

Books For Girls Twins Book 10 The Outcome

Twins Book 5 continues the story of Casey and Ali, two identical twin girls who have finally discovered the secret that has been kept from them since birth. Just as things seem to be going well, a new discovery takes place that throws their lives into turmoil once again. An unforeseen event leads Jake to question the girls' identity. But has he discovered the truth and if so, what will the consequences be? In addition, Casey is reminded about something important that she is completely unprepared for. What will the girls do to help Casey avoid failure at school and the wrath of her family? The drama unfolds scene by scene in this suspenseful addition to the Twins series and continues right through until the very end where the story takes an unexpected and emotional turn. You are sure to enjoy this exciting book for girls. If you're looking for great girls books for ages 9 - 12, and a series that you can't put down, then this is the one for you!

In Lori Lansens' astonishing second novel, readers come to know and love two of the most remarkable characters in Canadian fiction. Rose and Ruby are twenty-nine-year-old conjoined twins. Born during a tornado to a shocked teenaged mother in the hospital at Leaford, Ontario, they are raised by the nurse who helped usher them into the world. Aunt Lovey and her husband, Uncle Stash, are middle-aged and with no children of their own. They relocate from the town to the drafty old farmhouse in the country that has been in Lovey's family for generations. Joined to Ruby at the head, Rose's face is pulled to one side, but she has full use of her limbs. Ruby has a beautiful face, but her body is tiny and she is unable to walk. She rests her legs on her sister's hip, rather like a small child or a doll. In spite of their situation, the girls lead surprisingly separate lives. Rose is bookish and a baseball fan. Ruby is fond of trash TV and has a passion for local history. Rose has always wanted to be a writer, and as the novel opens, she begins to pen her autobiography. Here is how she begins: I have never looked into my sister's eyes. I have never bathed alone. I have never stood in the grass at night and raised my arms to a beguiling moon. I've never used an airplane bathroom. Or worn a hat. Or been kissed like that. I've never driven a car. Or slept through the night. Never a private talk. Or solo walk. I've never climbed a tree. Or faded into a crowd. So many things I've never done, but oh, how I've been loved. And, if such things were to be, I'd live a thousand lives as me, to be loved so exponentially. Ruby, with her marvellous characteristic logic, points out that Rose's autobiography will have to be Ruby's as well — and how can she trust Rose to represent her story accurately? Soon, Ruby decides to chime in with chapters of her own. The novel begins with Rose, but eventually moves to Ruby's point of view and then switches back and forth. Because the girls face in slightly different directions, neither can see what the other is writing, and they don't tell each other either. The reader is treated to sometimes overlapping stories told in two wonderfully distinct styles. Rose is given to introspection and secrecy. Ruby's style is "tell-all" — frank and decidedly sweet. We learn of their early years as the town "freaks" and of Lovey's and Stash's determination to give them as normal an upbringing as possible. But when we meet them, both Lovey and Stash are dead, the girls have moved back into town, and they've received some ominous news. They are on the verge of becoming the oldest surviving craniopagus (joined at the head) twins in history, but the question of whether they'll live to celebrate their thirtieth birthday is suddenly impossible to answer. In *Rose and Ruby*, Lori Lansens has created two precious characters, each distinct and loveable in their very different ways, and has given them a world in Leaford that rings absolutely true. The girls are unforgettable. *The Girls* is nothing short of a tour de force.

Rhyming text explores the number two, especially as it relates to twins, who are "just as two as two can be." On board pages.

This bestselling first book in the Tapper Twins series is a hilariously authentic showcase of what it's like to be in middle school in our digitally-saturated world, told as a colorful "oral history" with photos, screenshots, text messages, chat logs, and online gaming digital art. Twelve-year-old twins, Claudia and Reese, who couldn't be more different...except in their determination to come out on top in a vicious prank war. But when the competition escalates into an all-out battle that's fought from the cafeteria of their New York City private school all the way to the fictional universe of an online video game, the twins have to decide if their efforts to destroy each other are worth the price. In a starred review, Publishers Weekly declared "This uproarious series opener... is packed with both laugh-out-loud moments and heart." Don't miss the further adventures of the Tapper Twins in *The Tapper Twins Tear Up New York*, *The Tapper Twins Run for President*, and *The Tapper Twins Go Viral*.

