachel Cusk explores the business of growing up and moving on with a deftly comic, surprisingly moving touch, confirming her reputation as one of England's smartest and most entertaining young writers.

This National Book Award-winning author's autobiographical novel is a "layered portrait of a family and the historical eras it lived through" (*The Boston Globe*). "Tuck is a genius." —Los Angeles Book Review Her father is a German movie producer who lives in Italy. Her mother is a beautiful, artistically talented woman who resides in New York. As their child, Liliane's life is divided between those two very different worlds—worlds that inspire her to find herself in both the present and in her ancestors' pasts. A shy and observant only child with a vivid imagination, Liliane finds herself exploring her family's vibrant history—which includes such renowned and diverse figures as the philosopher Moses Mendelssohn and the tragic Mary Queen of Scots—and piecing together their vivid lives. And in doing so, what is revealed is an astonishing and riveting exploration of self, humanity, and family. Told with Lily Tuck's inimitable elegance and peppered with documents, photos, and a rich and varied array of characters, "this autobiographical novel creates a portrait of the writer as a young woman" (*The New Yorker*).

Endearing, self-absorbed, seventeen-year-old Cécile is the very essence of untroubled amorality. Freed from the stifling constraints of boarding school, she joins her father—a handsome, still-young widower

with a wandering eye—for a carefree, two-month summer vacation in a beautiful villa outside of Paris with his latest mistress, Elsa. Cécile cherishes the free-spirited moments she and her father share, while plotting her own sexual adventures with a "tall and almost beautiful" law student. But the arrival of her late mother's best friend, Anne, intrudes upon a young girl's pleasures. And when a relationship begins to develop between the adults, Cécile and her lover set in motion a plan to keep them apart...with tragic, unexpected consequences. The internationally beloved story of a precocious teenager's attempts to understand and control the world around her, Françoise Sagan's *Bonjour Tristesse* is a beautifully composed, wonderfully ambiguous celebration of sexual liberation, at once sympathetic and powerfully unsparing.

Homicide detective David Moore has never had a case quite like this: a series of savage murders targeting the family of Frank Ballaro, a mafia kingpin with half the city of Niagara Falls in his pocket. The killer strikes with inhuman violence, and always on the night of a full moon. Meanwhile, grad student Iman Al-Qadari reads about the murders with growing dismay. Her boss, a prominent professor, has been acting strange over the last few months—wearing disheveled clothes, lashing out with uncharacteristic anger, and obsessing over a growing pile of occult literature. When Iman spots a red stain on his coat sleeve—one that looks and smells suspiciously like blood—the night after a grisly murder, the unthinkable starts to seem all too possible. As David and Iman wrestle with an impossible enemy whose existence grows harder and harder to deny, a strange and sinister evil sinks its fangs ever deeper into Niagara's throat. Can David and Iman find one another in time to pool their knowledge, solve the mystery, and stop the killings? Or will the creature feasting on their city swallow them as well?

Paru en 1954 Cécile a dix-sept ans et passe ses vacances d'été avec son père dans une villa louée au bord de la Méditerranée. Mais l'arrivée d'Anne vient troubler ce délicieux désordre.

Precocious and shocking when first published in 1956, *Chocolates for Breakfast* is a candid coming-of-age story of a young girl's sudden awakening to love and desire written by 18-year-old Pamela Moore. Disaffected, sexually precocious 15-year-old Courtney Farrell splits her time between her parents' homes in New York and Los Angeles. When a crush on a female teacher in boarding school ends badly, Courtney sets out to know everything fast—from tasting dry martinis to engaging in a passionate love affair with an older man. Considered an American response to French sensation *Bonjour Tristesse*, *Chocolates for Breakfast* is also a tale of Courtney's close and ultimately tragic friendship with her roommate, Janet Parker, and a moving account of how teenagers approach love and sex for the first time. This edition of *Chocolates for Breakfast* features 16 pages of insights into the book, including author interviews, recommended reading, and more.

