

Botanicum Poster Book Welcome To The Museum

Welcome to the museum that is always open to explore... Step inside the pages of this beautiful book to uncover the mysteries of anatomy, expertly curated to give you the experience of a museum exhibition from the comfort of your own home. The 2019 offering from Big Picture Press's Welcome to the Museum series, Anatomicum guides readers through the organs and systems of the human body, from the muscles we use to show emotion, to the delicate workings of the brain. With sumptuous artwork by Katy Wiedemann, and expert text by anatomy professor Dr Jennifer Z Paxton, this encyclopaedic tome is a feast of anatomical knowledge.

Learn how plants evolved and about the adaptations they make to survive.

This large-format poster book lets you decorate your walls with images from Katie Scott's Botanicum. Featuring plantlife of all kinds, from right around the world, it's a stunning celebration of all things botanical.