A dark, edgy, voice-driven literary debut novel about twin sisters that explores body image and queerness as well as toxic diet culture and the power of sisterhood, love, and lifelong friendships, written by a talented protégé of Roxane Gay. Rose and Lily Winters are twins, as close as the bond implies; they feel each other's emotions, taste what the other is feeling. Like most young women, they've struggled with their bodies and food since childhood, and high school finds them turning to food—or not—to battle the waves of insecurity and the yearning for popularity. But their connection can be as destructive as it is supportive, a yin to yang. When Rose stops eating, Lily starts—consuming everything Rose won't or can't. Within a few years, Rose is about to mark her one-year anniversary in a rehabilitation facility for anorexics. Lily, her sole visitor, is the only thing tethering her to a normal life. But Lily is struggling, too. A kindergarten teacher, she dates abusive men, including a student's married father, in search of the close yet complicated companionship she lost when she became separated from Rose. When Lily joins a cult diet group led by a social media faux feminist, whose eating plan consists of consuming questionable non-caloric foods, Rose senses that Lily needs her help. With her sister's life in jeopardy, Rose must find a way to rescue her—and perhaps, save herself. Illuminating some of the most fraught and common issues confronting women, *Thin Girls* is a powerful, emotionally resonant story, beautifully told, that will keep you turning the pages to the gratifying, hopeful end.

VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ... For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." — *Entertainment Weekly* From *The New York Times*-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her *New York Times*-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

Instant #1 International Bestseller "Cue greed, lust, secrets, and serious suspense. Count us in."—theSkimm "An insanely plotted book...riveting."—*The New York Times Book Review* Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them apart. Cynical and insecure, Iris has long been envious of Summer's seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she's always envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she's the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris's life lurches between glamorous dream and paranoid nightmare. In a family in which the winner takes all, whom can she trust? And how far will she go to get the life she's always dreamed about? "Ferociously entertaining. A novel like a triathlon: part evil-twin thriller, part howdunit (or did-she-do-it?), part juicy family drama. Drop *Knives Out* and *Double Indemnity* into the blender, shake some *Dead Calm* over the froth, power it on, and you've got a cocktail like *The Girl in the Mirror*—fresh, flavorful, and utterly intoxicating." —AJ Finn, #1 *New York Times* bestselling author of *The Woman in the Window*

TWINS: Book 14: Envy... In this exciting addition to the 'Twins' series, Casey and Ali face more unexpected problems as Ali competes for Liam's attention. Neither of the girls ever anticipated the rift that develops or the envy that follows. For Ali, in particular, this is an emotion she is unfamiliar with. While Madison continues to cause havoc, the other girls attempt to ignore her but this proves to be very difficult especially when her annoying behavior leads to frightful circumstances that affect everyone at the camp. This is another great addition to the series and includes even more drama and suspense, a great book for girls 9-12 and beyond.

Pearl is in charge of: the sad, the good, the past. Stasha must care for: the funny, the future, the bad. It's 1944 when the twin sisters arrive at Auschwitz with their mother and grandfather. In their benighted new world, Pearl and Stasha Zagorski take refuge in their identical natures, comforting themselves with the private language and shared games of their childhood. As part of

the experimental population of twins known as Mengele's Zoo, the girls experience privileges and horrors unknown to others, and they find themselves changed, stripped of the personalities they once shared, their identities altered by the burdens of guilt and pain. That winter, at a concert orchestrated by Mengele, Pearl disappears. Stasha grieves for her twin, but clings to the possibility that Pearl remains alive. When the camp is liberated by the Red Army, she and her companion Feliks--a boy bent on vengeance for his own lost twin--travel through Poland's devastation. Undeterred by injury, starvation, or the chaos around them, motivated by equal parts danger and hope, they encounter hostile villagers, Jewish resistance fighters, and fellow refugees, their quest enabled by the notion that Mengele may be captured and brought to justice within the ruins of the Warsaw Zoo. As the young survivors discover what has become of the world, they must try to imagine a future within it. A superbly crafted story, told in a voice as exquisite as it is boundlessly original, MISCHLING defies every expectation, traversing one of the darkest moments in human history to show us the way toward ethereal beauty, moral reckoning, and soaring hope.

