Meet Sofia! She's one of the Five Enchanted Mermaids. She loves the color red, has a best friend that's a dolphin and loves to tell the truth! Sofia also loves to help young children understand why honesty is important and learn how to be honest in the things they do and say. In this book she explains the reasons for lying and offers short vignettes that are age-appropriate for young children to understand. Sofia speaks directly to the young child about why children lie. She weaves these basic reasons into stories where a situation unfolds regarding honesty. Then, she offers two outcomes - happy and unhappy - that are possible results of each of the situations. These illustrate in a tangible way the consequences of each choice the child makes and are great conversation starters between the adult and child.

Mermaids were made famous by Ariel the Mermaid in Walt Disney's movie, "The Little Mermaid". Mermaids are mythical aquatic creatures with a head and torso of a female human and a tail of a fish. Tags: Adult Coloring Book, Adult Coloring Books, Stress Relieving Designs, Patterns, Zentangle

Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's *Odyssey* stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public

lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

An Irish storyteller revisits the little-known legend of the Mermaid Saint in a haunting, beautifully illustrated tale of kindness, music, and longing. Long ago, on the eastern coast of Ireland, a monk from the Abbey of Bangor was collecting driftwood along the wave-tossed shore when he found a boy washed up amid a circle of seals. At first the boy, wrapped in a shawl of woven seagrass, could barely move or speak. But when he regained his strength, he recalled being brought ashore by a lady with long golden hair who sang him to safety and gave him a silver ring. The monks knew the legend of a mermaid who had wandered the coast for three hundred years. Could it possibly have been her? Inspired by a story told in medieval chronicles of Irish history about a wondrous happening in the year 558, debut author Marianne McShane weaves a captivating tale, while Jordi Solano captures the legend's spare but welcoming abbey on the rocky shore -- a setting that makes you believe that if you listen hard enough, you too can hear the mermaid's song.

While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.