Disputing the claim that Algerian writing during the struggle against French colonial rule dealt almost exclusively with revolutionary themes, *The Algerian New Novel* shows how Algerian authors writing in French actively contributed to the experimental forms of the period, expressing a new age literarily as well as politically and culturally. Looking at canonical Algerian literature as part of the larger literary production in French during decolonization, Valérie K. Orlando considers how novels by Rachid Boudjedra, Mohammed Dib, Assia Djebar, Nabile Farès, Yamina Mechakra, and Kateb Yacine both influenced and were reflectors of the sociopolitical and cultural transformation that took place during this period in Algeria. Although their themes were rooted in Algeria, the avant-garde writing styles of these authors were influenced by early twentieth-century American modernists, the New Novelists of 1940s–50s France, and African American authors of the 1950s–60s. This complex mix of influences led Algerian writers to develop a unique modern literary aesthetic to express their world, a tradition of experimentation and fragmentation that still characterizes the work of contemporary Algerian francophone writers.

Françoise Sagan is best known for her first novel, *Bonjour Tristesse*, which caused a scandal when she first published it at the age of eighteen in 1953. But her second novel, *A Certain Smile*, less shocking and more psychologically convincing, was preferred by many critics. Like *Bonjour Tristesse*, this story is set in Paris in the 1950s and told by a young student bored by her law books, restless and curious about love and sex. She is fond of her loyal boyfriend, but he, too, bores her. His worldly uncle strikes her as more exciting, appealingly risky and forbidden. Frank and spontaneous, vulnerable and cruel, thoughtless and insightful, Sagan's young narrator explores such perennial themes as unrequited love and the precarious balance of irrational emotions and self-restraint. This edition includes a new foreword by Diane Johnson, author of the best-selling novels *Le Divorce* and *L'Affaire*. "The second book is now out, and so is the verdict. Sagan's novel *Un Certain Sourire*, written in two months, is the new literary sensation of Paris."—*Time* "Miss Sagan is a technician of the highest order, working with exceptional economy and elegance in the tradition of Colette and Benjamin Constant."—*Atlantic* "The reader is given the feeling of having opened a young girl's intimate diary by mistake. But whoever put such a diary down?—especially when the author is as sensitive, experienced, gifted and freshly talented as Mlle. Sagan!"—*San Francisco Examiner* "[Sagan's] style is honest, direct, and her dialogue true. But for her sake let's hold back those invidious comparisons. Colette indeed! She might turn out to be Sagan."—*Saturday Review*

Set against the translucent beauty of France in summer, "Bonjour Tristesse" is a bittersweet tale narrated by Cé cile, a seventeen-year-old girl on the brink of womanhood, whose meddling in her father's love life leads to tragic consequences. Freed from boarding school, Cé cile lives in unchecked enjoyment with her youngish, widowed father -- an affectionate rogue, dissolute and promiscuous. Having accepted the constantly changing women in his life, Cé cile pursues a sexual conquest of her own with a "tall and almost beautiful" law student. Then, a new woman appears in her father's life. Feeling threatened but empowered, Cé cile sets in motion a devastating plan that claims a surprising victim. Deceptively simple in structure, "Bonjour Tristesse" is a complex and beautifully composed portrait of casual amorality and a young woman's desperate attempt to understand and control the world around her.

A lighthearted look at how to bring more humor, happiness, and joie de vivre into our lives through French literature Like many people the world over, Viv Groskop wishes she was a little more French. A writer, comedian, and journalist, Groskop studied the language obsessively starting at age 11, and spent every vacation in France, desperate to escape her Englishness and to have some French chic rub off on her. In Au Revoir, Tristesse, Groskop mixes literary history and memoir to explore how the classics of French literature can infuse our lives with joie de vivre and teach us how to say goodbye to sadness. From the frothy hedonism of Colette and the wit of Cyrano de Bergerac to the intoxicating universe of Marguerite Duras and the heady passions of Les Liaisons dangereuses, this is a love letter to great French writers. With chapters on Marcel Proust, Victor Hugo, Gustave Flaubert, Stendhal, Honoré de Balzac, Albert Camus, and of course Françoise Sagan, this is a delectable read for book lovers everywhere.