Two sisters, one destiny . . . Lex and Livia are on the run. In Time of the Twins, Lex, an impulsive military cadet, and Livia, a pampered Ainess, have just found out they are twins, which is against the law in the great City of Indra. Now they are leaving behind the only world they have ever known: for Lex, it was the dark world of the Hub below the surface of Indra, where she survived the brutal Orphanage to become an elite member of Indra's Population Control Forces, and for Livia, it was a life of luxury on the sky island of Helix, where she was brought up to be a Proper Indrithian Young Woman. With help from the charming and handsome Kane, Lex's best friend and Livia's newfound love, and Zavier, a gruff rebel who would prefer to leave them all behind, they make the grueling trek through the dangerous underground tunnels toward the Outlands beyond the dome of Indra in search of the mother they thought was dead. When they finally reach the Outlanders' colony, they discover their mother holds the key to unlocking their past, and they must confront an ancient prophecy, "The Time of the Twins." The prophecy claims they are the long-awaited "twin saviors," destined to save the City of Indra from the oppressive High Council who have long reigned over all of its people. Will Lex and Livia agree to be a part of their mother's dangerous plan and take on the daunting role of the "twin saviors"? Will they trust their mother and put themselves in jeopardy to save countless lives? It's a responsibility they never asked for . . . but one that may prove impossible to ignore. With unforgettable characters, an action-packed pace, and the sparks of new romance, the Jenner sisters have created a page-turning, heart-stopping adventure that will leave you wanting more. Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

Ling and Ting are twins. They have the same brown eyes. They have the same pink cheeks. They have the same happy smiles. Ling and Ting are two adorable identical twins, and they stick together, whether they are making dumplings, getting their hair cut, or practicing magic tricks. But looks are deceiving--people can be very different, even if they look exactly the same.

Books for Girls 9-12: Twins Book 2 continues the exciting and suspenseful story of two look-alike girls who have discovered the life-changing that secret their parents have managed to keep hidden from them since birth. But when Casey and Ali decide to use their newfound knowledge to have some fun whilst on camp, dire consequences unfold. Will the pair be caught out or will they manage to keep their secret intact? Then, when Jake Hanley, the very cute boy from school shows an interest in both girls, things become more complicated than ever. You will love the continuation of this wonderful series. This special edition of The Templeton Twins Have an Idea: Book One also includes a sneak preview of The Templeton Twins Make a Scene: Book Two and a Q&A with the author. Suppose there were 12-year-old twins, a boy and girl named John and Abigail Templeton. Let's say John was pragmatic and played the drums, and Abigail was theoretical and solved cryptic crosswords. Now suppose their father was a brilliant, if sometimes confused, inventor. And suppose that another set of twins—adults—named Dean D. Dean and Dan D. Dean, kidnapped the Templeton twins and their ridiculous dog in order to get their father to turn over one of his genius (sort of) inventions. Yes, I said kidnapped. Wouldn't it be fun to read about that? Oh please. It would so. Luckily for you, this is just the first in a series perfect for boys and girls who are smart, clever, and funny (just like the twins), and enjoy reading adventurous stories (who doesn't?!).

Enjoying their special status as identical twins while dressing alike, sharing activities and caring for identical pet ferrets, second-graders Arlene and Ilene begin feeling less special after meeting a set of triplets and struggle with other twin challenges until one

of them is hospitalized, causing a first-time separation.

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

You will find out the answers to all of these questions and be captivated from start to finish. This is another fabulous book for girls and for anyone who enjoys a suspenseful action-packed read, complete with friendship issues, sibling rivalry, boy crushes and lots, lots more! A great story for 9 - 12 year old girls!

A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar "I can't believe how good this book is.... It's wholly original. It's also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." —Taffy Brodesser-Akner, author of Fleishman is in Trouble, New York Times Book Review From the New York Times bestselling author of The Family Fang, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.
